# Local and Personal.

Justices of the Peace Should not fail to send in the recognizances taken before them, in all criminal cases, at least ten days before Court.

### Question.

Who will bring us a load or two of pumpkins, on Who will bring us a load or two of pumpkins, on subscription? Don't all speak at once-but bring against using it, &c. along the pumpkins.

### Look Out !

If our delinquent subscribers don't send or bring us what they owe us pretty soon, we shall have to go to printing bogus 10-40 bonds with which to pay our honest debts.

### Tunkhannock Seminary.

We announce with much satisfaction, the fact that properties of this article will tell you that it Mr. E. W. Watson proposes to establish a Seminary at this place. For the coming winter, he will occupy the public school house. By Spring, it is to be hoped, arrangements will be completed for the erection of suitable buildings and for the permanent es- "Eureka Oil," form a fluid that is not exploablishment of such an institution in our town.

The Fall term of this Seminary will commence on the 25th inst., and continue 12 weeks. For further information inquire of R. R. Little, Esq. at this place ; or of the Principal at New Mil-

### The Meshoppen Meeting.

The Democratic Meeting and Buck-roast at Meeting pure Oxygen is injurious to life on ac-shoppen on Wednesday last, was, considering the uncount of its highly stimulating properties, all of the functions becoming extremely excited, We cannot exist without the atmosphere, alfavorable condition of the weather, largely attended. After partaking of a most excellent dinner at the igh at the same time one of its constitu Fellows' Hotol, speeches were delivered by Col. V. ents breathed by itself into our lungs is high-E. Piollett and Wm M. Piatt, Esq., which elicited frequent bursts of applause. The Tunkhannock and Laceyville brass bands were present; and vied with he cited, but this is sufficient to show each other infurnishing music for the occasion. The utmost enthusiasm and best of feeling prevailed.

### Peaches:

B. M. Stone, of the Ft. Sumpter Grocery-B. M. Stone, of the rt. Sumpter told, 1200 Store, has just received, we are told, 1200 and defy any one to prove the contrary. We also say that it gives a softer and more orchards of Delaware

### Large Cucumber Crop.

HORSE-RACE DAM, Oct. 26, '67. Mr. EDITOR :

In looking over the report Drake's Plantation Bitters was undoubtedly of the Nicholson Agricultural Fair, I noticed placed among the ruins by the agent of Dr. some very interesting articles and some very Drake, we desire to state he is incorrect in funny ones on exhibition, as there is nothing said about how much the expense of bearing our lettering, the language of the anthose are, I wish to publish by your permission, a statement of a crop of cucumbers that literature of that day. Our agent has other cient Romans was different from the accepted I have raised this season. I planted a very business than this in Europe, and has not trifle over two square rods of ground, with been in Italy at all. No doubt Americans cucumber seed, in drills, and the product is as follows: While growing, we used all we ing to impose upon a society of Antiquarians as follows: While growing, we used all we needed for table use and gave away a great in this way, seems quite useless, and we do many, besides selling about \$5 worth at one not appreciate the joke. It is unnecessary time. I have also pickled 3,100 in salt, the for us to spend money in Europe while we most of which I have sold at one dollar per are unable to supply the demand for these hundred, which will yield about \$15 per rod. celebrated Bitters here. multiplied by 160-the number of square rods in the acre-will produce two thousand four hundred dollars per acre, extra of expense, as those used while growing will pay Who Appreciates the fact all expenses. Will some of our enterprising gardners beat this in Little Wyoming ?- That there is any great importance attach-ed to such a commodity as a PILL? It is

Yours, Truly. JOHN MELHUISH.

### The Oil Question.

We gladly give place to the following, which entirely relieves us from any responsibility on the question of the explosiveness or nonexplosiveness of the Eureka Oil. The matter is now fairly at issue between the Doc-

If the question is to be further discussed, we hope the dis cussers will try to be as "short and sweet" in their communications as the nature of the case and their natures will allow. In any event, we hope they will be shorter than the average of Dr.'s bills, and 000 a year. Think of that Esculapius ! Well sweeter than any of their pills.

We might add, that, in our opinion, any talk about animals is foreign to the subject under discussion. In the matter of epithets, Drs. should confine themselves to doctrinal terms. They may call each other Butchers. blisterers, scurfs, scabs, pill-peddlers, pukes, and such other names as their explosive natures may prompt. The right to call each other Jackasses, has become by long, uninto editors. It is therefore a trespass upon properties, and immediate in its action. terrupted usage, one that belongs exclusively

system. In old and chronic cases it may be used with almost a certainty of success.
