Radical spirit—Grant and whiskey; Grant outside of the whiskey of course.

An exchange says that ladies who do not want their dresses trampled upon should carry a placard "no followers allowed."

There must have been a "dusty time" in the Georgia Legislature. One of the colored men declared to be ineligible to office.

The Radicals are making a great fuss about Vermont. Their eternal clucking reminds us of a hen with only one chicken.

"Deeply, darkly, beautifully blue"—Grant's chances for the Presidency.

Two thieves in Pittsburg met a gentleman walking the streets late at night with a box under his arm, undertook to show him to a hotel.

Josh Billing says it is his "honest opinion" whiskey is second only to original sin; it is a millstone, hung upon the neck of poor degraded human nature.

GREAT TRIUMPH.—"The wickedest man in New York," we are informed, has been found and converted.

The Democratic majority in Montana, is 2,400.

LOOKING UP.—Mongrel Bummer—"I tell you, copperhead, yer bound to be 'icked, for we are looking up, we are."

Copperhead—"Yes, old rummy, I can see you are looking up." When a party is flat on its back, it has not the slightest difficulty in looking up.

A prominent Republican went to a great Grant rally at Newton, New Jersey, and returned early to his home, telling his wife she wouldn't catch him going out soon again.

"Why don't the Southerners behave?"—Tribune. "Ma, make Bill be quiet—every time I hit him on the head he hollers."

On one of his "drunks" during his late trip to the Rocky Mountains, Hiram Ulysses the Presidential candidate of the God-and-morality party, got so sick on bad whiskey that he puked in a soup-tureen at the dinner table.

"Sing a song of Hiram, Very full of rye; Four and twenty cocktails Sparkle in his eye; And when the fount was opened Oh! such a stream did flow; He had become a very tributary of the river Po!"

Now, was 'not'he a naughty man, Disgraced, bad and mean, And never can be President, To thus use a soup-tureen."

Gov. Geary's stump efforts in the western counties have earned for him the sobriquet of "Baby Elephant."

The eldest son of the late Mr. Lincoln has been good enough to write, and have printed a letter relieving Mr. Seymour of the imputation that he intends to vote for him.

A radical bid for votes is five hundred million dollars a year in taxation.

A negro Tanner's Club has caused dissension among truly loyal Chicagoans.

At the rate of \$12,000,000 increase of the debt in one month (August), how long will it take to pay the national debt?

Illinois on fire. At Leasand and at Ottawa, at Springfield and Joliet, at Cairo and at Peoria, immense Democratic meetings were held on Saturday.

The bogus Governor of North Carolina has appointed him a military staff of four colonels; and four major-generals to take charge of the negro militia.

Work-house Howard, Commissioner of the National Soup Kitchen, has 58 clerks, in his headquarters office. Salary \$70,420. Let the negro work for a living like all the rest of us.

The Republicans claim Connecticut, New York, New Jersey, and such like Democratic States. We have known people to claim umbrellas that didn't belong to them when clouds looked threatening, before now!

Hon. John Conger, of Fort Wayne, Indiana, and Gen. Whittaker, of Kentucky, have been quoted as for Grant. Each denies it emphatically, and desires the report to be put down to the account of "the branded liar and villain."

Mr. J. K. Cooper, Postmaster at Thompstonville, Sullivan county, was written to by General Alfred Pleasanton, for a contribution to the Tanner towards, and answered that he would see him further first, also requested him to send one hundred copies of Mr. Pendleton's Bangor speech.

Whittemore, a broken down Massachusetts parson, now re-constructed member of Congress from South Carolina, lately begged money enough from the negroes to buy up a Grant flag and then, pocketing the cash, borrowed one from the garrison quartermaster. The garrison moving away, the flag had to be given up, and now the parson is bleeding the blacks for another.

The presiding officer at a meeting of "all the intelligence" party in Maine, recently introduced the speaker of the evening as the champion of the gallant Ulysses Grant. Will the Radicals never learn to know the correct name of their candidate?

