CITIZENS.

PARTICULAR NOTICE.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOUF-LAND'S German Bitters" will cure nine-tenthe LAND'S German Bitters" will cure nime-tenthe of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large propertion are suffering from debil ty. Every case of that kind can be readily cured by Houfland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that if these Bitters were freely used

own language, "has been saved by the Bitters: PHILADELPHIA, August 28d, 1862. Messis. Jones & Evans :- Well, gentlemen your Hoofland's German Bitters has saved my life. There is no mistake in this. It is youch ed for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case.

occasione, have exhibited great gallantry.

THE DRAFT.—From numerous correspondents coming within the provisions of the act of enrollment for calling out the national forces are to be encolled, nevertheless, under the first enrollment, those who were in the military service at the time the act went into effect, namely, the 3d of March last, are not to be included in that class which is subject to the first draft. Those of the second class are not to be called out until those of the first class shall include the returned nine months volunteers, who were in service on the third of March last. and, consequently, will not be called on until the first class shall have been reduced to that minimum which will require another draft by the national authorities.

STATE MEDICAL SOCIETY .--- The fourteenth annual convention of the Medical Society of the State of Pennsylvania met in Philadelphia yesterday, in the lecture room of the University of Pennsylvania. For some reason or other few physicians outside of Philadelphia attend the sittings of the sessions. Of the first class professors of medicine and practitioners, we have convention. Nevertheless, the proceedings are interesting, and give a considerable amount of general information upon hygienic subjects.

At the opening of the session, Dr. George F. Horton, President, was absent, being detained at home by sickness, and the chair was occupled by Dr. Traill Green, one of the Vice Presidents. Before the meeting adjourned yesterday, a committee on credentials was appointed who reported sixty-two delegates present, ampton, Perry, Susquehanna and one or two country. others. A committee is to be appointed, consisting of a delegate from each county reprehave no report.
