

Governor Brownlow's Platform. Governor Brownlow having been questioned as to his platform, replies through the columns of his paper, the Knoxville Whig, as follows: "We are for the Union, and in the enforcement of the laws as they are both State and national, until every rebel lays down his arms, killed off in battle, or in private, or in public, until this wicked rebellion is crushed out, and men cease to abuse the Federal authorities, or talk treason even in private life. We are for no compromise with rebels who have been in arms against the Federal Government three or four years, and who have laid down their arms because they were whipped; we are for no truce with rebels, no pardon for pirates, no complicity with this, and no parley with murderers. We are for the political party which will stand by the country, sustain the United States Government, and not think of withholding men or men from the President until the nation has asserted its independence over organized mobs in the South and in the North, and until the whole world shall see and acknowledge our power to crush out the great conspiracy. "We hold that no man, in any portion of the country, North or South, should be permitted to hold office until he has taken an oath that he has never done, written, or aided anything against the authority of the Government of the United States, or in any way given aid, comfort, or encouragement to its enemies, or to the men waging war against the Government." Being grossly deceived by men in the South, who went into the rebellion, we will never support any man for any office of honor or profit, who was a secessionist, or who aided in the unholy work of oppressing the Union people in the South, or who persistently advocated the prosecution of the war brought on at the South. "During the right of secession, we hold that no State has ever been out of the Union, and consequently we deny to Congress the right to regulate the franchise; secession, holding that each State, after having elected a loyal Legislature, shall say who are loyal voters and who are not; provided that no State shall enact a law on this subject at war with the provisions of the National Constitution."

Peace. It was a boast with the soothsayers of Europe, whose unfulfilled prophecies were, to-morrow, as good as our bonfires, that if it else should go in our favor, we could never quell the military spirit once inspired over the land, nor suppress the ambition of military leaders with bayonets at their back and swords in their hands. Grant would be another Napoleon; Sherman a second Cromwell; and as a pair of this description seldom or never appears in the same country at the same time, it would bring on an inevitable train of domestic dispute and war, and result in the overthrow of Republican principles.

How is this? Grant no longer has an army, and Sherman is taking his ease on the mail packet, and the two are talking affectionately of each other, the one in Louisville, the other in the Quaker City. Does this look like eternal strife between ambitious military leaders? Not very much. Where are these groups of soldiers going? Is their mission the support of the pretensions of rival leaders? Not at all. They are going home. They are done with the bayonet and are about to take up the plow. They will fight their battles or only by fire-side. "Go home to the fields," says Sherman, "I advise the hoe in place of the musket," says Grant, and all the rest echo those peaceful, patriotic words. We have peace; it may be on all sides; peace, and the spirit of peace, no sham or cheat, but the genuine article, Yankee manufacture as it is.—Cincinnati Daily Times.

Robinson, the Maine soldier, who saved Secretary Seward's life, has been presented with a farm.

WOOD'S IMPROVED PRIME GRASS MOWER. The advantages of this Machine over all others, is its simplicity of construction, light draft, durability, closeness of cut. It never clogs, will cut all kinds of grass, or dry, lodged or standing. It has no side draft, no weight on the horse neck, either bar can be raised with ease, and in an instant pass obstruction. It is the cheapest and best Mower in market. It has been awarded the most premiums of any Mower in the world. Farmers can not find a better Mower, and can pay for one less than ever again. It will also save farmers' profits to pay for one of these Machines this year than it ever did before. All kinds of fixtures can be procured by leaving orders with us.

Wellboro, May 17, 1865.

A GOOD INVESTMENT.—There is no better investment than the 7-30 Loan, but all families have to make other investments in the way of Family articles, and if they can be purchased at a saving from the regular rates, it makes a good investment.

I claim to be selling all kinds of goods that I deal in, such as mentioned below, at as reasonable rates as any firm in the State, and a great deal lower than a large proportion of dealers. The advantage I claim, is a larger sale of goods in proportion to my expenses than most any house in the country, also no losses by old goods or credit accounts. I do not carry a very heavy stock, but intend to keep all goods that can be sold to advantage, making no leads as is customary in many houses to draw trade; selling a few goods very low and making up on others, but selling all goods at a very low scale of profits, and giving small buyers as good a chance as large ones. I believe that one man's money is as good as another's and should buy as many goods if the money is Greenbacks, and will not consent to compete on the

JEW PRINCIPLE. All goods we have in the house are marked in plain figures at the price we can afford to sell them. Particular attention is invited to the following departments, as containing a great many bargains in SEASONABLE GOODS.

DRESS GOODS. This Stock is large and new, at very low prices, the reduction being from 25 to 50 per cent from early Spring Prices.