A GREAT DEMOCRATIC VICTORY—DEMOCRATIC GAIN OF TEN THOUSAND—REJOINING OF THE DEMOCRACY—THE REPUBLICAN MAJORITY LESS THAN EIGHTEEN THOUSAND.

BANGOR, Me., September 15-2 A. M.—THE DEMOCRACY OF MAINE HAVE TO-DAY ACHIEVED A GREAT VICTORY, notwithstanding the most desperate efforts of the Republicans, and an immense expenditure of money.

THE REPUBLICAN MAJORITY HAS BEEN REDUCED TO EIGHTEEN THOUSAND, BEING A DEMOCRATIC GAIN OF NEARLY TEN THOUSAND OVER THE TEST VOTE OF 1866.

The Democrats are rejoicing and holding a great meeting. The Republicans who anticipated 25,000 majority, feel blue.

A MASS MEETING! Of the conservative citizens of Wyoming County will be held at the Grove near TUNKHANNOCK Borough, on Tuesday, the 22d of Sept. inst., at 1 o'clock, P. M.

To avoid unnecessary delay, it has been deemed expedient by the Committee of Arrangements to construct a table upon the ground for the accommodation of those who may find it convenient to bring with them their own refreshments. In this way all will have an opportunity to hear all the speakers, without incurring the risk of losing their dinners.

Hon. GEO. W. WOODWARD and V. E. PIOLLETT

Hon. HENRY CLYMER, and other eminent statesmen will also be present, if other engagements shall permit.

To the Democrats of the several townships we desire to say, let us prepare to make one more effort to remedy the evils, remove the burthens, and avert the perils that have been brought upon the country by Republican misrule. Not as partisans, merely—not for the sake of party, but for that of the country, let us indigne the hope that such effort will not prove fruitless. "Awake! arise! or be forever fallen!"

Wisconsin.—There are good grounds to believe that the electoral vote of Wisconsin will be given to Seymour and Blair.

In 1865 the Radical majority was 23,904 In 1867 it was only 4,764

Democratic gain in the year 19,140 A similar gain during the past year would give the State to the Democrats by upwards of 14,000 majority.

The Radicals have done what King George the Third did not dare to do, they forced an annoying and expensive Stamp Act upon the American people.

The Radical "Mass Meeting" held at this place, on Wednesday, was rather a slim affair. Gov. Harriman, repeated his oft told tale of the "wickedness of the rebellion" in rather good English for a deacon of the campaign. He revamped the stale and false charges of Democratic sympathy with disunion in 1860—but did not advert to Greeley's, Chase's, Bank's, Sumner and Phillips', disunion sentiments in that year.

E. D. Culver, the lawyer, Judge, and foreign minister—as he told us—is, if a lawyer at all, about the 7th rate. He is evidently a bondholder, for when he came to speak of their patriotic services in behalf of the government he boomed right out. O! how it did hurt the old fellow's feelings to think of paying the patriotic chaps in the same currency which the wounded soldier, the widow, the orphan and the laborer is obliged to take.

This mass meeting was composed of at least one-third Democrats and all were well accommodated in the Court House room.

A new power press, which we have put up in our office, since our last issue, occasioned a delay of a few hours in getting out our paper this week. We expect, in the future, to get our paper out in time and at a great deal less expense of muscle.

We invite our friends, who come to town, to drop in and take a look at our new machine. We're as proud of it, as a young mother is of her first baby. We suppose however, that like them, it will come to be an old story—nothing but a squall after all.

Look at the result of the State elections in the North, held since the nomination of General Grant:

AGAINST GRANT. IDAHO. OREGON. MONTANA. CONNECTICUT. VERMONT. MAINE.

Attend to the Assessment.

