A week's time he was in camp with a company of men. A few more days found him at the front with Grant's army and there he remained until he saw the emblem of treason trailing in the dust, and the leaders of the rebellion suing for mercy at the hands of a magnanimous Government.

This speaks the *Miner* as to the record of the man nominated for Senate in this district. Surely, it is one of which no one should fail to be proud. Of his education and talents, we have heard them spoken of by those competent to judge, as being of a high order.

He has fought for his country on many a fiercely contested field. Against his private character, his fitness and general qualifications no objection can be urged. Let them come forward, make good their pledges and vote for this Soldier Senator. This they can do without jeopardizing the life of their party as he will be elected whether they vote for him or not, and they can at least make a show of consistency. Capt. Cowles will receive a good round majority in Little Potter.

We copy the following from the *McKean Miner*: "The candidate for President Judge, the Hon. H. W. Williams is a resident of Tioga County, where he has for many years past occupied the first position at the bar. Owing to the failing health of Judge White an act was passed the last Legislature, creating an additional Law Judge for this district and the Governor appointed Mr. Williams to fill the position until the coming election. Since his appointment he has held Court in this County only, and that too at a time when but little business was done, but those capable of judging say that he transacted business in a most satisfactory and creditable manner, and that he is a gentleman of superior attainments, and eminently qualified for the position the people are now called upon to elect him to, no one pretends to doubt for a moment."

W. Y. Yes. Everybody that has a wife and children can write his name will, or ought to, buy a "Family Record."

Just Received—Young has just received a splendid assortment of Stereoscopic Views, including scenes of the War; American, English, Irish and French Scenery. Also Photographic Albums in many styles and prices. Also twenty styles of envelopes. Also plain, fancy, gilt, and Ladies' note paper. Also school books of every variety—almost all at call and see for yourself at No. 5, Union Block, Wellsboro, Pa.

CONCERT.—The Singing Association of Chatham will give a Concert, consisting of vocal and instrumental music, on Saturday evening, September 30, at the Church in the Close district, in Chatham, under the direction of O. A. Briggs.

A CARD.—Mrs. Williston desires to make grateful acknowledgments to the neighbors and citizens, by whose exertions her house and furniture were saved from destruction on the night of the fire.

A SCOUNDREL'S ACT.—As Mr. Richard V. Dean, of Covington, was going home on the evening of the 17th inst., he was knocked down and robbed of cash and notes to the amount of \$600. One John Greybo was arrested for the crime, but was released by some hook or crook. Mr. Dean offers a reward of \$100 for the apprehension of Greybo.

Tax On Horses.—"Jacob's Well" is going down steeply, being about 120 feet deep. A tin of water strongly impregnated with sulphur has been struck, and the presence of "black gas" is ascertained. The lucky well is down 825 feet. Strong flow of salt, but no oil.

PAINFUL ACCIDENT.—Dr. William F. West, an, of Liberty, was seriously injured by falling off in the stairs leading up to this office, last Thursday morning. The occasion of his fall was doubtless a fit of apoplexy. Dr. Packer was called in, and after a painful consciousness was restored, endeavored to make an examination to ascertain the nature of the injury sustained; but owing to the sensitiveness of the patient but little could be done. The symptoms indicate internal injuries and concussion of the brain. At present writing, (Monday) he lies in a semi-conscious state at Bigony's Hotel. The case is not without hope, but critical.

Peterson's Magazine for October opens with a beautiful engraving of the Little Street Sweepers. We have seen that little girl somewhere before. The letter press, fashion plate, and pattern departments are, as usual, excellent. \$2.00 per year. N. B. Peterson, Philadelphia.

The Atlantic Monthly for October, presents the following bill of fare before its numerous readers: "Saints who have had bodies," "No time like the Old Time," "Cotton bonds II," "The Author of Saul," "John Jordan," "Noel"—besides new chapters of *Neddy and Garden*, *Doctor Johnson* and a fine paper on Abraham Lincoln. Fickner & Field, Boston, Mass. \$4 a year. "Our Young Folk" and the Atlantic sent together for \$5. May be had at the Bookstore.

Our Candidate for Senator.
The Clinton Co. Republican, says of our candidate for Senator: "Mr. Cowles is a lawyer by profession, and resides at Smethport. He is a man of good natural endowment, and thorough collegiate training. He holds an enviable position at the bar, and has an unquestionable reputation for honesty and integrity. His loyalty to a government during its severe trials has been a tested, bold and unequivocal, having been a tested by one year's service in the field, whether he went at the head of a company raised in his own county. He was in nearly all the battles between Grant and Lee, and always behaved himself with courage and gallantry. His capacity for the position of Senator is pronounced by those who know him and are perfectly qualified to judge, as being such as will fit him for leadership in the higher branch of our Legislature. We pledge him the endorsement and support of Clinton county."

THE HORRORS OF INDIGESTION!
You complain of your stomach, unfortunate dyspeptic; but ought not your stomach to complain of you? Possibly the pangs you endure are simply the stomach's method of taking revenge upon you for neglecting and abusing it. Perhaps you have never made an effort to improve its condition, but on the other hand, you are continually cramming it with unwholesome and incongruous food. Have you ever tried HOSSTETTER'S STOMACH BITTERS, a proper diet, and regular meals? The Bitters in a week would put your digestive apparatus in perfect order, regulate the flow of bile in accordance with the laws of health, and produce just so much aperient action as would be necessary for your good; and when you were once all right, judicious and regular dieting, with a little of the Tonic now and then, would keep you so. If you have neglected these means of cure, don't blame your stomach for its rebellion. It is merely nature's hint that she wants help. If you neglect it, the next thing may be inflammation, or Serpious Cancer, or some other violent and dangerous disease. There is such a thing as being too late in curing you. HOSSTETTER'S BITTERS will cure Dyspepsia; but Dyspepsia may engender diseases which defy all restoratives.
