

Farm Garden & Kitchen.

Farmers and Agricultural men generally are requested to contribute to this Department...

CAN'T GET ALONG IN FARMING.

If, with the present price of farm and garden produce, one engaged in the pursuit of cultivating the land "can't get along" his farm must be a very poor one...

It is of no use to do things by halves in farming any more than any other business. Three dollars will not go for five anywhere...

Here is where farmers are apt to fail. They cannot be made to realize that one well tilled and tended farm can be made to produce five times the crop that a badly cultivated one will produce.

So with the orchard spend what you please in getting the best trees, and in setting them out, and if they get "swamped up" with useless growth, and suckers, and checked and injured by insects, and the owner will find he "can't get along" raising fruit.

On a farm where there is no plan, no headwork, no careful attention to details, as well as generally, where putting off until tomorrow is the order of the day, instead of promptly and energetically striving to have the setting soon of each day see its labors well performed...

If our words are read by any one that cannot "get along" in this pleasantest of all pursuits, this is the season for him to look about him and see what is the reason of his ill success...

Some farmers miss keeping too much stock, and more by not keeping the best and those adopted to their farm; it is no more trouble to keep Jersey cows than the natives' and when a calf is born of the popular and profitable breed...

Drugs & Medicines.

Ayer's Hair Vigor, Restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such a remedy can be saved for usefulness by its application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet hangs long on the hair, giving it a rich glossy lustre and a grateful perfume.

Prepared by Dr. J. C. Ayer & Co., PRACTICAL AND ANALYTICAL CHEMISTS, LOWELL, MASS. PRICE \$1.00. Sold by C. Detrick, Tunkhannock, Pa., Sterling & Son, Scranton, Pa., C. C. Burgess, Nicholson, Frear, Dean & Co., Factoryville, and all Druggists and Dealers everywhere.
