The Monument Question.

Euron Agitaton-Dear Sir : I ame leased to see the recent articles in your paper, on the subject of a Monument to the soldiers of our count, who fell on the battle-field, or in the hospital, and who by the the pattle neta, or in the hospital, and who by the sacrifice of their lives have saved theil country, for us who survive. Surely "The uffecturing brare," deserve this testimony at our hand, that we appreciate their services and would pe pe nate their services. The Monument should unquestionably be one for

the whole county. There are many resigns why the erection of memorials in townships is used; rable and even impracticable. Most of the towns are poor, comparatively so; and very few have any saitable lo-cation for a Monument, other than an objecure, neglected grave-yard.

How the funds could best be collected is an open question. There are two classes of men that occur to me as suitable to udertake the enterprise. One is, the returned officers and soldiers, who would appeal irrereturned officers and soldiers, who would appeal irre-sistibly for such an object, to all classes: of loyal citi-rens. The other is the men who did that go to the war, and who consequently have not had much op opportunity to show their patriotism, thus far. The soldiers, have fought the battles, and the women at home have worked for the sick and wounded: but here is a class, who have been looking for an oppor-tunity to do constitute for their country, ind if they nere is a class, who have been looking for his dopoint their country, and if they neglect this opening, will probably never f ave another. To them I commend this Soldiers' is any Monment, in the hope of their seeing as I is that this is one of "the opportunities of life," and it has comes not twice. Есно. August 2, 1865.

Oil-Hunting .- The Wellsboro' Comf un have put up their derrick, engine-house, and oth ir spplianes for boring, and the driving-pipe is on the ground. We learn that the work at the "Luc'y Well" was lately interrupted by losing the bitt in The well. The prospects for finding oil are said to by better than

The Wellsboro Academy.

The Trustees of the Wellsboro Academy are gratified in being able to state to the public that they have succeeded in organizing a Board of Instruction, and in making such arrangements that they can confi-dently promise that the school will be a decided suc-cess and will not be exceeded in thoroughness and range of studies, by any Institution of the kind in Northern Pennsylvania,

The Board of Instruction will consist of the fol-

lowing Teachers: Rev. D. D. VAN ALLEN, A. B., Principal and Prof. of Ancient Languages, Natural Science and Belles Lettres.
Miss Sarah A. Van Allen, Preceptress and Teach-

er of Common and Higher English.

Miss Fannie J. Holland, vice-Preceptress and
Teacher of Higher Mathematics and Ancient Lan-

guages.
Mrs. Julier Sherwood and Miss H. W. Toph, both experienced teachers will be connected with the Academy and give instruction in Vocal and Instrumental Music.

Mrs. Mary Beyden will teach Drawing and Painting both in all and vector colors.

Mrs. Mary Bryder will teach Drawing and Painting, both in oil and water colors.

Music will be taught at the residences of the teachers, or at the houses of the pupils having instruments and residing in Wellsboro, as may be desired and each pupil will be left perfectly free to select her own teacher, the Principal not at all interfering in that branch.

Mrs. Bryden will also occupy a studio in her own house, separate and spart from the Academy buildings.

Miss Van Allen is a teacher also of large experience, has always been successful in her vocation, is well qualified for the position of Preceptress, and will no doubt, be an able adjunct to her brother, the Principal, in the well ordering and government of the School

the School.

Miss Holland is a young lady of great force and earnestness of character, a graduate of a first class Female Seminary, in which she took a high rank as a student and has had some experience in teaching. Of Mrs. Sherwood and Miss Todd nothing need be said to the citizens of Wellsboro. They are too well known here as excellent teachers as well as excellent women to need any endorsement by the trustees. To those coming from abroad, we will, however, say that they will justify any confidence that may be placed in them, both as teachers and christian ladles. All that is said above may also be said of Mrs. Bryden. She is a woman of excellent taste, has had

experience in teaching and is devoted to Painting as an art. She has now a class at her own house.

Lessons in Music and Painting will be given now without waiting for the opening of the Academy.

The School will be opened on Thursday the 7th of Sentember.

The School will be specially as of tuition, course of circulars containing rates of tuition, course of studies, &c., will be issued and sent out in a few days, to which the Trustees desire to refer for more full in-

A Card.

Mr. Editor: I saw an article in your paper of last week headed "A Day of Disorder," in which you portray some of the scenes that were enacted on Main street the Saturday previous, and state, that it the sheriff had been at home such things would not have occurred, &c. Bully for the Sheriff! I wish he had been at home. But where was the Constable? He was there near the close of the fray and arrested two of the belligerents, and succeeded in stopping the row. Bully for the Constable! But the point is this: I have been constable in this Borough for the last eighteen months, and have returned to the Court of Quarter Sessions every hotel, grecery, saloon, and Quarter Sessions every hotel, grocery, saloon, and other place where intoxicating drinks are sold. And what is the result? The Grand Jury found true bills against every man reported, and that is the last of it. And now returned soldiers and other young men, minors mostly, can go from hotel to grocery, and from snloon to hotel, and get whiskey and beer, just as they like, until they get drunk and noisy. And then law and order men blame the constable because he does [No, Mr. Constable, it is not right. Your rebuke is merited and timely. ED.]

Scrofula and Scrofulous Diseases. From Emery Edes, a well-known merchant of Maine. "I have sold large quantities of your Sarsaparalla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsararilla. My daughter, aged ten, had an afflicting humor in her cars, eyes, and hair for years, which we were unable to cure until we tried your Sarsararilla. She has been well for some mouths."

which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray of Co., manufacturers of enamelled papers in Nashua, N. H.

I had for several years a very troublesome humor in my face, which grew constantly worse until it distigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparatilla. It immediately made my face worse, as you told me it might for a time: but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparatilla."

RILLA, and I have just now cured an attack of Malignani Erysipelas with it. No alterative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Walkeman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsapanical Took two bottles, and any wow as well and sound as any they, he being in a public place, my case is known to overy body in this community, and excites the wonder of all."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Ryes.

From Harvey Schler, E.g., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of aliver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he sheuld tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sarsaparatita, and applying the iodide of potash lotton, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's cyclashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

"Dr. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more cartainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Lieu, of New Brunswick, N. J. hed cess, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, claused by the abuse of marcury, or mercurial disease, which grew more and more aggrated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Arra's Sansararilla. relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weskness, are generally produced by internal Scrojulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remoder.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhosa, Internal Ulceration, and local dehility, arising from the acrofulous diathesis, have yielded to it. and there are few that do not, when its effect is properly aided by local treatment."
