U. S. 7-30 Loan. THIRD SERIES. \$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the 7-30 LOAN.

These notes are issued under the date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 six per cent. GOLD-BEARING BONDS.

These Bonds are new worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property.

The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7-30 per cent. amounts to One cent per day on a \$50 note. Two cents " " " \$100. Ten " " " \$500. 20 " " " \$1000. 50 " " " \$5000.

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The Notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already issued, except that the Government reserves to itself the option of paying interest in gold at 6 per cent, instead of 7 3/10ths in currency.

The delivery of the notes of this third series of the Seven-Thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in gold be available, would reduce and equalize prices that purchases made with six per cent in gold would be fully equal to those made with seven and three-tenths per cent in currency. This is

THE ONLY LOAN IN MARKET.

Now offered by the Government, and its superior advantages make it the

Great Popular Loan of the People.

Less than \$250,000,000 of the Loan authorized by the last Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within two months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and Private Banks throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE, General Agent, Philadelphia.

Subscriptions will be received by the FIRST NATIONAL BANK of Wellsboro, and TIoga COUNTY BANK, May 15, 1865.

Ayer's SARSAPARILLA. THE WORLD'S GREATEST REMEDY FOR Scrofula and Scrofulous Diseases. From Henry Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to the one who took it. As fast as our people try it, they cry out, 'There has been no medicine like it before in our community.'"

From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public when I add my testimony to the many others which have been given of your SARSAPARILLA. My daughter, aged ten, had an itching humor in her ears, eyes, and hair for years, which we were unable to cure by any other means. After using your SARSAPARILLA she has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Danvers, Vt. "I have used your SARSAPARILLA, and I have found it to be a most valuable and a most efficacious medicine for a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon cured me."

From Charles J. Gage, Esq., of the widely known Gage, Murray & Co., manufacturers of an excellent paper in New York. "I had for several years a very troublesome humor in my face, which was attended with much suffering and which would not yield to any of the usual medical remedies. After using your SARSAPARILLA, my skin became clear, and my health improved. I am now as well as usual, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Syphilis—General Debility—Purify the Blood. From Dr. J. C. H. Smith, of New York. "I have used your SARSAPARILLA, and I have found it to be a most valuable and a most efficacious medicine for a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon cured me."

From J. E. Johnston, Esq., of New York. "For twelve years, I had the yellow Bristles on my right arm, during which time I tried all the celebrated medicines I could reach, and took much of the best of medicine. The ulcers were so bad that the arm became visible, and the doctors decided that my arm must be amputated. It was during my trial of your SARSAPARILLA that I was cured. I am now as well as usual, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Hon. Henry Monroe, M. P. of New York. "I am a leading member of the Canadian Parliament. I have used your SARSAPARILLA, and I have found it to be a most valuable and a most efficacious medicine for a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon cured me."
