THE AGITATOR.

LOCAL AND MISCELLANEOUS

Wellsboro, Wednesday, Nov. 15, 1865.

New Advertisements.

Attorneys at Law—Hawley & Cummin.
United States Hotel—D. G. Ritter, Prop'r.
New Photograph Gallery—Frank Spencer.

We are obliged to Mr. George Skelton, of Delmar, for a basket of nice Baldwins, Greening, and King apples, fresh, fair, and large.

WELLSBORO PETROLEUM CO.—A special meeting of the Directors will be held at the office of J. N. Bache, Esq., Friday evening, 17th inst. A full attendance is very desirable. By order, M. H. COBB, Clerk.

FATAL ACCIDENT.—As ROYAL ROSE, Esq., a prominent citizen of Rutland township, was proceeding homeward from Mansfield one day last week, his horse took fright and ran away, flinging Mr. Rose to the ground. He was discovered in an insensible condition, and death ensued in a few hours.

DEEDS!—We have just printed a quantity of Warrantee Deeds on fine paper, for the accommodation of numerous applicants for this kind of blanks. We shall sell them at ten cents each for six or less, and at the rate of $1—a dozen for more. We will send them to order by mail, prepaid, for these prices. The money must accompany the order in such cases.

BUSINESS CHANGES.—Mr. D. G. Ritter, has leased the United States Hotel property, lately occupied by Mr. Nelson Austin, and has opened the house to the public. See advertisement.

Mr. James Wilkinson, of Charleston, has opened a grocery and provision store in the building next door to the Law Office of A. P. CONE, Esq. Mr. Wilkinson is disabled from active labor by casualties of war, and deserves a liberal patronage.

By reference to an advertisement in another place, it will be seen that Mr. J. G. CLARK, the eminent vocalist and composer, is to give entertainments in several villages of this county within the next few weeks. We are glad to see that he will not avoid Wellsboro He will sing in this place Saturday evening, Dec. 2, proximo, at which time he will present an entirely new programme. We understand that the use of the M. E. Church has been tendered to Mr. Clark for that occasion, it being better adapted both for singing and hearing than the Court House.

HOW TO BE USEFUL.—A country paper should be chiefly local in its character. Nearly everybody takes a city paper in addition, and thus gets the general news. But no city paper gives the local county news, of course.

Now if some one interested in the growth and progress of any locality in this county, would send us the local news every week, the *Agitator* would promote the interest of that locality as much as any other. Our object is to encourage all localities without distinction. If one part does better than another, we shall not be slow to say so and give the proper credit.

The Academy.—We made one of a crowded audience at the Wednesday evening exercises at the Academy last week, and were pleased to note the decided progress made in declamation and composition. A large proportion of the essays were devoted to the inculcation of the virtues of self-reliance and the necessity of individual effort, from which fact we conclude that Mr. Van Allen and his excellent Assistants aim to teach their students the necessity of practicing independence of thought and action. It is very evident that our Academy has made rapid progress toward regaining its ancient high rank among institutions of its class under present management. The material is most excellent, and the *morale* of the school unsurpassed.

The Fall Term closes on the 27th inst. The commencement of the Winter Term will be advertised in due season. We assure parents that this is the golden opportunity for their children—an opportunity not to be neglected. Mr. Van Allen should have 150 pupils next term.

HARPER'S MAGAZINE—reached us early, but owing to a multiplicity of duties, we have failed to notice it in season. We may remark that the new volume commences in December and with the promises of renewed and increased attractions To say, that every family should subscribe for this excellent educator of the people is to use a stereotyped phrase. But we repeat it, nevertheless. It is the best serial of its kind in America, or elsewhere, as for that matter.—Terms $4 per year. We can furnish a copy of either Harper's Magazine or Harper's Weekly newspaper, and *The Agitator* for $4.75 per year. Otherwise either may be ordered of Harper & Brothers, New York, at $4. each, per year, or at the Bookstores.

THE ATLANTIC MONTHLY.—The November number contains the following interesting articles: Why the Patkammer Castle was destroyed; The Rhyme of the Master's Mate; The Visible and Invisible in Libraries; Letter to a Young Housekeeper; The Peace Autumn; Doctor Johns; Rodolphe Topffer; The Chimney Corner; Jeremy Bentham; A Fare well to Agassiz; The Forge; The Progress of the Electric Telegraph; The Field of Gettysburg; Alexander Hamilton; Reviews and Literary Notices; Recent American Publications. We do not see how any one can possibly do without the Atlantic. Terms, $4,00 per annum. Address Ticknor & Fields, 124 Tremont-street, Boston.

The Illustrated Annual of Phrenology and Physiology for 1866, the best ever issued, Contains President Andrew Johnson, Abraham Lincoln, Julius Julius Cæsar, with Portraits: Character in the Walk, with twelve illustrations: The Mother of Wesley: Character of the Eyes; Stammering and Stattering (Causes and Cure); Lieut.-General Grant: The Red Man and the Black Man, with illustrations: Heads of the Leading Clergy and Heads of Notorious Boxers, with Portraits: Fate of the Twelve Apostles; Head of St. Paul; Qualities of Men; Cornelius Vanderbilt; Language of the Eyes—blue, black, gray, hazle and brown—ten engravings; Brigham Young, Richard Cobden, John Bright, Major-General Sherman, with portraits; Phrenology at Home; with Counting House Calendar. Post-paid for 12 cents, by Messrs. FOWLER & WELLS, 389 Broadway, N. Y.

Obituary.

