For this purpose, the Legislature of the State of New York has granted a charter to a number of our most wealthy and respectable merchants, and these gentlemen have purchased no less fhan eight blocks of the most valuable land in the tity of New York. The building to be erected will be seven stories high (1:0-feet in height), surmounted by a magnificent dome, and will cover a space of 22 acres. It will be constructed of Irok, Brick and Glass, and made fire proof. The bonds, which are sold for \$20 each, are secured by a first mortgage on the land and building, and for the purpose of making them popular, the directors have decided to have quarterly drawings of \$150.000 each; this money being the interest on the amount of the whole loan.
