KILLED.—Last week Dr. Freeman, Coroner of Blair county, was called upon to hold an inquest on the body of a stranger, killed in the engine yard at Altoona. The examination resulted in the finding that "an unknown man had come to his death by being run over by the tank of an engine."

WHILE manly hearts and strong right arms, Fight for our country's flag and laws; While patriot blood like water flows, From brother's veins to aid our cause, Shall woman sit with folded hands, And in the strife look on?

WHILE treason lurks in every street, And walks about in thin disguise; While craven hearts with poison tongues, Prate loudly "Peace and compromise!" Shall woman's voice be hushed and still, And offer no rebuke to those Who lack the power—not the will— To sell their country to their foes?

WHILE our soil with blood is red, And dying heroes ask relief— While orphan'd children cry for food, And widows' hearts are filled with grief— The woman's right to bear a part; Though not on fields of battle glory; But through the riches of her heart She may obtain a wreath of glory.

WHILE our soil with blood is red, And dying heroes ask relief— While orphan'd children cry for food, And widows' hearts are filled with grief— The woman's right to bear a part; Though not on fields of battle glory; But through the riches of her heart She may obtain a wreath of glory.

OH! loyal hearts, unite, unite; Give to the cause your moral strength. Help for your country's honor, help; And God shall crown your work as length.

WHEN peace shall bless our land again, And over all our native soil, Justice and Truth in triumph reign, Then shall ye have reward for toil.