CLOAKS, WALKING SAQUES, CLOAK CLOTHS, TRIMMINGS, &c. We make this a specialty, and can not be beat by any one, as our numerous customers can testify.

CLOTHS, & CASSIMERES. Of all the new and desirable Styles. All our old friends are invited to call and examine for themselves. We will get up suits on short notice if required, and guarantee the style of make, &c., to be the best.

SUN UMBRELLAS. All sizes—about as cheap as ever.

CHEAP PANT CLOTH for common wear. A large stock.

HOUSEKEEPING GOODS. Such as Table Linen, Toweling, Napkins, Table Spreads, &c., bought at the low rates of April.

BOOTS & SHOES. We will not be undersold in any goods in this line.

HOOP SKIRTS. All kinds and sizes at but little more than old rates.

CARPETS. We have fitted up a large, convenient, and well lighted room, and put in a good stock of Carpets bought at the low rates of last month, which are now selling at the prices made then; notwithstanding the great advance in goods. Any one in need of such goods can well afford to buy now as they will be no lower this season.

I shall continue to try and deserve the liberal share of trade I have yearly received from this and neighboring counties, and if good goods sold at the bottom of this market, and fair dealing in every way will hold true, I will not lose mine.

CONSTITUTION LIFE SYRUP.—PREPARED BY WILLIAM H. GREGG, M. D., Graduate of the College of Physicians and Surgeons, New York, formerly Assistant Physician in the Blackwell's Island Hospital, late Medical Inspector of the New York State Valuation Dept., under Gov. Edwin D. Morgan. CONSTITUTION LIFE SYRUP HAS PRODUCED A REVOLUTION IN MEDICINE. What may seem almost incredible, is that many diseases hitherto considered hopelessly incurable, are frequently cured in a few days or weeks; and we cheerfully invite the investigations of the liberal-minded and scientific to those which have no parallel at the present day. During the last five years we have contended with obstacles, and overcome opposition, as heretofore as were ever encountered by any reformer.

CONSTITUTION LIFE SYRUP is a positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all hereditary Diseases transmitted from one generation to another. PARALYSIS. It is so universally admitted that Constitution Life Syrup is the only effective means of restoration in the various forms of Paralysis, that we need not state that it is empirically the Great Life-giving Power. DYSPEPSIA. Indigestion, Weight at Stomach, Flatulence, Liver Complaint, Headache, Irritability, Lead Poison, Constipation, Biliousness. SCROFULA. Struma, King's Evil, Glandular Swellings, Erysipelas of the Face, Itch, by all the best medical remedies, incurable. RHEUMATISM. (Arthritic), Lumbago, Neuralgia, Sciatica, Gout, Tic Douloureux. If there is any disease to which the Constitution Life Syrup is a sovereign, it is in Rheumatism and its kindred affections. The most intense pains are almost instantly alleviated—enormous swellings are reduced. Cases, chronic or vicarious, of twenty or forty years' standing, have been cured by it.

CONSTITUTION LIFE SYRUP purges the system entirely from all the effects of Mercury, removing the rawness of the Throat, curing the Weak Joints and Rheumatic Pains which the use of Calomel is sure to produce. It hardens Spongy Gums, and secures the Teeth as firmly as ever. CONSTITUTION LIFE SYRUP eradicates, root and branch, all Eruptive Diseases of the Skin, like Ulcers, Pimples, Blisters, &c., and all other diseases of this kind, which so much disfigure the outward appearance of both males and females, often making them a disgusting object to themselves and their friends. FOR ALL FORMS OF ULCERATED DISEASES, Either of the Nose, Throat, Tongue, Spine, Forehead, or Scalp, no remedy has ever proved its equal. Moist Patches upon the female face, depending upon a diseased action of the Liver, are very annoying to the young wife and mother. A few bottles of Constitution Life Syrup will correct the secretion and remove the disease, which is directly under the skin. Diseases of the Liver, giving rise to Langour, Distress, Indigestion, Weak Stomach, or an ulcerated or cancerous condition of that organ, will be relieved by the use of Constitution Life Syrup. As a General Blood-Purifying Agent, the Life Syrup stands unrivaled by any preparation in the world. THE RICH AND POOR are liable to the same Diseases. Nature and Science have made the Constitution Life Syrup for the benefit of all. PURE BLOOD produces healthy men and women; and if the constitution is neglected in youth, disease and early death is the result. Do not delay until the means are so near at hand, and within the reach of all.

CONSTITUTION LIFE SYRUP is the Poor Man's Friend, and the Rich Man's Blessing. MORGAN & ALLEN, WHOLESALE DRUGGISTS, AGENTS, 46 Cliff Street, New York. Sold by J. A. Roy, Wellboro, Pa.; S. S. Packard, Corning, Pa.; HENRICOFF & CO, Troy, Pa. March 29, 1865-1y.