No person can be permitted to vote in this State on the Second Tuesday in October next, who shall not have paid a State or County tax within the two years immediately preceding that day, which tax must have been assessed at least ten days previous to the 13th of October. It is highly important, therefore, that all our friends should immediately give their attention to this matter, so that no democrat shall lose his vote at the approaching election, on account of non-assessment or non-payment of tax. Bear in mind that the assessment must be TEN DAYS BEFORE THE ELECTION. Go at once and see that your name is on the assessor's book.—Let no vote be lost to our ticket through failure to attend to this matter.

By the act of the Legislature, passed last session, the assessor of each township is authorized and directed to receive and give receipts for the extra assessment tax.

The deep pity of General Grant will be no longer called in question by the most bitter of his opponents. He may show too strong a penchant for horse flesh, and perhaps indulge sometimes in a little old Bonbrun, when Stanton or Sheridan calls, but he is undoubtedly pious.—We have it on the authority of the Titusville (Radical) Herald that General Grant declared that "as regular as Sunday morning came, he made it his religious duty to read one of the Rev. Mr. Nasby's sermons."

Petroleum will be White House Chaplain in case of Grant's election.

Think of it! 600,000 ignorant, debased and brutal blacks holding the balance of political power in this country! The votes overbalance those of the 600,000 voters of Pennsylvania. The latter have twenty-four representatives in Congress, two United States Senators; the former, the 600,000 blacks, are represented by fifty-six members and TWENTY-TWO Senators in the Congress of the United States. Such is the work of the party of which Gen. Grant has consented to become the tool.

Wisconsin.—There are good grounds to believe that the electoral vote of Wisconsin will be given to Seymour and Blair.

In 1865 the Radical majority was 23,904 In 1867 it was only 4,764

Democratic gain in the year 19,140 A similar gain during the past year would give the State to the Democrats by upwards of 14,000 majority.

Congressional Conference.

At a meeting of the Conferees of the Counties of Bradford, Columbia, Montour, Sullivan and Wyoming comprising the 13th Congressional District of Pennsylvania, held at the Court House, Danville, Montour County September 10th 1868.

Bradford—A. E. Menardi, Edward Herrick, Jr.

Columbia—M. E. Jackson, Richard Fruit.

Montour—W. D. Weithamer, J. C. Ammerman.

Sullivan—M. Meylert, J. H. Lawrence.

Wyoming—C. D. Gearhart, J. Lee.

M. E. Jackson was called to the chair, and M. Meylert and Edward Herrick, Jr. were chosen Secretaries.

The Chairman announced that the business was to nominate a candidate for Congress.

Mr. Menardi named Col. V. E. Piollet, of Bradford.

Mr. Ammerman named B. K. Rhodes, of Montour.

Mr. Lawrence named Hon. G. D. Jackson, of Sullivan.

On motion nominations be closed.

Mr. Meylert presented a letter from G. D. Jackson desiring his name to be withdrawn positively declining to become a candidate at this time, and, in obedience to his wishes thus expressed, his name was withdrawn.

The ballot being taken Col. Piollet received six votes and B. K. Rhodes four.

Col. Piollet having received a majority of all the votes was declared the nominee of the Conference.

On motion of C. D. Gearhart, seconded by Mr. Meylert, the nomination of Col. Piollet was made unanimous.

On motion of Mr. Ammerman, a Committee was appointed by the Chairman to wait upon Col. Piollet and inform him of his nomination, and introduce him to the Conference.

The Committee consisting of the Montour conferees having performed their duty introduced Col. Piollet, who being welcomed by the Chairman and the result of the conference communicated to him in Mr. Jackson's usual happy manner. Col. Piollet in a few judicious remarks accepted the nomination and said he should endeavor to fulfill the expectations of the people nominating him and who he believed would elect him.

Mr. Rhodes having been called upon, made a few remarks thanking the members of the conference for the votes given him, and fully endorsing the action of the conference in making the nomination of Col. Piollet unanimous.

It was resolved that the next Conference for this District meet at Tunkhannock Wyoming County on Thursday next after the first Monday of September 1870.

Resolved that the proceedings of this meeting be published in the Democratic papers of this District.

