Radical Views of the Radical Revolution. [From the Evening Post, Jan. 15.]

. Mr. Johnson by the choice of the peoas such he is responsible for the execution the subordinates by whom the laws are to be enforced. He must submit his appointments to office to the confirmation of the Senate, but is otherwise independent of Congress. The Tenure-of Office Act, by which the Senate has been made to control the President's power of removal, 18 the provision made for his case, in behalf Stanton believes that it is not, and yet he An old resident of North Carolina says the avails himself of this law, which he says is not a constitutional law, which is voidable and disorganizing, to resume a place in the Cabinet of President Johnson, which he has been especially desired to resign. It seems to us necessary only to state a case like this to a man who respects the law and the Supreme Court. They both illustrate The Radicals of Lousiana have nominated respects himself, to be certain of what his course will be. It is not enough to reply that a large majority of the members of Congress have signed a letter requesting him to resume the duties of Secretary of War. Members of Congress have nothment, which, in all sound theory as in the express letter of the organic law, it is desirable to keep distinct; and their interference is as revolutionary as it would be to resolve the President out of office, If them in such a manner as to defeat their purposes, the remedy for his course is pointed out. It is not to invade the sphere of the Executive functions by legislative encroachment which will be a precedent for other times, but to impeach and remove him if guilty. But the plan of impeachment has been tried, and after a year's incubation of it has hatched out nothing. Ashley's eggs were all addled; and now

of this dangerous and wicked policy. Whatever Mr. Johnson's designs may be, he is answerable to the peop!e; and he tution prescribes. Congress may not like his individual peculiarities or his political principles, but he is none the less as much wash in some parts of Ohio, just now, owing a part of the Government as Congress itly as large a part of popular opinion as It may be distasteful to Senator Wallace has presented a bill to re- of the North. He is supported in most of all its great power to give the control of peal the law making it an offence to refuse his positions by the great opposition, or the Presidential election to green negroes negroes a seat in railroad cars with white people.

The latest political expired to refuse democratic party, and that support is extending and growing rapidly under the fostering care of Congress. Thousands

The latest political expired to refuse democratic party, and that support is extending and growing rapidly under the fostering care of Congress. Thousands The latest political caricature represents who, have no liking for the President permanaged his opportunities with an utter want of tact and skill, and to the detri-ment of the public interests, are yet unprepared to see the established order of the Constitution assailed in his person, and all the limitations and balances of the govern-

[From the Springfield (Mass.) Republican, Jan. 15.

The only defensible reason for reconstructing the Southern State governments was the purpose to confer suffrage on the matter, the process would have been com-Advices from Fort Pail. our theme, and show how one wrong act makes another necessary, and so legislation inevitably goes from bad to worse. There is yet hope that the Senate will arrest these measures. The same party exigency which makes the two-thirds rule necessary for the Supreme Court may soon require that the court shall be forbidden to pronounce any act of Congress unconstitutional, even if solutely no stopping place in legislation of this kind. The descent to hell is easy, to be sure; but how are we to get back, if we ever wish to stand again on terra firheavy load for us, but there are weights that even he cannot lift, and gulf too broad even for him to cross. A step too far may

[From the Times, Jan. 15.]

The Republican party is pressing issues into the Presidential canvass which will ensure its defeat. It cannot safely wage war upon the Supreme Court, in the pres ent temper of the public mind, even with The Bedford Gazette's first choice for Vice an illegal course is to be pursued to attain the help of the negro vote which it aims to secure by its action.

[From the Commercial Advertiser, Jan. 15.]

* * Valueless will be the devoted services and signal triumphs of our army and navy, if our statesmen fail or falter in performing their share of the great work, And are they not failing? Are not the great questions of finance and currency overlaid? Is not the reunion of the States self; and what is more, he represents near and the return of the Southern people to their accustomed pursuits made subordinate to the question of negro suffrage?admit it, but it is true, that the political Has not all the legislation of Congress for sentiments of the President have a large nearly three years had direct reference to following - not among the rebels only as the Presidential election? And now, at as it, but among the loyal people this present moment is not Congress using

> lesson so recently, and with such terrible effect, taught the rebels, proves of no value to the Radicals. They blindly persist in a course which is sure to overwhelm them .-The measures kindred to these now being perfected in Congress cost the Republican party its ascendancy in six free States.— And yet, blind and reckless, Congress learns nothing of what is evident to all intelligent observers. This utter delusion can only be explained upon the principle that " madness precedes destruction,"

> > Heavy Sale.

Sheriff Van Leer advertises to sell, Feb ruary 14th, all the remaining personal property and all the real estate of the Union Coal Company. It will be undoubtedly the heaviest sale ever made in the county. It includes all the assets of the Baltimore Coal Company, bought by the Union Company, last summer, for \$1, 750, 000, with everal thousand acres of coal lands, the Railroad from Wilkes-Barre to this city,&. maica, and are a majority; but Jamaica is We cannot attempt any accurate estimate of the total value of the property offered, but it is certainly several million dollars,-Among the items specified by the Sheriff are the Mill Creek Colliery, the Wilcox straining authority. If the Republican Mine, the Chauncey Colliery, the Laurel Run Colliery, the Mill Creek Slack Water Navigation, and Branch Canal, three Coal Breakers on the Baltimore Coal Company property, a steam saw mill, 19 miles of railroad, with station houses, &c., three locomotives, 400 coal and other cars a great number of brick and wood dwelling houses and stares, a large number of stationary steam engines, &c., &c,. The notice of sale makes about five columns in the Luzerne Union

The property is seized and taken in execution at the suits of Edward A. Quintard, et. al., assigned to Thomas Dickson and Andrew T. McClintock, vs. The Union Coal Company, and at the suit of Alden G. Crosby vs. The Union Coal Company.

