usual, but be became absolutely obstreperous, insulting the guard, abusing the officers and their Government, throwing his food at his attendants, and tearing a secession passion to tations generally-sometimes three lening others; sometimes melo-dramatically coulding a bayonet puncture of his own breast.

As a necessity, (and possibly us a punishment and warning,) orders were given to place

manacles on his feet. The Cantain in charge, attended by a blacksmith and manacles, approached, saying, "Mr. Davis, I have a very unpleasant daty to perform."... "My God!" exclaimed Jeff., "you don't intend to put those things on me." Such were the orders; the Captain coild only obey. Jeff. remonstrated. They should never be put on. The Captain must go to G heral Halleck and have the order countermant ld. The Captain replied, "But, Mr. Davis, the order came from General Halleck."

Davis insisted that the order m ist be counter-manded. The Captain said: "Xou are a military man, Mr. Davis, and know that my course is-to obey orders." Jeff. then went off in a more towering passion than before, and declared he never would be ironed alive. After bedoming a little cool, and mechanically placing one foot on a stool, the Captain told the blackemith to proceed.

Leaning forward to take to his arms the heels of his Rebel majesty, Jeff, seized him, and with a vigorous push tumbled him backward on the floor, while the blacksmith, justly in-dignant, hurled his hammer at "the President," but missed him. Davis then ittempted to seize a gun, and asked to be bayon ted. The guards presented bayonets, and the Daptain feared be might rush upon them, and so ordered the guard to fall back.

The captain then called ist four stout men. and ordered them to lay Jeff. on his bunk, which they did, the prisoner resisting with almost preternatural strength, and writhing in their grasp while the blacks with hammered on the rivet with a will. When placed in the chair again, Jeff. looked in utter despair 'upon his manacled limbs and burst into tears.

.. This medicine had the desired effect, and the great-Rebel became comparatively docile, far less defiant, but more depressed; and the irons

have since been removed.

It was feared that he would starve himself to death, refusing persistently to eat soldier's rations, (which C. C. Clay my uches without a murmor,)and his physician rescribed a more agreeable diet, which "the Pr sident" ste with great avidity-and still enjoys his extra fare .--Washington Republican.

A SUGGESTIVE STATEMENT The Petersburg (Va.) News, of a late date markes the following suggestive statement:

In this whole commonwealth there is not. as far as we know, a glass factory, a button factory, a paper mill, a broom factory, a manu-factory of wooden ware, a brass foundry, a porcelain factory, a chair factory, a carpet mill, a pin machine, an agricultural limplement factory, a manufactory for cutlery, a type foundry, a factory wherein a single article of printer's use is made, a brewery, a calico print factory, a lock factory, a linen factory, a cotton factory, above capacity for the commonest work.

A Conscientious Gentleman. - An Irishman being recently on trial for some offence, plead "not guilty;" and, the jury being in the box, the State's Solicitor proceeded to call Mr. Furkmost innocence, Patrick turned his face to the court, and said; "Do I understand yer honor that Mr. Furkisson is to be witness fornenst me again?" The Judge said, Iryly, it seemed so. "Well thin, yer honor, I plade guilty, sure, an' yer honor place, no because I am guilty, for I'm as innocent as yer honor's sucking babe at the brist, but jist on the account of saving Misther Furkisson's fowl."

CONSTITUTION LIFE SYRUP HAS PRODUCED A REV.

CONSTITUTION LIFE SYRUP Is a positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (hereditary, Diseases transmitted from Parent to Child.

PARALYSIS. It is so universally admitted that Constitution Life Symp is the only effective means of restoration in the various forms of Paralysis, that we need not reiterate that it is emphatically the Great Life-giving Power.

Doloreaux.

If there is any disease in which the Constitution Lafe
Syrup is a sovereign, it is in Rheumatism and list kindred
affections. The most intense pains are almost instantly
alleviated—enormous swellings are reduced. Cases, chronic
or vicarious, of twenty or forty years' standing, have been
cured by us.

CONSTITUTION LIFE SYRUP

Purges the system entirely from all the evil effects or Mer-cury, removing the bad Breath, and curing the Weak Joints and Rheumatic Pains which the use of Calomel is sure to produce. It hardens Spongy Gums, and secures the Teeth as firmly as ever. CONSTITUTION LIFE SYRUP CONSTITUTION LIFE SYRUP

Eradicates, root and branch, all Eruptive Diseases of the
Skin, like Ulcers, Pimples, Blotches, and all other difficulties
of this kind, which so much disfigures the outward appearance of both males and femaies, often making them a disgusting object to themselves and their friends.

FOR ALL FORMS OF UICERATIVE DISEASES,
Either of the Nose, Throat, Tongue, Spine, Forehead, or
Scalp, no remedy has ever proved its equal.

Moth Patches upon the female face, depending upon a
diseased action of the Liver, are very unpleasent to the
young wite and mother. A few bottles of Consultation
Life Syrup will correct the secretion and remove the deposit, which is directly under the akin.

Diseases of the Liver, giving rise to Languor, Dizzines,

condition of that organ, accompanied with burning or other
unpleasant symptome, will be relieved by the use of Consultution Life Syrup. FOR ALL FORMS OF ULCEBATIVE DISEASES.

As a General Blood-Purifying Agent, the Life Syrup,
As a General Blood-Purifying Agent, the Life Syrup,
stands unrivaled by any preparation in the world.

THE RICH AND POOR are liable to the same disease.
Nature and Science have made the Constitution Life Syrup
for the benefit of all.

PURE BLOOD produces healthy men and women; and if
the constitution is neglected in youth, disease and early
death is the result. Do not delay when the means are so
near at hand, and within the reach of all.
