New Advertisements.
New Arrangement—T. L. Baldwin & Co.
Discretion—Cole & Calkins.

Notice to Advertisers.—This paper goes to press on Tuesdays. Therefore advertisements must be handed in on Monday to secure prompt insertion.

Miss Pauline Smith has just returned from New York with a choice lot of Millinery Goods which she offers cheap for cash.

What's the Beat This?—Mr. S. Book, of Chatham, has left with us for exhibition, a handful of rats, many of the heads measuring 22 inches in length!

THE MARCH OF IMPROVEMENT.—The good example set by Mr. C. Robinson in the line of sidewalks, has been copied by Mr. B. Seeley, and the Commissioners.

ALL ABOUT A WHISTLE.—Our people were startled out of their quiet sleep on Saturday by the shrill blast of a steam whistle.

FINE APPLES.—Mr. Wm. L. Jones, of Charleston, has left with us fifteen varieties of choice winter fruit, altogether the largest, fairest, and best exhibit we have seen for years.

Harper's Magazine for October, has forty-six beautiful illustrations accompanying three papers:—"Down in the Cinnabar Mines," "Visit to the Isle of Puritans," and "Sherman's Great March."

THE FALL TRADE.—A glance at our advertising columns will repay the reader. It will be seen that the merchants of our county are preparing to accommodate the public with a richer and choicer variety of goods than ever before offered here.

John R. Bowen offers a heavy stock of goods. If you will call and see him you will feel obliged to purchase to give him elbow room.

Messrs. Borden Brothers, Tioga, also challenge competition in their line of business—Drugs, Medicines, and Tankee Notions. They are also purveyors of fine cigars.

THE OIL HOLE.—Probably the biggest well's work yet done in this County in boring for oil was done by Mr. J. Schieffelin, the Superintendent of "Jacob's well," last week. The depth made was 115 feet, through compact slate and thin veins of shale and quartz.

The Westfield well is down upward of 100 feet and slowly progressing. The Oceola well is down upward of 500 feet, and the bit is in another stratum of oil-bearing rock it is said.

We believe in oil in paying quantities in Tioga County.

COMMON SCHOOLS.

The undersigned having been reappointed County Superintendent for the remainder of the present term, hereby gives notice that examinations of teachers will take place as follows:

Table listing school locations and dates for teacher examinations, including Delmar, Charleston, Mansfield, and Westfield.

BUY ORR. This is our advice: we refer to the beautiful family keepsake now being sold in our county by Mr. Moore.

Down goes the Prices of all Cotton Goods. As has been expected by all discerning buyers, the recent great marking down process has resulted in an equally sharp marking down of prices. I have been selling all goods at less than the extreme New York prices for the past six weeks, but the reaction of last week's examples we will sell.

Good fast colored Prints, 25 cents, Yard wide Sheatings, 31 cents, Fine Brown Shirtings, 28 cents, Best DeLaines, 35 cents, Yard wide Bleached Muslin, 8 shillings.

All other goods at equally low rates. Woolen Goods at still lower rates in proportion to actual values. I do not know how long these prices will last but intend to sell cheap as long as I can buy cheap.

MARRIED.
In Wellsboro, on the 28th ult., by Rev. John Shaw, Mr. HORACE HERRINGTON, and Miss BETSY HOLMES, both of Shippem.

HUNTER'S PATENT WATER PUMPS OR BORED WELLS.

A durable Well made, and pure water obtained in One Hour.
This well is an improvement upon these heretofore sunk upon this principle. Using the SLOTTED PIPE, which is more durable and in EVERY respect superior to any other.

To those desiring to have Wells of this kind sunk, we respectfully ask of them to examine our process before doing so. Having purchased the right for Tioga and Potter Counties, I shall commence at once canvassing and putting them in operation, when I can convince the most skeptical of their success.
