JOHN W. GRARY.

Gen. Grant and the Presidency.

The Bellfonte Watchman says that when Andrew Johnson was put upon the

ticket with Abraham Lincoln in 1864. there were grave doubis as to how far he could be trusted to carry out the doctrines of the Radicals. Thad Stevens opposed his nomination with all his might, but there were expediency men enough in the Baltimore convention to bear down all opposition, and Mr. Johnson became the candidate for the vice presidency, of the parts nnate sense of the existence of an over- which afterwards elected him to power .-ruling Power, by which the world and all All know what has been the result. If the it contains are governed by and controlled. Democracy had succeeded in the election THE LARGEST AND Aided by the dictates of cultivated reason of 1864, they could scarcely have done betand the teachings of Divine revelation, we, ter for themselves than the opposition did however, are taught to recognize in that for them in electing Mr. Johnson. In re-Supreme Ruler, a Heavenly Father, to gard to the great question, which really whom we are indebted for existence and outweighs all others now before the people all the blessings we enjoy, and to whom -the restoration of the Union-President we owe constant and fervent thanksgiving Johnson occupies nearly the same ground CHANGES, and all others interested, will and praise. It is He who "visiteth the held by us, and the result is that we have please note the CHANGE of TITLE, of this earth and watereth it;" who "setteth the all the benefit of the good things done by who "crowneth the year with His good- ders. Under the circumstances in which ness, and whose paths drop fatness;" who clothest the pastures and flocks, and cover-putting himself on a platform of his own

From present indications, they now pro pose to do the same thing the coming year. Since the defeats of this year, which are of the "loving-kindness" of an All-wise charged by the conservatives upon the ment of disunion is no longer tolerated .- we are fully confident of our ability to deshould west side of the river, should be a sufficient revered and defended as the ark of their son has done, if we, by any unforseen contingency, should chance to suffer defeat - COMPRISING We are not, and never have been, of those that the Democracy everywhere bolds

cial embarrassments or commercial dis- we do. But if the radicals will nominate him, it does not give them the slightest investment in the county. Were this not ress and happiness of the people of this advantage over us in the contest, and the case, the facilities it would afford to great Commonwealth; but peace, health, make us certain of controlling at least one branch of the government, whether we loose or win. There is a great for his nomination may be made so strong
