LOCAL AND MISCELLANEOUS
Wellboro, Wednesday, Mar. 8, 1865.

New Advertisements.
Gen. Hancock's First Army Corps.
The Ninth National Bank of New York.

Yesterday's mail brought us a letter from Dr. Stewart, in which he informs us that he cannot fill the appointment at Wellsboro as advertised last week.

The Spring term of the Oacola High School will open on Tuesday, April 4th, and continue in session two months. Special attention will be given to the wants of those who intend teaching through the Summer.

THE NINTH NATIONAL BANK OF THE CITY OF NEW YORK—Joseph U. Orris, President—has been one of the most enterprising and successful agents for the various Government loans.

MAINEBURG, March 1, 1865.

Editor Agitator.—The Maineburg and Shelltown "Soldier's Aid," forwarded the 8th Box to the Pa. Branch Sanitary Commission, Jan. 18th 1865, containing:
11 quilts, 6 cushions, 14 pillows, 4 pairs slippers, 192 handkerchiefs, 20 pillow cases, 6 comfort bags, 6 king pads, 7 muslin shirts 16 by 24, 7 towels, 1 linen coat, 2 pairs of ladies, 1 doz. candles, 1 cake of soap, 15 bottles berries, 6 bottles blackberry cordial, 2 bottles blackberry jam, 1 bottle wine, 1 package hops, 1 package newspapers, 12 lbs dried apples.

THE LADY'S FRIEND.—Another beautiful needle engraving opens the March number of this favorite periodical, just received. The engraving has no title other than the two simple lines:
"O, I see them sinking, sinking slowly, Those olden dreams so pure and holy."

DR. CHEESEMAN'S PILLS.
The combination of ingredients in these Pills is the result of a long and extensive practice. They are mild in their operation and cannot do harm to the most delicate, certainly in correcting all irregularities: Painful Menstruations, bearing all obstructions, whether from cold, or heat, headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, pains in the neck and limbs, &c., distended bowels, which arise from interruption of nature.

U. S. SANITARY COMMISSION.

PHILADELPHIA, 25th February, 1865.
To the Aid Societies and Individuals contributing to the Philadelphia Agency of the U. S. Sanitary Commission: We wish to make an urgent appeal to you for aid in a work which we are sure will enlist all the sympathy of your hearts, and the earnest labor of your hands.

Gen'l De Russey, U. S. Vol's., commanding defences at Washington City, on the South side of the Potomac, for work on the fortifications under his charge, or such other place as may, from time to time, be directed by the General Commanding the Armies of the United States.

DIED.
In Charleston on the 26th ult. MARY E. daughter of Oliver and Mary A. Elliott, aged 21 years 6 months and 16 days.

Her even life, her subdued and modest spirit, her regular attendance upon the services of the sanctuary, and her faithful labor in the Sabbath School, rendered her dear to many, and presented her as a beautiful model of true worth and virtuous nobility. She died lamented by loving relatives, and a large circle of admiring friends are sadly bereaved by her departure.
