LOCAL AND MISCELLANEOUS

Wellsboro, Wednesday, Nov. 1, 1865.

## New Advertisements.

Notice to Teachers—J. L. Kingsbury, Sec'y.  
Application in Divorce—Sheriff Tabor.  
\$5,000 a year.  
A cough, cold, or sore throat.  
Cough—John Cochran.

Soldiers' Orphans' Committee, for Tioga Co.

Thomas Allen, Wellsboro, Chairman,  
Mrs. J. P. Morris, Mansfield,  
Chas. F. Swan, Tioga,  
Mrs. John Dickinson, Wellsboro,  
J. B. Niles, Niles Valley.

Mr. J. G. Clark will sing at Tioga this evening,  
and at Mansfield Thursday and Friday evenings.

Kelly & Purris have received their new Goods at  
the old stand. They propose not to be under-  
estimated.

We commence this week the publication of the in-  
crease Tax list of this county, by request. We are  
behind our contemporaries in other counties in this re-  
spect, the crowd of advertising being heavy.

We are obliged to Mrs. John Postman, of Delmar,  
for samples of fine quinces and pears. By the way  
there is no fruit which excels the Quince as a flavor  
of sauce.

New Drug Store.—Dr. W. W. and Captain R.  
S. Webb, have opened a Drug, Chemical, and Tobac-  
co Store, one door below Hastings' Grocery. They  
have a prime article of cigars, and tobacco, and do  
not think their drugs will kill or cure second to none.

SOME SQUASH.—Mr. A. M. Prutman, of Tioga  
square, grew a squash vine in his garden the pres-  
ent season which measured, all told, ten hundred and  
seventy four feet and five inches! That is long  
enough.

JOEL has come back from Philadelphia with a  
beautiful lot of watches and jewelry, suitable for  
Christmas and New Year presents. He has the best  
cutlery, watches ever brought to town; and in the  
way of pins, brooches, chains, lockets, earrings,  
etc., his show case presents an attractive array.  
You will find him at the old stand.

We again notify those who wish advertisements  
inserted in any particular issue of this paper, that we  
press Tuesday noon of each week; and all ad-  
vertisements should reach us not later than Monday.  
We are obliged to go to press thus early in order to  
get our mails off in proper season, our edition being  
very large for a country paper.

Mr. SAMUEL HOWE, of the firm of S. Boardman &  
Co., Nurserymen, Rochester, N. Y., has the credit of  
being in this region the finest lot of fruit trees  
that has been offered to see in market. The Or-  
chard also furnishes Hedges, flower sets, and orna-  
mental shrubbery, all of the most hardy, as well as  
choice varieties. Mr. L. N. Manley is the gen-  
eral salesman for this county.

BEAT THIS BEAT!—Mr. RANSLEY TOLES, of Chi-  
cago, has left with us two beets, one weighing 13  
lb. and the other 7 lb. 16 oz. These beets are of  
superior quality, and excellent for cooking pur-  
poses. If anybody can beat this we lose our prize.  
We are obliged to Mr. Toles for a peak of fine  
red apples, as yellow as gold and as luscious as a  
peach.

FLAX MANUFACTURE.—Not all of our readers are  
aware that we have in this county a factory for the  
preparation of raw flax for manufacture into flax-  
seed. Messrs. Sears & Boatwreck have converted  
the old Herrington Mill property in Middlebury, Vt.,  
into a factory of this kind. They have fitted it up with  
approved machinery, and are doing much to devel-  
op the resources of the county. We learn that they have  
harvested about 100 acres of flax this season, and  
are now engaged to employ some dozen or fifteen  
men. These gentlemen deserve to meet with the  
most encouragement from our farmers. Why?  
Because a reputation for flax culture as enviable as  
that we are gaining for butter and cheese and fruit.

THE WELLSBORO ACADEMY.—In common with a  
large number of townspeople we last week attended  
the Wednesday evening exercises at our Academy.  
Three consist of reading compositions, declamation,  
etc., and bid fair to "draw" uncommonly well dur-  
ing the winter. On the occasion referred to the com-  
petitors were chiefly above the average of such  
exercises, while some were indicative of decided talent.  
The feature of the conduct of the Academy under  
Prof. Van Allen strikes us as notable and worthy of  
imitation by kindred institutions. It tries the  
best, of course, to read or declaim before a prom-  
iscuous audience; but these experiences are necessary  
for the correct education of men and women for  
part they are to play on the stage of active life. It  
is sad to have no cause to feel ashamed of their per-  
formance last Wednesday evening.

At the close of the exercises, brief, but appropriate,  
remarks were made by Maj. Merrick and Col. Emery,  
in which the students were exhorted to friendly emu-  
lation and a wise use of time and opportunity. We  
ought to mention that these exercises were made very  
pleasant by the choir which sang several stirring  
pieces in fine style.

The muster-roll of the Academy now shows a list  
of 120 students. It ought to be 200, but even the  
present number may be considered a prosperous be-  
gining. The interests of students and parents are  
in excellent hands.

THE OIL HUNTERS.—"Jacob Well" (near this  
village) is down 495 feet, in very hard rock at present.  
The prospects are excellent and satisfactory. Tapping  
has been ordered with all the appliances for pumping.  
The salt water increases in strength, and we have seen  
some very fair salt procured by evaporating the water.

The "Lucky Well," at Tioga, is waiting for tubing  
and pump. The sand pump used to keep the crevice  
clear, brings up oil every time.

At last accounts the bit was fast in the Canoe Camp  
Creek well, at a depth of over 450 feet.

The Westfield well is down upward of 300 feet.  
The Oceola Well is down 600 feet but we hear no  
particulars.

One or two new wells are about to be commenced  
at Lawrenceville.

No news from "Salt Lick" well.

ing public the complete stock of Hardware ever
