TESTIMONIAL! HARRISBURG, Feb. 20, 1863.

MR. S. A. KUNKEL, Druggest: Dear Sir: I have great pleasure in testifying to the complete success of your British Winn or lass in my case. I have been afflicted for a number of years with weakness, general debility and giddiness, so much so that I have been coulined to my bed for the greater part of my time, and have had the attendance of our best physicians, but received but little benefit I had despaired of ever regaining my health, until hearing of your inestimable remedy, Brrrss Wins of Iron. I determined to try its virtue, and I am happy to state it has resulted in a complete cure. I am more robust and vig-orous than I have been for many years, which feeling I attribute solely to your BITTER WINE OF ISON. I have he hesitation in recommending it to others, similarly affected, and shall be happy to bear personal testimony HARMAN FRISCH.

Yours, truly, HARMAI 10 THE PUBLIC. HARRISBUNG, Feb. 21, 1863.
MR. S. A. KUNKEL: This is to certify that 1 have suffered much for a number of years with severe atacks of rheumatism, and have tried a great many remedies, which were considered by others a sure cure, without the least effect on me, so at last I have tried Kunkar's Bitter Wine or IRON, and I must say that one bottle has nearly outed me, and I intend taking it mitil I am perfectly cured. Yours, truly, MRS. DAVID BASHORE.

NEW YORK. THE subscriber respectfully invites the attention of his friends and the public generally to his Piano-Forte Establishment, at No. 427 Broome street, corner of Crosby street.

Having withdrawn his interest stock and materials from the late firm of "Lighte & Bradborys," which firm was dissolved on the 31st January, ult., and having purchased the entire stock of Piano-Fortes and Piano-Forte Material, owned by his brother, Edward G. Bradbury, in the said firm, he is now prepared to supply the increased demand for his celebrated Plano-Fortes. Employing the most skillful and experienced workmen, with a large stock of the best and most thoroughly seasoned material, and an abundance of capital, he has taken in hand the personal supervision of the whole business of manufacturing his instruments, and is enabled to turn out Pleno Materials. to turn out Piano-Fortes of unequalled tone and

BRADBURY'S NEW SCALE PIANO-FORTE. In the arrangement of our new scale, drawn and prepared with the utmost care expressly for our new instruments, we have added every improvement which can in any way tend to the perfection of the Piano-Forte, and we can con-idently assert, that for delicacy of touch, velume, purity, brilliancy and sweetness of tone, combined with that strength and solidity or frame necessary to durability, these instru-ments are unequalled.

"Strength and Beauty" is our motto, and we invite the closest criticism of the best unbiased judges in the land.
