DR. JOHNSON'S Baltimore Lock Hospital.

He has discovered the most certain, speedy and effectual remedies in the world for **DISEASES OF IMPURENCE.**
RELIEF IN SIX TO TWENTY HOURS.
NO MERCURY OR NOXIOUS DRUGS.
A Cure Warranted, or No Charge, in from One to Two Weeks.

Weakness of the Back, Affections of the Kidneys and Bladder, Gonorrhoeal Discharges, Impotence, General Debility, Nervousness, Dyspepsia, Lagrims, Low Spirits, Confusion of the Head, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight, Giddiness, Disease of the Head, Throat, Noises in the Ears, Stomach, Liver, Lungs, Stomach, or Bowels, these terrible disorders arising from the solitary habits of Youth, these secret and solitary practices, more fatal to the victim, than the song of Syrens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

MARRIAGES AND DIVORCES.
The physician, who has become the victim of these habits, which annually destroy and destroy thousands of Young Men, of the most brilliant talents and brilliant intellect, who might otherwise have entered the lists of states with the thunders of eloquence or walked to glory with the living lyre, may call with confidence on Dr. JOHNSON.

OBSCURE WORKS.
Immediately checked, and full vigor restored. This disease being infectious, which renders it miserable and marriage impossible. It is the penalty paid by the victim of impure indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the price of discretion is far more than the falling into improper habits than by the attendant. Besides being deprived of the pleasures of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous debility, dyspepsia, palpitation of the heart, indigestion, constipation, dizziness, &c., and a host of other ailments, leading to consumption, death.
