FACE STREET SCORE

SAINT's REST, (which is in the Stait) uv Noo Gersy,) Joon 12th, 1865. These is the dark days of Dimocrisy. The misforchoons that befell our armies in front uv Richmond, the fall uv our kappytyle, follered by the surrender of our armies o Grant and Sherman, hez hurt as. Our leeders Are either pinin in loathsum dunguns, inkerse ated by the heavin-defyin, man-destroyin, yranikle edix uv our late lamented Precide it, or air barskin in the free are uv Italy and Kanady. We hev no way uv keeping our voters together. Opposin the war won't do no good, er before the next eleckshun the heft uv our voters will hev diskivered that the war is over. The feer uv drafts may be suthib in sum parts uv Pennsylvania and Suthren Illinoy, fer sum time yit;

but that can't be depended on.

But we hev won resource for a Ishoo—ther will alluz be a Dimocrisy, so long (4 ther's a

Ther is a uncompromisin dislike to the nigger in the mind nv a ginooine Dimocrat. The Spanish bull fighter, when he wants to inflame the builto extra cavortin, waves a rad flag afore him. When you desire a Dimocrae to froth at the mouth, you will find a black face will answer the purpus. Ther4 the nigger is, to-day, our best and and only holt. Let us use him.

For the guidance ov the faithful, I shell lay down a few plain rools to be observed, in order to make the most uv the cappytle weither :--

1. Allos assert that the nigger will never be able to tak care uv hisself, but Fill allus be a public burden. He may, possi 19, give us the lie by going to work, In sich Cemergency, the duty uv every Dimograt is Mane. must not be allowed to work. Associations must be organized, pledged to be her give him employment, to work with him, to work for enney one who will give him word, or patronize enny one who duz. (I would sejest that sich uv us ez bez bin fortunit enuff # get credit, pay a trifle on account, so ez to thaik our patoonidge worth suthin.) This course rigidly and persistently follered up, wood drive the best uvem to stealin, and the balance to the poor houses, proovin wot we hev allus claimed. that they ar a idul and vishus race. Think, my brethren, wot a inspirin effect our poor housis and jails full of niggers we'd hev onto the people. My sole expands ez I ntemplate the delightful vishun.

2. Likewise assert that the nigge will come North, and taik all the good places, throwin all onriskilled mechanike out uv wirk by: underbidden uv em. This might be o en to objecshuns, to wit: It crosses slitely Rool the 1, and men mite say, ef there's jist nuff labor fer wat's here, why not perhibit for iners from coming? I anser: Its the biznis to the voter to-reconsile the contradikshun-he may believe either or both. Ex to the sekund objecthun. wher is the Dimperat who coodn't be underbid. and stan it even to starvashun, if the under bidden wuz don by a man uv the proud Kaukashun race? and wher is the Dimograt so lost to menhood ez to drink blud, ef the same underbidden is dud by the nigger? The starvin for work sin't the question, it's the color uv the cause uv the starvashun the maiks the diffrens. . .

Nigger equality may be workt in 2 advantage. All men, without distincker un uv secks, air fond of flatrin theirselves that somebody's lower down in the skale uv humanity than they is. Ef twan't fer niggers, what wood the Dimocrisy do for someboddy to log t down upon? Its also shoor to enlist wun i tile uv wimmen on our side.

In times gene by I've notist guthin virgins uv 45, full 16 hands high, and tiff es wire, hold'n aloft banners onto which v uz inscribed "Save us from Nigger Equality." You see it soothed om 2 hev a chance uv accertism, 1st, That they wuz frale, helplist criffers, and 2d, That anshent and tuff ez they v zz, some one wuz stili golu for em.

Ef there aint no niggers, Sent & Cimmittis must furnish em. A half dozen will do fer a ordinary county, of theyr hustle i along with energy. Ef they won't steel, the lientrel Committis must do it themselfs. Show your niggers in a township in the mornin, and the same nite rob the clothes lines and hen roosts. Ever willin 2 sacrifice myself for the cause, I volunteer to do this last duty in six populus counties.

These ijees, if follored, will, no doubt, keep us together until our enemies edit, when we will reap the reword uv our betancy and fidelity. May the Lord hasten to wday. PETROLEU V. NASBY.

The Two Apprentices.

Two boys were apprentices it a carpenter shop. One deterimined to make himself a thorough workman, the other fildn't care. One of them read and studied, and got books that would help him to understand the principles of his trade. He spent his everings at home reading. The other liked fun that. He often went with other boys to have ' a good time." "Come," he often said to his sug inste, "leave your old books, go with us. While the use of all this reading?" "If I lose the figolden moments," was the boy's answer [I shall lose what I can never make up," While the boys were still apprentices, an offer of two thousand dollars appeared in the newspap vs for the best plan for a State House, to be b lit in one of the Eastern States.

The studious boy saw the advictisement and determined to try for it.' After sareful study he drew out his plans, and senf them to the committee. We suppose that hadid not really expect to gain the prize; but he thought, "there is not the trying." It about a week afterwards, a gardeman arrived it the carpenter's shop and asked if an archite it by the name of Washington Wilberforce lived here. "No," said the carpenter, "no architect but I have an apprentice by that name. "I "s see him." The young man was summoned, and informed that his plan was accepted, and that the two thousand dollars were his. he gentleman then said that the boy must pot the building up; and his employer was so proud of his success, that he willingly gave his his time and let him go. This studious your carpenter became one of the first architects four country. He made a fortune, and now stat ds high in the esteem of everybody; while hit fellow apprentice can hardly earn food for himself and family by his daily labor. - America n. Artisan.

To Start a Baulky Horse. Ill his mouth with dirt or gravel from the road and he'll go. Now don't laugh at this but tribe. The plain philosophy of the thing is it tree him some-thing else to think of. We hav been it tried a hundred times, and it has never sailed.

CONSTITUTION LIFE SYRUP. PREPARED BY WILLIAM H. GREGG, M. D. PRIPARED BY WILLIAM H. URROUG, M. D.,
Graduate of the Gollege of Physicians and Surgeons, New
York, formerly Assistant Physician in the Blackwell s.
Island Hospitals, late Medical Inspector of the New York
State Volunteer Deputs; under Gov. Edwin D. Morgan.

CONSTITUTION LIFE SYRUP HAS PRODUCED A RKY. What may seem almost incredible, is that many diseases hitherto considered hopelessily incurable, are frequently cured in a few days or weeks; and we obserfully lowise the which bave no parallel at the present day.

During the last five years we have contended with obstacles, and overcome opposition, as herculean as were ever encountered by any reformers.

CONSTITUTION LIFE SYRUP Is a positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (hereditary) Diseases transmitted from, Parent to Child. PARALYSIS.
