suit of summer clothes for the coming 4th of July. Feels Bad.--The Luzerne Union of last week after a labored editorial favoring the nomination by the Democracy for President of an original disam-ionist and negrophilist, copies Mr. Westcott's card from these columns, and indulges in the following from these columns, and indulges in the following

"Mr. Westcott canvassed Wilkes-Barre and vari-ous sections of this county and obtained a large number of names of parties who expected to receive luzzine county paper. They will hardly be satis-fed with a paper published in another county which publishes scarcely one item a week of Luzerne coun-ty news. Our citizens will learn after while that it is their rolive to take a reliable home paper rather is their rolive to take a reliable home paper rather. is their policy to take a reliable home paper rather than give their money to every adventurer who omes along; and many cases receive no consideration therfor at all '

To soothe the vexed gizzard of our boo-hoo-ing cotemporary we will inform it that the number of papers sent from this office into Luzerne is not large quite too small, considering the political pa-

alum furnished by the Union for the Democrats of that region. "A reliable home paper"- one that truly represents the principles of the Democracy of GARDNER-CRUVER-In Tunkhannock, June that county is just what our Wilkes-Barre friends now, most need- We shall try to furnish them at least a "reliable" substitute. From what we know of the Democrats in that place, we feel assured that they will not join in the Union's Chase after strange political Gods. We think they understand their interests and "policy" quite as well as the Union which endeavors to sugar-coat and eram down their throats negro equality in its most causeous form. Now Mr. Union don't whine if the Dem-

ocrats do take democratic papers. We should not complain if you sent your paper to every negroequalityite in Wyoming County. With the generous support given the Democrat by its friends here, we should feel able to counteract its pernicious and In demoralizing tendencies.
