FILL YOUR QUOTAS.—We did not expect to return to this subject again. It appears so plain to us that the best way to raise soldiers is by volunteering, as well as the cheapest in the long run, that a word more added to what we said on the appearance of the call seemed superfluous. But it is so much the habit of us all to delay action until the eleventh hour that a further appeal may not be out of place. The quota of Tioga County can be raised, save in one or two districts, without resort to draft. Districts furnishing three year's troops hereafter, under any call, should attend to it and get credits therefor. If no allowance was made under the last previous call, it should be made now. See to it.

It is really amusing at times to observe the stores of merchants who don't advertise, to see the anxious proprietors looking into the streets and see the people go by, wondering why they don't come in, while the stores of their neighbors who do advertise are thronged with customers. Some people will learn by observation—others will not.—Columbia Rep.

DR. J. W. STEWART, of Rochester, N. Y., now at 74 Gray St., Elmira, N. Y., will be at E. S. FARR'S Hotel, Tioga, Pa., Saturday and Sunday, Jan. 28 and 29, 1865, for the purpose of healing the sick and afflicted. No medicine given—no surgical operations performed.
Those persons who cannot afford to pay are cordially invited "without money and without price"—cleanliness only being required. He says he depends on an invisible Power with which Nature seems to have endowed him, in healing the Sick and Afflicted.

THE PACIFIC MONTHLY.—We have received the first number of a new Magazine with the foregoing title, published by D. M. Gausley & Co. New York. It contains two cleverly illustrated articles relating to California and its wonders, and its papers are well written, considered and timely. Of course it is a California magazine in one sense, being devoted somewhat to the mining interests. The terms may be learned from the advertisement published elsewhere. We can cordially recommend it to our readers.

THE PHRENOLOGICAL JOURNAL and Life Illustrated, for January appears with 32 quarto pages, and a beautiful illustrated cover. It contains portraits of Tennyson, Silman, Shigdan, Cobb, Phillips, Susanna Wesley—mother of John—an Indian Chief, Franz Muller, Miss Margins, Miss Furry, the Princess of Wales, Florence Nightingale, a group of Warriors—Hannibal, Julius Caesar, Pizarro, Cromwell, Charles XII., Frederick the Great, Scott, Wellington and Napoleon, with Ethnology, Phrenology, Physiognomy, Physiology, and Psychology. No. 1. Vol. 41st. Published at 20 cents a number, or \$2.00 a year, by Messrs. Fowler & Wells, 389 Broadway, New York.

"ENOCH ARDEN."—We have received this charming poem—by Alfred Tennyson—from Messrs. Ticknor & Fields, Boston. The high popularity of the work induced Messrs. T. & F. Mr. Tennyson's American publishers to issue a 25 cent edition, hoping that it may result in the introduction of this most beautiful and touching idyl into all the households in the land.

OBITUARY.—WILLIAM STEELE, son of Robert Steele, Esq., of Delmar, Pa., enlisted in April, 1864, in Co. I, 187th Reg't P. V., and entered, with his brave comrades upon the self-sacrificing life of a soldier, willing to share with them the weary march—the lonely watch—the fierce din of battle, hoping to share with them the glory of final victory, long delayed, and dearly won, it may be, but none the less sure. But Providence ordained otherwise; and dearest memory—not the victor's wreath—but a fragrant memory in the hearts of those dearer to him than all beside, save country. He was wounded before Petersburg, June 18, 1864, and after nine days of suffering, death released him, and he passed, we trust, to the bright better land. His remains were deposited near where he fell, for a season, then brought back to the home he had left, so buoyant and full of hopeful anticipations, and Dec. 26 laid to rest in hope of a final resurrection. And thus our young men of promise, in the flush of manhood, are laying down their lives—martyrs to their Country until there is scarce a household but contains a "vacant chair." God grant that the sacrifice may be accepted, and peace return to us once more, to bless the land he died to save.
J. SHAW.

MR. EDITOR.—The support of the poor in our different townships, is becoming so important a matter that the policy of having a County poor-house, is again being discussed, and it may be as well to have an expression of public opinion on the subject through your paper. Heretofore our poor have been law, and our

poor-taxes consequently light, but the great increase in the cost of all necessary articles of food and clothing has thrown many upon the town, who have been able in ordinary times, to provide for themselves.
We have heard it suggested that the County was too much encumbered with debt to purchase land, or erect suitable buildings, to accommodate all who need care: Notwithstanding this, we believe it would, in the end, be economy for the county to purchase a small place.
A farm near the Rail Road, in the Tioga Valley, where a market garden could afford employment to many of the inmates, and also be made highly remunerative, might be the most desirable. In some of the counties of this State, the labour of the paupers more than pays the expenses of their support, and if properly managed, there can be no doubt that it might do so in this county, and also be made very beneficial to many children, both boys and girls, who are now entirely idle, and who are old enough to be taught some useful employment.
If however, the present system of relief is continued, would it not be advantageous to the Townships, and also to those who receive assistance, if a stated weekly sum was paid them, sufficient for the purchase of the articles intended to be furnished, thus giving them a motive for good management and economy, which, under the present arrangement, they do not possess.

CHICKERING PIANOS AND MASON & HAMLIN CABINET ORGANS.—To the People of Tioga County: The above Instruments are considered by Musicians the best of their class. Other Pianos sound well for a while, but the
CHICKERING
remains good and keeps in tune an incredible length of time. I positively state that it has more good qualities than any other made in our country and refer to the following gentlemen in Troy Borough, who have purchased of me, as proof of their excellence, and also of my standing as a dealer:
Horace and Samuel Pomeroy, Thomas Maxwell, H. Davidson, S. W. Paine, J. B. Adams, Hiram Case.
Buy the best—they are much the cheapest. I give a written warranty to keep them in perfect order and tune for five years. I will also furnish Boardman & Gray or Marshall & Trevor Pianos, very cheap for cash.
THE CABINET ORGAN
has been pronounced by over two hundred organists and teachers as beyond all doubt the very best of their class. Put up in walnut or rosewood cases to suit the taste.
To the teachers of Piano or Melodeon. I am located at Mansfield, as Teacher, in State Normal School, also as dealer in Instruments, Sheet Music and Books. I know you are troubled to get Books and Music suited to your scholars; I will furnish you either as cheap or cheaper than you can get in the city, and if you will give me the age and ability of the pupil, I will give you a Teachers' card that will suit for I know just what you need. Please give us a call and send for circular.
