During the Superintendence of Dr. Wilson at the Bloomingdale Asylum, this sad result occurred to two patients; reason had for a time left them, and both died of Epilepsy. They were of both sexes, and about 20 years of ago.

Who can say that these excesses are not frequently followed by those direful diseases. Insanity and Consumption I The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sodden and quite destifute—neither Mirth or Grief ever visits it.
