FARMERS AND GRAZERS.

Those of you who have not given our HORSE AND CATTLE POWDERS a trial know not their superiority, and the advantage they are in keeping Horses and Cattle healthy and in good condition. Thousands can testify to the profit they have derived from the use of our Cattle Powders by the increasing quantity and quality of milk, besides improving the general health and appearance of their cattle. Our long experience in the business gives us the advantage of a thorough knowledge of the trade, and our arrangements in the cities are such that we can in a very short time furnish anything pertaining to our business, on the best of terms. Thankful for the liberal patronage bestowed on our house, we hope by strict attention to business, a careful selection of PURE DRUGS at fair prices, and the desire to please all, to merit a continuance of the favor of a discriminating public. ap16-dly

FARMERS AND GRAZERS.

Those of you who have not given our HORSE AND CATTLE POWDERS a trial know not their superiority, and the advantage they are in keeping Horses and Cattle healthy and in good condition. Thousands can testify to the profit they have derived from the use of our Cattle Powders by the increasing quantity and quality of milk, besides improving the general health and appearance of their cattle. Our long experience in the business gives us the advantage of a thorough knowledge of the trade, and our arrangements in the cities are such that we can in a very short time furnish anything pertaining to our business, on the best of terms. Thankful for the liberal patronage bestowed on our house, we hope by strict attention to business, a careful selection of PURE DRUGS at fair prices, and the desire to please all, to merit a continuance of the favor of a discriminating public. ap16-dly