At a special meeting of Bloss Lodge, No. 350, A. Y. M., held at their Hall in Blossburg, on the evening of the 31st of October, the following Preamble and Resolutions were unanimously adopted:

WHEREAS, It has pleased an allwise Providence to remove from us, by death, after a long and tedious illness, our much beloved and useful Brother, M. C. SWAN, thus depriving our Brotherhood of one who has labored faithfully with us since the organization of our Lodge, proving himself a true Brother and Friend, and society at large of an esteemed and much valued citizen. Therefore,

Resolved, That in the death of Brother SWAN, our Lodge has lost one of its brightest ornaments, and we deeply deplore this sad dispensation of Providence in taking from our midst a brother in the prime of life and usefulness, and one who, although afflicted for months past with that insidious and fatal disease, consumption, has labored faithfully in building up our beloved institution in this place.

Resolved, That this Lodge will ever cherish the memory of Brother SWAN, as one who was truly a Mason and a Brother, and whose heart was ever true to the noble caute he had espoused; one who, after doing his whole duty here as a brother and good citizen, has severed his membership with us and departed to join that Grand Lodge above, where no more pain or parting will be felt or feared.

Resolved, That we tender to the bereaved widow and relatives of our departed brother our most heartfelt sympathies in this their darkest hour of trial; that we mourn with them the loss of a beloved relative, friend and brother, and while mingling our grief with theirs, we feel to say, weep not for the departed, he has done his duty here and departed to join that happy brotherhood above, never more to be separated.

Resolved, That the members of this Lodge wear the usual badge of mourning for thirty days.

Resolved, That the foregoing preamble and resolutions signed by the W. M. and Secretary be spread on the records of our Lodge and a copy thereof be presented to the widow of our deceased brother and a copy sent to the Tioga County AGITATOR for publication.

JAS. P. TAYLOR, W. M.
J. G. WOOD, Secretary.

THE OIL HUNTERS.—If no accident occurs, "Jacob's Well" will be down 600 feet by Saturday night. The sinking of this well has been rapid, and without serious accident, so far. This reflects great credit upon Mr. Schieffelin, the contractor, who not only comprehends the principles of mechanics, but proceeds with judgment and caution. The indications are very flattering at the present depth of the well.

The Lucky Well is now pumping. We have no details, nothing but the fact that the pump has just been started.

A vein of very pure petroleum gas has been tapped at the Barker Well, at a depth of 540 feet.

Canoe Camp Creek well still refuses to give up the bitt.

The Westfield Company is very sanguine of success. A gentleman from that locality informs us that the well is going down rapidly.

LOST!—Monday, 14th inst., on the Stony Fork road, between Hector Horton's and Wellsboro, a small black leather pocketbook, containing $21 in National Bank Notes. I will pay $5 for the return of the same to me in Delmar, or to the AGITATOR Office.

ED. CAMPBELL.

IMPORTANT TO FEMALES

PROCLAMATION—DR. CHEESEMAN'S PILLS.—The combination of ingredients in these Pills is the result of a long and extensive practice. They are mild in their operation, and cannot do harm to the most delicate; certain in correcting all irregularities, Painful Menstruations, removing all obstructions, whether from cold or otherwise, Headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, fatigue, pain in the back and limbs, &c., disturbed sleep, which arise from interruptions of nature.

Dr. Cheeseman's Pills was the commencement of a new era in the treatment of irregularities and obstructions which have consigned so many to a premature grave. No female can enjoy good health unless she is regular, and whenever an obstruction takes place the general health begins to decline. These Pills form the finest preparation ever put forward with immediate and persistent success. Don't Be Deceived. Take this advertisement to your Druggist, and tell him that you want the best and most Reliable Female Medicine in the World, which is comprised in these Pills.

To all classes they are invaluable, inducing, with certainty, periodical regularity. THE BITTER FRUITS OF BAD BITTERS.

Invalid reader, do you know what nine-tenths of the bitter compounds you are solicited by the proprietors to accept as universal panaceas are composed of? Give heed for a moment. They are manufactured from unpurified alcohol, containing a considerable portion of *fusel oil*, a poison almost as deadly as prussic acid. The basis of the regular tinctures of the Materia Medica is the same. No amount of "herbal extracts" can overcome the bad tendency of this pernicious element. The essence of sound Rye thoroughly rectified is the only stimulant which can be safely used as a component of a Tonic, Alterative, and anti-bilious medicine, and HOSTETTER'S STOMACH BITTERS is the only medicinal preparation in the world in which this article is used as an ingredient. Hence the extraordinary effects of this great specific. It gives strength without producing excitement. No other tonic does this. All the ordinary Bitters flush the face and affect the brain. HOSTETTER'S BITTERS diffuse an agreeable calm through the nervous system, promote digestion, and produce sleep. No other tonic so quickly revives the exhausted physical energies, restores the appetite, and removes the gloom and depression which always accompanies weakness of the bodily powers.

Ayer's SARSAPARILLA,

THE WORLD'S GREAT BLOOD PURIFIER FOR

Scrofula and Scrofulous Diseases.

From Emery Eides, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely known firm, Murray & Co., manufacturers of enamelled paper, in Nashua, N. H

"I had for several years a very troublesome *humor* in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I knew of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood.

From Dr. Robt. Sawin, Houston St., New York.

"DR. AYER. I seldom fail to remove *Eruptions* and *Scrofulous Sores* by the persevering use of your SARSAPARILLA, and I have just now cured an attack of *Malignant Erysipelas* with it. No alterative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general *debility*, and for *purifying the blood*, with very beneficial results, and feel confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, *and he is now* as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stout, of St. Louis, Missouri.

"I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of *Syphilis* and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massachusetts.

"DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for *Syphilis*, both of the *primary* and *secondary* type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or *mercurial disease*, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhœa, Whites, Female Weakness,

are generally produced by internal *Scrofulous Ulceration*, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrell, of Cincinnati.

"I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leucorrhœa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhœa of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia,

when caused by *Scrofula* in the system, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
