New Advertisements.
Notice—J. L. Robinson, Cashier.
Notice—Samuel Dickinson.
Notice—Nast & Auerbach.
Notice—Thos. Allen, Auditor.
Notice—Tioiga Post Office.

Wood—Will some of our subscribers who have promised to pay their subscription in wood see to it that we are supplied without delay. As the sleighing is good, now is an excellent chance to fill the editor's wood shed.

We desire to call attention to the advertisement of Nast & Auerbach, who have opened a Clothing Store in Wellboro, one door below Hardey's Store. Call and examine their stock of goods.

LARGE HOG.—We learn that a hog was killed on the 20th of Nov. last, belonging to Josiah Reese, of Charleston, two years and four months old, weighing the snug sum of 673 1/2 pounds.

SANTA CLAUS.—An agent for this good old gentleman will be at the Book Store next Monday morning, with a full assortment of toys, toy books, and other Christmas presents for old and young. Come in and see them and select for yourselves.

TIOGA CO. COTTON.—On Monday last we were shown a sample of Sea Island Cotton, raised by Mrs. Cady, at Tioiga, from seed sent by some of the boys in the 46th Regt, during their stay in South Carolina. From the specimen before us we should judge it would pay all to give it a trial and find out whether the loyal North is not capable of raising her own cotton without the help of our "dear Southern" brethren.

We are glad to welcome our old friend, Goodrich back to the tripod, and look to see him prosper as he deserves. The Reporter is now one of the largest and neatest country papers in Pennsylvania. In fact, it was ever one of the neatest printed and most efficient of all our exchanges. He has procured new presses and new type, and ought to have 2500 subscribers. The price of the Reporter is now \$2 per year in advance. He had better make it \$2.50.

A NEW INSTITUTION.—The march of improvement in our borough is astonishing. Simultaneously with the appearance of the Street Railroad, comes the perambulating boot-black. A young American citizen of African descent appeared last week, armed and equipped with brush and stool, crying out to the muddy-booted crowd—"Black yer boots, black yer boots, 'em up, only a dime—black yer boots?" and straightway a gent backs up against a lamp-post, puts his foot on the stool, and young boy fiddles away until the boot changes color and shines like the operator's face. The man pays his dime, and walks on, while young America goes in for another customer. Truly we are putting on "city airs."—Williamsport Bulletin.

WARNER & SMITH'S COMMERCIAL COLLEGE.—The gentlemen who now have charge of the Commercial College, Messrs. WARNER & SMITH, have evinced a great deal of energy and industry since they took charge of the institution. The result is that they have placed it in a position in advance of any school of the kind in the country. They have leased the large and commodious Hall and rooms known as Holden's Hall and permanently established their institution at this central point. The Hall is well adapted for their purposes and has been fitted up so as to be convenient and suitable for the different departments into which they have classified their Institution.—Their course is very thorough and correct, and any young man who shall graduate from this institution will be fully competent to take charge of the books of any bank in the country. We feel proud to have such a school in our midst. Our citizens should take pains to have a sustained and its influence extended. We have no doubt that the zeal and ability of Messrs. WARNER & SMITH will lead to a triumphant success.—Elmira Daily Advertiser.

Correction of the Enrollment.
PROVOST MARSHAL'S OFFICE,
15th District, Pennsylvania,
Williamsport, Dec. 5th, 1864.

In order to secure the assistance and cooperation of the people in the endeavor to keep the enrollment lists continually correct, the Enrolling Boards have been directed to have copies of said lists kept open to the examination of the public at all proper times, and shall give public notice that any person may appear before the Board and have any name stricken off the list if he can show to the satisfaction of the Board that the person named is not properly enrolled on account of:
1st—Alienage,
2d—Non-Residence,
3d—Over Age,
4th—Permanent Physical Debility of such a degree as to render the person not a proper subject for enrollment under the Laws and Regulations.

5th—Having served in the military or naval service two years during the present war, and been honorably discharged, especially civil officers, clerical men, and all permanent citizens, are invited to appear at all times before the Board to point out errors in the lists and give such information in their possession as may aid in the correction and revision thereof.
They should understand that it is plainly for the interest of each sub-district to have stricken from the lists all names improperly enrolled, because an excess of names increases the quota called for from such sub-districts; and then it is equally for the interest of each person enrolled in a given sub-district to place

upon the lists all persons in the sub-districts liable to military duty, because the greater the number to be drawn from the less the chances that any particular individual will be drawn.—It is the personal interest of every enrolled man that the quota in which he is concerned, shall not be made too large, and that his chances for draft shall not be unjustly increased; both these objects will be attained if all parties will aid in striking out the wrong names and putting in the right ones. Especially is this the interest of those drafted men, who, by putting in substitutes themselves liable to draft, leave secured exemption which by the law, holds good only until the present enrollment is exhausted in their sub-districts. Men who are over 45 years of age and in consequence excused by law from the performance of military duty in the field, owe it to the cause and to the country to take a zealous and active part in the correction of the enrollment lists—a military duty of the first importance. The law requires that the quota shall be assigned in proportion to the enrollment, and the fairness and justice of this mode of determining the amount of military service due from each and every section of the country cannot be doubted if the enrollment is made as nearly perfect as it is practicable to make it. The amount of service due to the nation from every town and county is thus laid fairly and plainly before the citizens, and it is expected that a higher motive than a selfish interest will prompt all to their share in perfecting the enrollment and securing a just and efficient execution of the laws for raising troops whenever it becomes necessary to apply them.

CHICKERING PIANOS AND MASON & HAM-
LITZ CABINET ORGANS.—To the People of
Tioiga County: The above Instruments are con-
sidered by Musicians the best of their class. Other
Pianos sound well for a while, but the
CHICKERING
remains good and keeps in tune an incredible length
of time. I positively state that it has more good
qualities than any other made in our country and
refer to the following gentlemen in Troy, Borough,
who have purchased of me, as proof of their excel-
lence, and also of my standing as a dealer:
Home and Samuel Pomroy, Thomas Maxwell,
H. Davidson, S. W. Paine, J. B. Adams, Hiram Cook,
Buy the best—they are much the cheapest. I give
a written warranty to keep them in perfect order and
tune for five years. I will also furnish Boardman &
Gray or Marshall & Trevor Pianos, very cheap for
cash.

THE CABINET ORGAN
has been pronounced by over two hundred organists
and teachers as beyond any doubt the very best
of their class. Put in walnut or rosewood cases
to suit the taste.
To the teachers of Piano or Melodion. I am located
at Mansfield, as Teacher, in State Normal School;
also as dealer in Instruments, Sheet Music and Books.
I know you are troubled to get Boardman & Gray
suited to your scholars; I will furnish you either as
cheap or cheaper than you can get in the city, and if
you will give me the age and ability of the pupil, I
will give you a Teachers' word that it will suit if I
know just what you need. Please give us a call or
send for circular. J. C. WHITE.
