The Bonds to be payable from 3 to 10 years from date with annual interest at the above rate, and to be issued in amounts to suit lenders after the first day of August.

This loan becomes necessary on account of the inability of the county to realize any portion of the County and Bounty Taxes upon Unsettled Lands until June, 1866, and also to pay the interest upon the last issue of Bonds going to fill the last full Quota, and the deficiency in the amount of Taxes to meet the next instalments. All persons, Companies, or Corporations willing to lend the county its efforts to meet punctually the County Bonds now outstanding and interest, are requested to notify the Commissioners on or before the 1st day of September next.

Ayer's Sarsaparilla.

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emory Eden, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public when I add my testimony to that number of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an itching humor in her ears, eyes, and hair for years, which we were unable to cure by any other means. Sarsaparilla has been well for some months."

From Mrs. J. E. Rice, a well-known and much-esteemed lady of Westfield, Cape Elizabeth, Me.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded her relief until she used your Sarsaparilla, which soon completely cured her."

From Charles F. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enameled papers in Waltham, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing, and took hundreds of bottles of medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might do, but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sabin, Houston St., New York.

"DR. AYER'S Sarsaparilla is a most valuable and Scrofulous Sores by the persevering use of your Sarsaparilla, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Trakeman, Ohio.

"For twelve years, I had the worst Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of bottles worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsaparilla, and in two bottles, and some of the Pills, together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monroe, M. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your Sarsaparilla in a few weeks, for general debility, and for purifying the blood, with very beneficial results, and feel confident in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Scrofula.

From Harvey Sicker, Esq., the able editor of the West-Keokuk Democrat, Keokuk, Iowa.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and violent sore, which covered his face, and actually blinded his eyes for some days. A skillful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his head, lest he should be scratched, and applying the iodide of potassium, as you direct. The sore began to heal when we had given the first bottle, and when we had given the second, the child's eyes were well, and he had come out, grew again, and is as healthy and fair as any other. The whole neighborhood predicted that the child would die."

Syphilis and Mercular Disease.

From Dr. Hiram Stott, of St. Louis, Missouri.

"I find your Sarsaparilla a most effective remedy for the secondary symptoms of Syphilis and for syphilis disease than any other we possess. The profession are indebted to you for some of the best medicines we have."
