Medical.

DR. JOHNSON

BALTIMORE

LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for

DISEASES OF IMPRUDENCE.

RELIEF IN SIX TO TWELVE HOURS.

NO MERCURY OR NOXIOUS DRUGS.

A Cure Warranted, or No Charge, in from One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Tremblings, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or waked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily cured.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and full vigor restored.

This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

OFFICE, No. 7 SOUTH FREDERICK STREET,

Left hand side going from Baltimore street, a few doors from the corner. Fail not to observe name and number.

Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of mind were cured immediately.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c.

MENTALLY.—The fearful effects on the mind are much to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c., are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a certain secret habit. Such persons MUST, before contemplating

MARRIAGE,

Reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

DISEASE OF IMPRUDENCE.

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an illtimed sense of shame or the dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, filch his pecuniary substance, keep him trifling month after month, or as long as the smallest fee can be obtained, and in despair leave him with ruined health to sigh over his galling disappointment, or, by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc. progressing with frightful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country, from whence no traveller returns.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the *Sun*, *Clipper*, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

The Telegraph.

FROM WESTERN VIRGINIA.

THE VERY LATEST.

Telegraphic dispatches were received in this city at a late hour last night, confirming the report of a formidable rebel force having invaded Western Virginia.

The particulars of their operations have not transpired. Assurances, however, have been given by those in position to know, that there is no danger of an invasion of the soil of Pennsylvnia.

Fire near Williamsport.

[*Special to the Telegraph*]

WILLIAMSPORT, May 1.

A large bank barn, with its contents, consisting of an immense stock of grain and hay, belonging to Samuel German, was entirely destroyed by fire to-day. The horses and cows in the barn at the time were removed and saved after great difficulty. It is not known how the fire originated.

LATER FROM VICKSBURG

ONLY ONE TRANSPORT SUNK.

NEW YORK, May 1.

The *Tribune* prints extracts from a letter dated near Vicksburg, which says that only one of the transports was sunk in the passage of the rebel batteries on the 23d, contrary to the other reports of four being sunk and [illegible] is a canard.

FROM NEW ORLEANS.

Gen. Banks' Late Brilliant Successes.

WASHINGTON, May 1.

The *National Republican* this afternoon has semi-official dispatches from Gen. Banks, dated near St. Martinsville, of the 17th of April. He did the following brilliant things:

Marched over 300 miles, beating the enemy in three battles, dispersing his army, utterly destroying their navy, capturing foundries at Franklin and New Ibua and demolishing the salt works, ten miles southwest of Katler place, capturing camps, equippage, several guns, and between one and two thousand prisoners. He cannot for some months organize the army or the navy in that part of Louisiana. Our loss was between six and seven hundred. Nothing could exceed the conduct of officers and men.

We have also in our possession his aids of officers of sea and land.

WAR IN WESTERN VIRGINIA.

THE FIGHT AT GREENLAND GAP.

A GALLANT DEFENCE.

The following dispatch was yesterday received from General Kelley by Lieutenant Colonel Cheseborough, of General Schenck's staff:

GREENLAND GAP, HARDING CO., VA., April 28, 1863.

To Lieut, Col. Cheseborough, A. A. G.:

The affair at this place on Saturday was one of the most gallant since the opening of the war. Greenland Gap is a pass through the Knobley mountain only wide enough for the road and a small mountain stream. This gap was guarded by Captain Wallace (23d Illinois) with a detachment of company G, 23d Illinois Regiment, and a small detachment of company H, 3d Virginia infantry, Capt. Smith, in all between seventy and eighty men.

Captain Wallace occupied a large church at west end of and near the mouth of the gap and Captain Smith held a log house about a hundred yards distant, both positions commanding the gap. Jones was compelled to capture or dislodge the little band before he could pass. His troops made three gallant charges but were each time repulsed with great loss especially of officers. The fight commenced at five, P. M., and lasted till after dark. The rebels, availing themselves of the darkness approached and fired the church, but the gallant Irish boys would not even then surrender till the burning roof fell in. The killed and wounded of the rebels outnumbered our whole force engaged. Five of the officers out of eight commanding the leading battalion which made the first charge were either killed or wounded.

Among the latter Colonel Dulany, commanding. Captain Wallace and Smith had only two men killed and four wounded. I counted today eighteen dead horses within musket range. I most earnestly request the Major General Commanding to apply to the Secretary of War to have every officer, non-commissioned officer and private engaged in the fight presented with a medal in recognition of the gallantry displayed.

(Signed,) B. F. KELLEY, Brig. Gen.

General Schenck has promptly recommended the participants in this gallant defence to the special attention of the Secretary of War.

A BUDGET OF RUMORS.

WILD AND UNFOUNDED RUMORS

BALTIMORE, May 1.

Our streets have been made dismal this morning, by the circulation of a series of wild and unfounded rumors, each and all of which, as far as we can ascertain, are wholly unfounded.

The first of these reports was to the effect that the town of Cumberland, Maryland, had fallen into the hands of the enemy, and that the great viaduct over the Potomac had been destroyed. We made inquiry as to the foundation of the report, and got answer:

"We are starving for a fight—the enemy is only in cavalry force, and moves only where there is no force to meet him, and plenty of horses to steal."

The next rumor was to the effect that Gen. Hooker's army had been routed, and was falling back in disorder on Washington. The only answer we could get to our queries as to the announcement was:

"Not a word of truth in it. There has been no serious fighting yet, and all is well with the army up to the present time."

The third and last of these reports announced General Milroy as being driven back from Winchester which was again in posse sion of the enemy. Our latest advices from that point are the very contrary. General Milroy had encountered a large body of the enemy advancing from Strasburg, and had routed them with heavy loss in killed, wounded and prisoners.

So also the rumors as to the movements of the enemy on the Baltimore and Ohio railroad. They have partially destroyed two bridges, by sudden dashes at unprotected points, and are in a fair way of suffering for their temerity.

Ayer's Compound Extract Sarsaparilla.

NO one remedy is more needed in this country than a reliable *Alterative*, but the sick have been so outrageously cheated by the worthless preparations of Sarsaparilla abroad that they are disgusted even with the name. Yet the drug cannot be blamed for the impositions from which they have suffered. Most of the so-called Sarsaparillas in the market contain little of the virtues of Sarsaparilla or anything else. They are mere slops—inert and worthless, while a concentrated extract of the active variety of Sarsaparilla compounded with Dock, Stillingia, Iodine, etc., is, as it ever will be, a powerful alterative and an effectual remedy. Such is Ayer's Extract of Sarsaparilla, as its truly wonderful cures of the great variety of complaints which require an alterative medicine have abundantly shown. Do not, therefore, discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used AYER'S—then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agents below named will furnish gratis to all who call for it.

AYER'S CATHARTIC PILLS, for the cure of *Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain, or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.*

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

PRICE 25 CENTS PER BOX, OR FIVE BOXES FOR $1.

Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand AYER'S and take no others. The sick want the best aid there is for them, and they should have it.