The Conference then adjourned.

E. M. JACKSON Chairman.

MICHAEL MEYLER, J. H. LAWRENCE, EDWARD HERRICK JR. Secretaries.

CURE FOR SMALL-POX.—We clip from an exchange the following prescription, which is said to be an infallible cure for small-pox.

Won't some Black Republican get the disease in order to test its efficacy? We take the prescription from a paper of that stripe; and if a good one, it ought to cure our "colored brethren," who fought so nobly. If a humbug, it is like everything else found in their papers. We give it for what it is worth:

"One grain of sulphate of zinc, one grain of fox-glove (digitalis); mix with a little water and sugar; then add three ounces of water; give the patient a tablespoonful of this every hour. At the second hour the patient begins to feel its effect by a great sense of comfort. At the third hour a genial and natural warmth pervades the system, and by the eighth hour the disease is thoroughly arrested, no matter what stage it may have reached.—It can be given at any period of the disease. A smaller dose for children, according to their age. One dose is far better than two vaccinations.

It has been used and is being used with certainty in every case, arresting the disease at once. It is used in the same manner for scarlet fever, with the same positive success."

HON. GEORGE W. WOODWARD.—The Philadelphia Age pays the following just compliment to Hon. George W. Woodward candidate for Representative in Congress, in the Luzerne district:

"Hon. George W. Woodward has been nominated for Congress by the Democracy of the Twelfth District of this State. This is a well merited tribute to one of the ablest defenders of the Constitution, and the rights of white men under that instrument, in the Fortieth Congress. The speeches of Mr. Woodward are models of logic, while at the same time they fire the popular heart and make men know they have interests in this country, and defend them by all lawful and honest means. The Forty-first Congress will have no more fearless defender of republican institutions from the assault of Radical traitors than the statesman and patriot just nominated by the Democrats in the Luzerne District.

ANOTHER DEMOCRATIC VICTORY.—The Georgia House of Representatives has resolved by a vote of 80 to 23 that negroes were ineligible, and expelled twenty four or twenty five of them from seats in that body, to make room for white men.

Peace.

If white men are anxious to know what kind of peace the nation will enjoy under Grant and the Radical party, let them read the following account given by the Macon (Georgia) Journal and Messenger of an affair which occurred a few weeks ago in Dooly county, Georgia:

"On Saturday last, a body of negroes numbering from 150 to 200, armed with guns and pistols, assembled in obedience to a summons sent them by their leaders, at the cabin of an old negro, some two miles and a half from Vienna, the county site, for drill, 'to form a Grant club, and for the security of all their rights,' as they expressed it. Threats were freely made to capture the village, tear down the jail and liberate certain negroes contained therein. The aspect of affairs was so threatening that the citizens of the county were summoned to meet at the court-house. About two hundred responded, and upon consultation a committee were appointed to go and see what the negroes were at, and what they intended to do. This committee when nearing the rendezvous, were halted by an armed negro to whom they made known their wishes to see the Captain, as he was designated—a mplaatto originally from this county, and called Hugh Dean.

After several refusals, he at last came out to the committee, and in answer to their demands as to the object of this meeting of armed men, replied that it was to form a Grant club to secure their rights—'that hereafter whenever a negro was arrested the club intended to sit in judgment on his case, and if they did not deem the testimony sufficient for his detention, they intended to release him from jail.—He also said that the club were determined at the end of the year, if the planters did not give them all they wanted, either in money or in crop wages, to seize their houses and property and help themselves. In answer to a question as to the authority under which he acted, he said distinctly, that 'they had received their commands to assemble in this manner from Governor Bullock, and were acting under his authority, and he was their leader and protector."

Will vote for Seymour.

The following prominent gentlemen who have formerly voted with the Republican party have recently declared their intentions to vote for Seymour and Blair:

Hon. R. M. Briggs, of Fayette county, Ohio,—Republican candidate for Congress in the 6th District in 1862, now Common Pleas Judge, is on the stump for Seymour and Blair.

