

Farm Garden & Kitchen.

Farmer, and Agricultural men generally are requested to contribute to this Department...

Poor Economy.—It is poor economy to let your stone hews lay in the field year after year...

It is poor economy to drive your cattle to your neighbors or the spring to water, week after week...

It is poor economy to get in debt for anything you do not need, or borrow with no prospect of being able to pay.

MAKING MANURE.—An immense amount of fertilizing material might be secured on a farm...

Recently we came across the following paragraph in an exchange from the pen of John Johnson, of New York...

"I am drawing swamp muck two and one-half miles; but a good deal in my yards before I put in my sheep and cattle...

AGRICULTURAL ITEMS.—Too many barns are deficient in windows. Money invested in needed tools pays a high per cent.

A good cow is a valuable machine; the more food she properly digests the greater the profit.

A few roots, daily, to all stock, are as welcome as apples to boys and girls. Iron shoes on sleds last a life time.

Build safe, easy stairs whenever needed in barns, and save breaking your bones by climbing dangerous ladders.

Lim is the very foundation of successful agriculture in certain sections of the country. But, instead of applying this material every season...

When fowls are confined in considerable numbers to a restricted enclosure, they should have a good supply of wood ashes to wallow in.

"Bridget" said a mistress to her Irish servant, "where's the gridiron?" "An' sure man, I'st just after giving it to my sister's own cousin, Bridget O'Flaherty; the thing is so full of holes it's no good at all."

Pay up what U O.

Miscellaneous.

INTRODUCED INTO AMERICA FROM GERMANY, in 1835.

HOOFLAND'S GERMAN BITTERS, and HOOFLAND'S GERMAN TONIC, PREPARED BY DR. C. M. JACKSON, PHILADELPHIA.

The greatest laxative remedies for Liver Complaint, DYSPEPSIA, Nervous Debility, JAUNDICE, Diseases of the Kidney, ERUPTIONS OF THE SKIN, and all Diseases arising from a Disordered Liver, Stomach, or Intestines.

Read the following symptoms, and if you find that your system is affected by any of them, you may rest assured that disease has commenced its attack on the most important organs of your body, and unless soon checked by the use of powerful remedies, a miserable life, soon terminating in death, will be the result.

Constipation, Flatulency, Inward Piles, Fullness of Blood to the Head, Aching of the Stomach, Indigestion, Headache, or Weight in the Stomach, Sour Eructations, or Belching at the Pit of the Stomach, Swelling of the Head, Dizziness, or Dimness of Vision, Breathing, Fluttering at the Heart, Chills, or Trembling of the Limbs, or in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dropsical Swelling of the Feet, or in the Face, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushing of the Face, or in the Neck, Constant Imaginations of Evil, and Great Depression of Spirits, All these indicate disease of the Liver, Stomach, or Intestines, and unless soon checked by the use of powerful remedies, a miserable life, soon terminating in death, will be the result.

Hoofland's German Bitters is entirely vegetable, and contains no liquor. It is a compound of "Purified Elixirs, Roots, Herbs, and Bark" from which these extracts are made by a scientific and judicious process. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitter that can be used in cases where alcoholic stimulants are not admissible.

Hoofland's German Tonic is a combination of all the ingredients of the Bitters, with a small quantity of "Purified Elixirs, Roots, Herbs, and Bark" from which these extracts are made by a scientific and judicious process. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitter that can be used in cases where alcoholic stimulants are not admissible.

Thousands of cases, when the patient supposed to be cured, were afflicted with this terrible disease, have been cured by the use of these remedies. Extreme weakness, debility, and emaciation, the usual attendants upon severe cases of dyspepsia, indigestion, and digestive organs. Even in cases of genuine Consumption, these remedies will be found to be of great benefit, strengthening and invigorating the system.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, these are the best Remedies. They can be administered with perfect safety to a child three months old; the delicate female, or a man of ninety.

Read the BOTTLE. Blood Purifiers ever known, and will cure all diseases resulting from impure blood. Keep your blood pure; keep your liver in order; keep your digestive organs in a sound, healthy condition; and you will be free from all diseases.
