Dr. J. W. Stewart, arrived at Bigoney's Hotel on Saturday last, and remained three days. We understand that a large number of patients were in attendance, and many were obliged to wait till his next visit which will be March, and then he will pay our county a general visit and will be at the following places: At W. H. Simpson's Hotel, Lawrenceville, Pa., Saturday, March 4.

Among the many diseases, he cures Erysipelas, numbness of limbs, all nervous diseases. In fact, he is a friend to all those afflicted in both body and mind. Those unable to pay are cordially invited to come.

The Doctor's treatment is adapted to that class of invalids who have failed to obtain their health by all other systems of practice.

The Doctor does not only remove the disease for the time being, but goes to the seat of the disease and removes the cause, and therefore it is lasting. Read the following testimonials: CATHERINE RICHARDSON, 52 New Main Street, Rochester, N. Y., one side becoming numb; one arm was useless; three years standing, was discouraged; but is now well by his treatment.

PHILIP LOUNSBURY, Horseheads, N. Y., who had lost his voice and was unable to speak for the last sixteen months, and had been under hospital treatment for a long time, was cured in ten minutes so as to be able to speak to his friends.

S. SATTERLY, of Whitney's Corners, Tioga Co., Pa., who had been afflicted nine weeks with Inflammatory Rheumatism in the left leg and arm; knee and arm becoming stiff, with one treatment of ten minutes was able to walk easily, and to use his arm nearly as well as ever.

THE INHERENT DISPOSITION OF MANKIND, LEADS HIM TO PURCHASE THE NECESSARIES, AS WELL AS THE LUXURIES OF LIFE, AT THE LOWEST POSSIBLE PRICES; AND SINCE THE

"Almighty Dollar" HAS BEEN STYLED THE SOUL OF MAN, IT TAKES BUT ORDINARY UNDERSTANDING TO COMPREHEND THE TRUE VALUE OF AN ESTABLISHMENT, THAT FURNISHES A COMMUNITY with a large variety of SEASONABLE MERCHANDIZE, AT UNIFORM

LOW RATES. When Perine & Co. located their establishment in Troy, it was for the express purpose of furnishing the public with goods at SUCH PRICES AS COULD NOT FAIL OF ATTRACTING PURCHASERS.

We will allow the public to judge of their success. Mr. E. P. PERINE, WHILE THANKING THE PUBLIC FOR PAST FAVORS, WOULD SAY, THAT NO EFFORT SHALL BE WANTING ON HIS PART, TO MERIT A CONTINUANCE OF SAID FAVOR.

HE NOW HAS A LARGE STOCK OF MERCHANDIZE FOR THE FALL AND WINTER TRADE, PROBABLY LARGER THAN CAN BE FOUND IN THIS OR

Adjoining Counties, WHICH THE PUBLIC ARE INVITED TO EXAMINE AT SUCH PRICES AS CANNOT BE FOUND ELSEWHERE.

HE BUYS HIS GOODS FOR CASH, AND SELLS FOR CASH, and the consumer gets the worth of his money. With quick sales and light profits, both Parties are enabled to realize the value of the NIMBLE SIXPENCE. TROY, Oct. 5, 1864.

The answer was "To Bowen's, No. 1, Union Block!" To look at that splendid stock of NEW FALL & WINTER GOODS! just arriving from New York.

"VERY SENSIBLE PEOPLE," thought I to myself; you know who buys at bargain and sells so as to give the purchaser a bargain too. Therefore, if you want anything in the line of DRY GOODS, LADIES' GOODS, READY MADE CLOTHING, BOOTS, SHOES, &c., GO TO BOWEN'S, and if you want HARDWARE, QUEENSWARE, WOODEN-WARE, and GROCERIES, at prices you can afford to pay GO TO BOWEN'S.

If you have Cash, or Butter, or Cheese, or Grain to exchange for this SPLENDID STOCK OF GOODS, bring them along, and you will get Satisfactory Bargains; and if you come once, you will be sure to come twice—yes, thrice, or half-a-dozen times. Don't forget the place: NO. 1, UNION BLOCK, Wellsboro, Nov. 1, 1864. JOHN B. BOWEN.

The peculiar taint or infection which we call Scrofula lurks in the constitutions of multitudes of men. It either produces or is produced by an enfeebled, vitiated state of the blood, wherein that fluid becomes incompetent to sustain the vital functions in their vigorous action, and leaves the system to fall into disorder and decay. The scrofulous contamination is variously caused by mercurial disease, low living, disordered digestion from unhealthy food, impure air, fifth and fifth habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children unto the third and fourth generation; I indeed, it seems to be the rod of him who says, "I will visit the iniquities of the fathers upon their children." The disease originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, eruptive and cutaneous affections. These, all having the same origin, require the same remedy, viz., purification and invigoration of the blood. Purify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does combine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proved by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil, or Glandular Swellings, Tumors, Eruptions, Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in Ayer's American Almanac, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak in his behalf from personal experience. Scrofula depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitutions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of Ayer's Sarsaparilla, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of those disorders. Purge out the four corruptions that rot and fester in the blood, purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lurk within the system or burst out on any part of it.

We know the public have been deceived by many compounds of Sarsaparilla, that promised much and did nothing; but they were never deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is intended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S CHERRY PECTORAL, The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done!

Prepared by DR. J. C. AYER & CO., Lowell, Mass. Sold by all druggists every where, and, by J. A. Roy and P. B. Williams, Wellsboro; Dr. H. B. Borden, Tioga; S. B. Packard, Covington; C. V. Elliott, Mansfield; S. Z. Willitt, Gilboa; and by Dealers everywhere. [Nov. 23, 1864-1y.]
