> [For the Agitator.] The Soldiers' Orphans.

A very unfortunate degree of ignorance is found to exist in our county, in regard to the generous provision made by the State of Penn's, for the maintenance and education of the destitute orphans of Sol-Blomburg & Corning, & Tioga Rail Boad. diers and Sallors, who lost their lives in the late war The State proposes to assume the guardianship of these children, and thus in part, to repay the great debt we all oge to our soldiers, living and dead, and of which it has been truly said. A FAIR OFFEE. -About two weeks ago some person not having the fear of the law, nor a preper respect for his neighbor's goods in mind, entered the barn of Mr. Charles Williams, of this borough, and took therefrom the half of a double harness. About a week ago the same barn was again entered and a valuable buffalo robe carried off. Mr. Williams desires us to give notice to the free and easy person or persons who appropriated his property that he will cheerfully give up the balance of the harness upon the return of the buffalo robe; or, if this seems an unfair trade. then he will hand over the remaining barness to the man who has the missing balf, on application. This seems to us a very liberal offer; and no thief can hereafter be entitled to the undivided respect of this community who refuses to close with the offer.