Hon. A. L. Bachus, a distinguished lawyer of Cleveland, has pronounced for Seymour and Blair.

Gen. A. Saunders Piatt, of Logan county, Ohio, in a recent speech pronounced for Seymour and Blair.

Col. J. M. Connell, of Lancaster, Ohio who commanded an Ohio Regiment, during the war, and recently represented his district in the State Senate, is now on the stump for Seymour and Blair.

Gen. Jos. H. Geiger, of Columbus, one of the most eloquent speakers the Republican party ever had, is on the stump for Seymour and Blair.

Ex-Gov. Sherwood, of Wisconsin, has come out unequivocally for Seymour and Blair.

Ex-Gov. Johnson, of Pennsylvania, made a speech at Pittsburg, a few days since, in which he said he could no longer vote with the Radicals but would support Seymour and Blair.

A. S. Blake Esq., of Goshen, Ind., until recently a leading Republican of Northern Indiana, is on the stump for Seymour and Blair.

Hon. W. B. Jones, nominated by the Radicals in Alabama for Grant Elector in the 4th district, has declined defeat on the Radical ticket, and taken the stump for Seymour and Blair.

Gen. Richardson, of Monroe county, Ohio, S. Lind, of Toledo, and thousand of others less prominent Push on the ball!

Gov. CURTIN ON GOV. SEYMOUR.—Gov. Curtin, of this State, was asked the other day, in the Union League club house of Philadelphia, what was his opinion of Gov. Seymour. He replied—

"Well, sir, if I were asked to mention a man who, in my estimation, had the attributes of a perfect gentleman, a cultivated scholar, a thorough statesman, and a sincere Christian, I would, without hesitation, name Horatio Seymour of New York."

"How about Seymour's loyalty." "After the dispatches that I sent Seymour at the time of the rebel rally at Pennsylvania," replied the Governor, "it would hardly be me to impugn his loyalty; the fact is I have never doubted it. I understand that Belmont is having all the dispatches sent by Stanton and myself printed, and I have no doubt they will be in the hands of every Seymour stump speaker through the campaign. We had better give up attacking Seymour's loyalty, for the opposition hold the trump card in that matter.

JUDGE WOODWARD.—The Philadelphia Herald thus speaks of the nominee for Congress in the Twelfth District.

"The country has need of such men as Judge Woodward at this time. A profound statesman and jurist, an able and eloquent orator, a stalwart and unflinching defender of the Constitution, we rejoice to know that the country will have the benefit of his services in the Forty-first Congress."

The Luzerne County people have gone to work with a will to elect Judge Woodward; and will do it by a majority that will dumb found his enemies.

"I will have no policy of my own," says Gen. Grant. The mongrel policy as shown by the report of the Secretary of the Treasury, is a further increase of twelve millions more to the public debt.

Club Meeting in Monroe.

The democrats of Monroe held a meeting at the Montross School House, on the evening of the 11th inst., which, notwithstanding the darkness of the night and the muddy condition of the roads, was largely attended.

The meeting was addressed by Messrs. J. A. Sittser and O. L. Parrish, of Tunkhannock, besides some pointed and well timed remarks by Messrs. M. W. Newberry, C. D. Remer and other members of the club.

The following resolutions were offered by C. D. Remer Esq., and unanimously adopted:

Resolved, that we tender to Messrs. Sittser and O. L. Parrish, our sincere thanks for their able and interesting remarks, and for the interest manifested by them for the success of the Democratic party.

Resolved, that we, as democrats, will vote the ticket, the whole ticket and nothing but the ticket, and will use all and every honest means in our power for the success of the same.

Resolved, that we heartily approve of the wisdom shown by the late Democratic convention of Wyoming Co., in placing in nomination men of honesty and intelligence, whom the Democratic party may support with full confidence that they will never be impeached.

After which the meeting adjourned, to meet in two weeks, at the red School House.
