HARRISBURG, PA. Wednesday Evening, June 10, 1863.

TOWN AND COUNTRY.

CANTON.—All persons are hereby cautioned not to trespass upon the property known as Spruce Hollow or adjoining woods, either as picnics or otherwise, as they will be dealt with accordingly.

GREEN PEAS.—Green peas in limited quantities are beginning to make their appearance in market. They are held at such high rates, however, that none but the wealthy can indulge in them.

NEW GROCERY.—By reference to our advertising columns it will be seen that Mr. S. S. Marquart has opened a new grocery store, at the foot of Second street. This will prove quite an accommodation to our friends in that section of the city.

THE CHESTER VALLEY UNION is the title of a new weekly paper, published in Coatesville, Chester county, by Wm. J. Kaufman & Brother. The paper looks and reads well and deserves encouragement.

THE CHRISTIAN COMMISSION.—We learn that during the past year the Christian Commission have sent out 600 different persons, about 100 of whom are at present in the field among the soldiers. Some 6,000 packages have been distributed, valued at \$300,000.

THE ENROLLMENT AT PHOENIXVILLE.—The foreigners residing in Phoenixville, Chester county, created a panic among themselves on the appearance of the enrolling officers recently, and "packed gravel" to parts unknown.

THE STAMP LAW.—For the benefit of all persons receiving papers of any value, such as notes, bonds, drafts, checks and other instruments liable to stamp duty, every one will be invalid on and after the first of June, unless these same papers are appropriately stamped.

THE BIRD.—Any person destroying or entangling any blue bird, swallow, martin, or any insectivorous bird at any season of the year, is liable to a fine of two dollars in each case.

TOWN AWAIR.—The old sewer, constructed several years ago, on Front street, near Walnut, has been completely filled up, rendering the stone wall, which was formerly on the outer edge of the street over the sewer, useless.

PHILADELPHIA AND ERIE NEW BRANCH RAILROAD.—The location of the new branch road, which is in contemplation by the Pennsylvania railroad company, from some point of the Philadelphia and Erie railroad to Oil creek, will soon be determined.

SOLDIERS ROBBED.—Last evening two soldiers stopped at the National House, in Market street, intending to remain overnight. When about to retire, they were placed in a room occupied by a cigar-maker, who is employed in one of the cigar-making establishments in Market street.

PHOTOGRAPH ALBUMS.—Just received, the finest assortment of photograph albums ever brought to the city, at KNOX'S, 93 Market street.

ATTENTION, HUSBANDS!—A special meeting will be held at the hose house this (Wednesday) evening, at 7 1/2 o'clock. Punctual attendance is requested, as business of importance will be brought before the meeting.

POLICE REPORT.—Before Alderman Kline.—Nancy J. Green was re-arrested yesterday evening for vagrancy, on oath of Geo. Leib, and committed to prison for ten days.

COMING.—Harry Davis, with his great panorama of the rebellion, will soon appear in Harrisburg, and give an entertainment in Brant's Hall. Harry has been away some time and his return to Harrisburg will be hailed with delight.

ATTENTION, LADIES!—I invite the ladies and storekeepers to my remaining stock of dress trimmings, ribbons, laces, tapes, and all kinds of notions, which I will sell less than cost.

THE CITY MARKET.—There was a fair attendance at market this morning, and produce of all kinds was in abundance. Butter, generally the chief topic of conversation by those who attend market, was selling at a reasonable price.

PROMOTED.—Our young friend, John A. Simmons, of this city, has been promoted, to the position of assistant superintendent in the western division of the Adams express company.

STRAWBERRY FESTIVAL.—In looking over our exchanges, we notice that, in nearly all the large towns and cities in the Commonwealth, arrangements are being made for holding strawberry festivals at an early day.

BEAUTIFUL.—We are indebted to a lady friend for a beautiful bouquet of smiling flowers—flowers that seem to have been nurtured in the "ashes of a thousand dreams" and watered with the tears of Fionn, or the lucid waves of Lydia's far-famed Pætoilus.

ARRESTED FOR MALICIOUS CORPUS.—Last evening Officer Fleck arrested a soldier in a house of ill fame near the Capitol grounds, for breaking furniture, etc., and brought him before Alderman Peffer, who had him committed for a further hearing.

ANOTHER FATAL RAILROAD ACCIDENT.—From the Lancaster Express we learn that another railroad accident occurred yesterday, about 11 o'clock, at the intersection of the Pennsylvania railroad and the Harrisburg turnpike, in that city, by which a boy sixteen years of age, named Wm. Hoover, was instantly killed.

MOTHERS! MOTHERS!! MOTHERS!!! DON'T fail to procure MRS. WINSLOW'S SOOTHING SYRUP FOR CHILDREN'S TEething. This valuable preparation is the prescription of one of the best female physicians and nurses in the United States, and has been used for thirty years with never failing safety and success by millions of mothers and children, from the feeble infant of one week old to the adult.

"Thoughts of Home," variations by Berg, and various other very pretty pieces, for sale by W. KNOX, 93 Market street.

FOR WASHINGTON.—At half past one o'clock this afternoon, a squad of sixteen deserters, four paroled prisoners, one convalescent and one straggler, left this city for Washington, in charge of Lieut. Jones, 7th Pennsylvania cavalry. These deserters, &c., have been collected here from different sections of the State, within a week, and will be delivered safely to their regiments as soon as transportation can be furnished them from Washington to the army of the Potomac.

PERSONAL.—A young lad, giving his name as Thomas Leonard, from Harrisburg, came to the rolling mill of William McIlvain, on the night of the 29th of May, laid himself down by the furnace and slept until morning. After he awoke a liberal hearted man, happening near, took him to his house and gave him his breakfast.

Ayer's Sarsaparilla

A concentrated extract of Para Sarsaparilla, in combination with other substances of still greater alternative power as to afford an effective antidote for diseases Sarsaparilla is reported to cure. Such a remedy is surely wanted by those who suffer from Stomach complaints, and that medicine which will accomplish this cure must prove of immense service to this large class of our afflicted fellow citizens.

During large years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass. Price \$1 per Bottle; six Bottles in one package, \$5.

TO CARPENTERS, BUILDERS AND HOUSE OWNERS.—I offer Dana Bickford's Patent Spring Balance and Fastener for Window Sash, to take the place of weights. It is the most complete and useful invention ever put in the market. It balances the sash perfectly at any point as well as weights. It requires no expense for boxing, and can be applied to old as well as new buildings, without any alteration in the frames. It is a non-abrasive friction, but by means of the strength of the window sash, with a cord attached to the sash, the same as the cords of weights; with the addition of the sash lock, it renders it the most perfect and economical arrangement offered to the public, being a saving of one-half the cost in each window frame, and giving the advantages of cords and weights, without its liability to get out of order.
