We hear rumors that our friend Cubb, of the Agitator, has 'struck ile.' We hope he ffes, for he will make as many people happy from an oil spring as 'any other man.'—Bulletin, Williamsport.

We appreciate that compliment, friend CA fBON; but the only 'ile' we've struck cos & \$1 gallon. The Wellsboro Petroleum Companis, however, will be able to tell a different story for Tioga county, we hope, before the end of

ROUND TOP CHEESE FACTORY .- The far ners of the Round-Top neighborhood have formed a Company for the purpose of manufacturing cheese. The Company is now putting up a Factory, the main building to be 20x50, with s wing 16x25. It will contain two vats with capacity to store the milk of 350 cows. *The Company intends to go into operation Court the middle of May. It speaks volumes for the enterprise of the Charleston farmers that they have two Cheese factories already. Success to them; and may their enterprise prove contag-

LOST-by W. H. MANDEVILLE, on the 1 ad between H. C. Vermilyea's on Pine Creek and Wellsboro, on the atternoon of April 26t i. a Blank Book, marked on the outside, [" J. D. Mandeville & Son, Life and Fire Insurange Agents, Belmont, Allegany Co. N. Y." Any person finding said Book, on returning it to Hugh Young, Wellsboro, will be liberally rewarded.

We learn that there is a " speck of war at Fall Brook and Morris Run Coal Mines, growing out of the dispute between the miners and the Companies. The latter instituted a "lock-out" about the 1st of January, and under a law passed last winter, ejected the joiners from their houses. The situation, as / ear as we can get at it, now is, that the refractory miners have camped out on the lands of the Companies, and refuse to permit other mi ters to be employed. It is a contest between the Miner's Union and the Coal Companies; such a contest as will be impossible when men' get wisdom enough to realize that the interest of the employer and the employed are identical.

We hope there may be found an amicable issue out of this trouble. Both parties cannot but suffer in prolonging the struggle.

FROM THE WOUNDED BOYS .- We are indebtul to J. B. Porter, Esq., Washington, for the following notes of his visit to the hospitals in and around Washington. They will be read with interest :

"Lieut. Ross, Co. H, 45th P. V., was wounded on the 2d and died at City Point on the 9th of pril. He was one of the noticest and purest of the point can whom our county has been called upon to sacritee in the nation's defence. He was woulded at Cald Harbor in 1864, and while smarting from his wounds chafed to be with his regiment at the front. He deeply regretted the fate that kept him in the text, "for," said he, "these are glorious days for test, "for," said he, "these are giorious says too, the Army of the Potomac, and my heart as there." Through all the demoralizing influences of three and a half years of camp life he passed unscathed. It was tew lines he addressed to his father—the last here penned—in which he said: "Father, if my time has come to go, I feel that I am prepared." Thus meeting his last orim enemy with Christian fortitude meeting his last grim enemy with Christian fortifude to cutage. Thank God! he lived to hiel strike the death blow to armed rebellion, and to tee the death blow to armed rebellion, and to tee the dawn of a better day for the country he loved so well, and for which he so willingly gave up his warm, Jourg life."

WHEREAS, This Lodge has heard with the deepest and most heartfelt borrow of the assassination and death of Abraham Lincoln, President of the United States, and of the attempted assassination of WM. H. SEWARD, Secretary of State, and FREDER-ICK SEWARD, Assistant Secretary of State, which acts were committed at Washington, at 10 o'clock P. M. of last night; thus by a cold blooded murder suddenly taking from our Nation, one of our most eminent and distinguished citizins and Statesmen, and causing our beloved country to mourn the loss of a President, who, during the past four years has been struggling to restore the union of the States, during the most gigantic rebellion on record and during the most gigantic rebellion on record, and who, with the assistance of our brave armies had just scaled the fate of the Rebellion, and was welcoming and rejoicing over the signs of Peace and Reunion, which were just dawning on our beloved country. Therefore

one of the greatest calamities ever before inflicted on our Nation, and that it should call forth the deep-

est and most heartfelt expression of grief from every citizen of the United States. Resolved, That while we so deeply mourn over the loss of the Great and Good who have thus fallen by the assessing hand, we also mourn over the fact that our Republican Institutions have been thus disgraced in the eyes of the civilized world, by having among them the wretch or wretches so vile as to raise an assassin's hand against the President and Chief Executive Officers of our Nation, and that we pledge ourselves, that we will do all in our power to assist the Government in ferreting out the vile assassing who have committed those bloody acts, and in bringing them to the most condign punishment known to the laws of our country.

Resolved, That the bereaved relatives of the illus-

trious dead have our most heartfelt sympathies; in this, the greatest and saddest event of their lives; that we mourn with them and weep with them, and pledge them that we shall cherish the memory of their departed relative in the deepest recesses of our hearts, and that we will teach our children to honor and respect the memory of the illustrious Statemen. and respect the memory of the illustrious Statesman who has fallen a Martyr to the cause of restoring our beloved country to its former greatness and power. with the most profound feelings of grief of the assas-sination and death of ABRAHAM LINCOLN, President of the United States, and of the attempted murder of WM. H. C., at 10 o'clock on the night of the 14th inst, thus by a cold blooded and most heartless murder depriving the nation of its most Honored Head and causing us as a people to mourn the loss of our beloved President, who, during the put four years has been struggling to suppress the most gigantic rebellion on record, and had just succeeded with the assistance of our brave armies in striking the death blow to the Rebellion, and who up to the hour of his death, was de-voting his entire energies in accordance with his ten-der and sympathetic heart to bring those deluded and misguided rebellious people back under the protection of our old and honored flag and of restoring the Un-ion of the States under the Constitution back to their ormer greatness and glory. Therefore

Resolved, That this Lodge express their deep and most heartfelt grief for this great calamity which has fallen upon us as a people and as a nation, believing it to be the greatest calamity that has ever afflicted our beloved county and should call forth the deepest feelings of regret for this National bereavement— mourning with a nation who mourn and weeping with

THE WORLD'S GREAT REMEDY FOR THE WORLD'S OREST REMEDY FOR Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our pupie try it, they agree there has been no medicine like it before in our community."

which we were unable to cure until we tried your SarsaParella. She has been well for some months."

My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SURSAPARILLA, which soon completely cured her."

From Charles P. Gage. Esq., of the nidely-known Gage. Murray & Co., manufacturers of mamelled papers in Nashua. N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it distigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA." It immediately made my face worse, as you told me it might for a time, but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of I cnjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Dr. Robt Sawin, Houston St., New Fork. *

" DR AYER. I seldom isil to remove Eruptions and Sprojulous Sores by the persevering use of your SARSAPA RILLA, and I have just now cured an attack of Madignant Erysipelas with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession at well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

" For twelve years, I had the yellow Erysipelas on my right arm, during which time I truck all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the oords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your Fills. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every bedy in this community, and excites the wonder of all."

From Hon, Henry Monro. M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

st. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of uge, was attacked by pimples on his forenead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of allyer and days. days. A skilful physicinn applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having truce every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dr. Ayen. My dear Sir: I have found your SARA-PARILLA an excellent romedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Lieve, of New Brunswick, N. J., had cess, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunsucick, N. J., had dreadful ulcers on his legs, Gused by the abuse of mercury, or mercurial disease, which grew more and more aggratized for years, in space of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.