Usurpation.

to be to put it through at all hazards. The GRAVE MEAD-SHAKING WILL NOT DO-HE THINKS THE GENERAL A GIGANTIC SELL.

The office-holders are now afthe minority in the South, and that minor- ter him like pilot fish after a shark. Grant ity black, will find it necessary to be more at the head of the army was safe, but and more repressive, and will need a Grant for President is the most gigantic sell ever put off on an intelligent people, (Laughter, O! and dissent.) meet him, I have the inclination to say, moderately just government, and restored General, I have only five minutes time, (Laughter.) system? If so about how soon? No, the dress-circle may be fooled with his headshaking business, under the proverb that young people should be seen and not but the the pit remembers the other proverb. 'that" gravity is a mysterious carriage of the body to cover up the defects of the mind.' (Laughter and apcompel them to take the "republican form" of negro suffrage and white disfranchisement.

The restoration of Secretary Stanton is doubtless consistent with the Tenure-of-Office act. A special provision was inserted in it, indeed, to meet his case. But the discussion has made it clear that the law cannot be defended upon general principles. To compel a President to retain in his cabinet a man with whom friendly or respectful relations are impossible, everybody feels it to be an outroge. Having had its way and protected Mr. Stanton, the Senate would do well to repeal at once the provision made for his case, in behalf of which as a permanent rule not a word to the provision made for his case, in behalf of which as a permanent rule not a word can be said.

The proposition to get rid of General Hancock by the indirect and cowardly dodge of reducing the number of majogenerals, is of a piece with the scheme for preventing a decision against the constitutionality of reconstruction by hampering the Supreme Court. They both illustrate of the mind. (Laughter and applause.) The man who was a generation lanning a sidewalk from his pigeon house defects of the mind. (Laughter and applause). The man who was a generation can defect of the United States. (Loud laughter.) Bennett only praises him to kill him, as he did McClellan, and when the became Secretary of War to help Johnson slide Stanton over his back into the beat constitutionality of respectful relations are impossible, everylody feels it to be an outroge. Having had its way and protected Mr. Stanton, the Senate would do well to repeal at once the provision made for his case, in behalf of which as a permanent rule not a word to the provision made for his case, in behalf of which as a permanent rule not a word to the provision made for his case, in behalf of which as a permanent rule not a word to the provision made for his case, in behalf of which as a permanent rule not a word to the provision made for his case, in behalf of which as a permanent rule not a word to the p

Geary and the Judges.

"Hans" Gearv, in his recent message, in which he dabbled in a little of everything, gans of took occasion to reflect somewhat severely on the Judges of Criminal Courts, of Philadelphia, for making changes in the sentence of several criminals without consulting his lordship in the matter. This seems to have raised ire of Hon. Joseph Allison one of the aforesaid Judges, who, by the way, is a deep dyed radical, who in his charge to the Grand Jury last week, took occasion to handle "Hans" without gloves, for poking his nose into business that did not concern him. He politely told him to mind his own business—in a genteel manner told him he ence of several criminals without consulting unanimous in that opinion. There is ab- his lordship in the matter. This seems to business—in a genteel manner told him he lied, and advised him if he wishes to measure legal swords to do so with them before

> That which we except to is the manner in which the Governor has sought to intermeddle with a co ordinate department of the government of the State, which has the highest authority for the exercise of its own powers and for the performance of its duties, which exists by the will of the people, as embodied in the Constitution of the State. The Governor of Pennsylvania can claim no superior authority for his acts, as the head of the Executive power of the Commonwealth, over that by which the Judges hold their office, and by which they perform their duties which belong to it.—
>
> We feel that we have additional cause of complaint, in the fact that the Governor has misstated the cause as he knew it to exist, in that he omitted all mention of that which Commonwealth, over that by which the in that he omitted all mention of that which was most material; that upon which the whole question hinges, and without which it is not pretended, nor has it ever been claimed that the power to reduce a sentence after term could be exercised. That which the Governor does state, although fully advised of its existence, is the fact that in every case in which sentence was reconsidered a rule to show cause was entered at the term. and that the question being left open and undetermined, was carried over, to be finally disposed of at a subsequent day. - Ex

Negro Government -- A Prediction. The New York World but utters a historical truth when, discussing the negro question, it says;

"There is no example in history of free institutions among any of the colored race. Mexico and the South American republics tried experiment of free institutions, originating with the Spanish race, and admitting Indians and negroes to the suffrage; but those rickety republics, have been a constant scene of anarchy and tumult, and should serve as a warning, not an example. We suppose no Republican will care to cite the history of the cut-throat inhabitants of San Domingo. The negroes vote in Janotoriously the worst government of all the British colonies, and the state of things there would be intolerable, if the home government did not constantly exert its repolicy is carried out, three years will not elapse before the horrors of San Domingo will be reenacted in every part of the South.

JOHN JACOB ASTOR, the second son of John Jacob Astor, the millionaire died in New York on Friday last in the sixtyfifth year of his age, The Tribune thus explains what many persons have esteemed a mystery in the life of the decased:

Iu early youth, Mr Astor gave much intellectual promise, but at about the age of seventeen, he accidentally fell. striking on his head, and thus his mental faculties were impaired. His father, after vain efforts to
