But the idea is best exsevere frosty weather at the beginning of this ne soil for the land upon which their buildings and. Under such circumstances no better class of month

The Hufford House too, has undergone such a change : buildings could well be expected. Many of these thorough overhauling and painting, inside and out, houses are second hand ones which have been moved as makes it look like another place. So that now, on to this acre merely for temporary occupancy; re can claim two as well kept Hotels, as can be and in case of a fire, or a sale of the soil, will be found in Northern Penna.

urned up or moved again, at the word "go !" True, We have endeavored to explain the reason why there has been but little change in this old corner the Northwest Corner, in the centre of our town, ouse, now called "Fort Sumpter." It stands there a the corner of the acre, like an old hen, surround presents such an unfavorable appearance, to the stranger, and to the non-resident on revisiting it; and why in looking at it, you were induced to make ed with its brood of black, white, yellow and brown hickens-These chicks are mostly "of age," and your fifteen years non-improvement remark, at the putset. By a hasty run about town we have proved, might without any violation of maternal rights, leave the old hen. by ocular demonstration, that Tunkhannock he

The same huge staring letters, "A. W. RENSHAW, TORE," painted on the north side of the old fort, reimproved, and rapidly too, within the past few months. main there apparently as bright as they were fifteen

True, many of the houses that we have called your years ago-an enduring monument to the honesty and skill of the painter, Miles Robinson ; and to the attention to, are small and unpretending ones-and a few of them are yet unfinished. But all, furnish enterprise of the man who had them painted there But we promised to look at *new* buildings and imomes to their builders. With but two or three ex. eptions the occupants and builders are the owners provements? Here we go, up Tioga street ! this fact is one of the very best evidences of a substantanding, as if at the end of the street, and in its

ial progress and improvement of the town. In our hurried glance about town, it is quite probine .- but really at an angle of it, and fust opposite the old Slocum House, (so called,) commanding a view of its entire length up and down, is the fine, ble that we have overlooked some improvements in the way of buildings, which should have attracted substantial looking, new house of Wm. B. Overfield. our attention.

But we are looking too far, there are evidences of Several other buildings are now underway, and improvement nearer us. We have come in our walk will be ready for occupancy by the coming April .-opposite the "Stansbury House" (Judge Stansbury Among which we call to mind, one by Thos. D. ullt it, we believe)-of late it has been occupied b Stonier, one by S. D. Bacon and one by R. W. Banvarious persons as a dwelling. About a year ago it was purchased by the Burn's Bros.; and now, how natyne.

The completion of the new three story brick bank Carey Brothers vs Austin Fergerson. And will be seld for Cash only, by changed! A new two story front has been built, plump out to the street, and several additions on the building, was prevented by the early setting in of winter.

If you would know who are doing business here, rear. In the front lower story through the fine glass windows we see evidences of an elegant jeweland what they are [doing, consult the advertising columns of the Democrat. ry store. Over the centre of the door is a large

clock dial, the hands of which keep moving around and admonishing the passer-by that-time flies.-If you would keep pace with passing events in the own and county, and know what's going on gener-In the second story are a suite of finely fitted up ally, why, subscribe for the Democrat. lental rooms, where are disylayed in all their terr -
