The Roots, Herbs, and Barks from which these extracts are made are gathered in Germany. All the medicinal virtues are extracted from them by a scientific chemist. These extracts are then forwarded to this country to be used expressly for the manufacture of these Bilters. There is no alcoholic substance of any kind used in compounding the Bilters, hence it is the only Bilters that can be used in cases where alcoholic stim-ulants are not advisable.

You will bear in much that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of malicinal extructs, while the others are more decoclions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is expussive. Extreme emaciation, debility, and cough are the usual attendants upon severe cases of dyspepsia or disease of the digestive organs. Even in cases of genuine Consumption, these remedies will be found of the greatest benefit, strengthening and invigorating.

Republican Nominations .-- The Republican convention which met at this place on Monday las: made the following nominations : For Congress Ulyses Mercur, of Bradford Co. For Senator, I M. Osterhout of Wyoming. For Representative, Is bereby given, that application has been made to the Court of Common Pieus of Wyoming County for the incorporation of the First Methodist Episco-pal Church of Skinner's Eddy, and that unless ob-jection be made and sustained, the said Court will decree the incorporation thereof at the August term, 1868, of said Court. E. J. KEENEY, Proth'y. Tunk July 20th 'c8 ~v7n9w4. Ziba Lott, of Tunkhannock. Co. Commissioner Benjamin Overfield of Meshoppen, Treasurer. Fletcher Dickson, of Tunkhannock Tp ; Auditor, Wm. Robinson, Forkston; District Attorney, J B. Rhodes of Tunkhannock Borough ; Co. Surveyor, C. W. Hine, of Tunkhannock Boro.

The proceedings of this convention were not enlivened by many of the ludicrous and entertaining scepes which have characterized the two or three

previous ones held by their party in this county .-Dr. G. W. Blaydes, of Jericho, Kentucky, under date of Aug. 26. says: "I have used up the box of Fresh Meat Cure, I purchased of you some five weeks ago, and I confess it has surpassed anything I have ever tried in consumption." Consumptives, try "Upham's Fresh Meat Cure." If you have not passed too far into the valley and shadow of death," it will cure you. Sold by Lymau & Wells, Tunk-hearest end all deugright. A sort of glum, sullen feeling seemed to pervade the whole body. Henry Roberts. of Falls, the Nestor of the party in this county was chosen chairman J. C. Wright, and S. H. Briggs were chosen Secretaries. These officers performed their routine duties in a manner creditable to themselves and the party. Most of the interest centered upon the nomination for State Seuator and Representative. Os

terhout and Landon were the only two in the field for the first named place. The sorrel-topped nag who had been carpet-bagging it through our county for the past two weeks only received ten of the thirty-six votes. Osterhout distanced him on the first heat. For Representative, there were five persons put in nomination, viz : G. H. Fassett, Z. Lott, J. Kennedy, N. Wells and Dr. Brunlage. The two last named received but one or two votes each for two or three ballots when their names were with- R P. HALL & CO. Nashau, N. H. Proprietorsdrawn. Lott and Fasset received from 13 to 15 votes each and Kennedy 7 until after the 5th ballot, when he withdrey his name. Most of his dele-

gates voted for Lott on the 6th ballot, when he (Lott) received 20 and Fassett 15 votes. Overfield, Hurlbutt, Perego, and Wallace were named for commissioner. Overfield was nominated on first ballot The nomination for Treasurer, Auditor, District Attorney and Surveyor were made without op-

position The Rev. Jakey was present in all his corporative, and saw his \$300 extra prayer (ee, his \$1000 Legis-lator fee; and all the little tit-bits of stealings, which clerical Legislators so well know how to con fiscate to pious uses, fade away in the fuming breaths of the whickey-ics, who, he said, controlled the con-vention. We did not learn whether he. as on the like occasion last year, cooled his rage in the "ra-ging canaw!" or not; but presume he took to cold wat: r.
