an account of a severe battle having been fought on Sunday, 3d inst., in Spottsylvania, in which they admit a heavy rebel loss. Gen. Paxton was killed, Gen. Jacks n wound

Union prisoners while this battle was being fought. The Inquirer says Gen. Stoneman with 15, 000 cavalry destroyed the Fredericksburg rail road at Asbland and took possession of a train of cars, capturing several rubel Government officers. The engineer jumped from the train and pretended to be dead, but the Yankess soon awoke him and made him run the train to the village where they also destroyed train to the village where they also destroyed two locomotives. A detachment of Yankessthen proceeded to Hanover Court House, tearing up the Central railroad track and cutting the telegraph wires. They also burnt the Court House and several bridges on the Freder icksburg railroad, and were, evidently guided by some one familiar with the country. We have obtained his name and he is well known n Richmond. At Brooke pike the Yankees exchanged their jaded horses for fresh ones and proceeded across the Chickahominy, destroying the turpike and railroad bridges over that river and captured a locomotive which had been sent out this morning on a recomoissance. Gen. Stoneman was still in Louisa county yesterday, and a detachment of his command is making their way down the York river and may join the Yankee forces now in Williams. burg, Va.
