Navigation, -- Water was let into the North Branch Canal on Saturday last, and it is now said to be in navigable order. This will be welcome news to many a weary, waiting boatman, as well as the business communities along the line of the "ditch."

The Laying of the Track on the Lehigh Valley Railroad, between this place and Pittston, is in statu quo just now, the company having exhausted their supply of iron. It is said, however that work will be resumed about the first of June, when a new supply of iron can be obtained sufficient for completing the track to this place. It is now laid from Pittston to near Gardner's Ferry, a distance of some five or six miles, and with the increased facilities which canal navigation now affords, for the distribution of ties and iron along the line, it is expected er to reach Tunkhannock in time for a Fourth of

HOOFLAND'S GERMAN BITTERS,

HOOFLAND'S GERMAN TONIC, PREPARED BY DR. C. M. JACKSON, PHILADELPHIA, PA.

The greatest known remedies for Liver Complaint, DYSPEPSIA. Nervous Debility,

JAUNDICE. Diseases of the Kidneys, ERUPTIONS of the SKIN, and all Diseases arising from a Dis-ordered Liver, Stomach, or IMPURITY OF THE BLOOD.

Read the following symptoms, and if you find that your system is a facted by any of them, you may rest assured that disease has commenced its attack on the most important organs of your body, and unless soon checked by the use of powerful renedicts, a miscrable lefe, soon terminating in death, will be the result.

Constipation, Flatulence, Inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudder Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits.

Goofland's German Bitters finoidand's Cerman Bitters is entirely vegetable, and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

hoofland's German Conic

is a combination of all the ingredients of the Billers, with fune Santa Crue Rum, Orange, etc. It is used for the same diseases as the Billers, in cases where some pure alcoholic stimulus is required. Fon will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific Preparations of medicinal extracts, while the others are mere deocctions of rum in some form. The ToNIC is decidedly one of the most pleasurd and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

CONSUMPTION.

Thousands of cases, when the patient supposed he was afflicted with this terrible disease, have been cured by the use of these remedies. Extreme emaclation, debility, and cough are the usual attendants upon severe cases of dyspepsia or disease of the digestive organs. Even in cases of genuine Consumption, these remedies will be found of the greatest benefit, strengthening and invigorating.

DEBILITY

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debitity. They impart a tone and vigor to the whole system, strengthen the appetite, cause an evigoment of the food, enable the stomach to digest it, purify the blood, give a pood, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous preson.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These Remedies are the best Blood Purifiers

ever known, and will cure all diseases resulting from bad blood. bad blood. Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condi-tion, by the use of these remedies, and no disease will seer assail you.

THE COMPLEXION. Ladies who wish a fair skin and good complexion, free from a yellowish tinge and all other disfigurement, should use these remedies occasionally. The Liver in perfect order, and the blood pure, will result in sparkling eyes and blooming checks.

CAUTION. Hoghand's German Remedies are counterfeited.
The genuine have the signature of C. M. Jackson on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others are counterfeit.

Thousands of letters have been received, testifying to the virtue of these remedies.

READ THE RECOMMENDATIONS, FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.
PHILADELPHIA, MARCH 16th, 1867. PRILADELPHIA, MARCH FORM, 1991.

I And "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours truly,
GEO. W. WOODWARD.

FROM HON. JAMES THOMPSON, Judge of the Supreme Court of Pennsylvania.
PRILADELPHIA, APRIL 28th, 1866.

I consider "Hoofland's German Bit-ters" a valuable medicine in case of at-tacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect, JAMES THOMPSON.

From REV. JOSEPH H. KENNARD, D.D., Pastor of the Tenth Baptist Church, Philadelphia.
DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice

quested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my one family, of the usefulness of Dr. Hoofland's German Bilters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes.

Yours, very respectfully,

J. H. WNARD,
