Messrs. Jones & Evans :-- Well, geutlemen, your Hoofland's German Bitters has saved my ile. There is no mistake in this. It is youch ed for by numbers of my courades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. am, and have been for the last four years, a member of Shermau's celebrated battery, and inder the immediate command of Captain R. B. Ayers. Through the ex. osure alt udant upon my ardnous duties, I was attacked in No-vember last with inflammation of the longs, and was for seventy two days in the hospital. This was followed by great debili y, heighten d by an attack of disentery. I was then remov-ed from the White. House and sent to this ci y on board the steamer State of Maine, from which I landed on the 28th of June, Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swalow anything, and if I did force a morsel down, t was immediately thrown up again.

I could not even keep a glass of water on my tomach. Life could not last under these circomstances; and, accordingly, the physicians who had been working faithfully, though unmecessfully, to rescue me from the grasp of the dread archer. fankly told me they could do no more for me and advised me to see a clergy man and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Stein-bron, of Sixth below Arch street, advised ma, as a forlora hope, to trylyour bitters, and kind-ly procured a bottle. From the time I commericed taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife ind daughter, from whom I have heard nothing for eighteen months; for, gentlemen, I am a loyal Virginias, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the plotious privilege of again clasping to my posom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statement, as we had despaired of seeing cur comrade, Mr. Malone, restored to health.
