Medical.

DR. JOHNSON BALTIMORE LOCK HOSPITAL.

HAS discovered the most certain, speedy and effectual remedies in the world for DISEASES OF IMPURDENCE. RELIEF IN SIX TO TWELVE HOURS. NO MERCURY OR NOXIOUS DRUGS. A Cure Warranted, or No Charge, for One to Two Days.

Weakness of the Back, Affections of the Kidneys and Bladder, Involuntary discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nails or Skin. Affections of the Liver, Lungs, Stomach or Bowels—those terrible disorders arising from the Solitary Habits of Youth—those secret and solitary practices more fatal to their victims than the song of Sirens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

Especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of Young Men of the most excellent talents, and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence or walked to ecstasy the living lyre, may call with full confidence.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., speedily consult the Doctor.

He who places himself under the care of Dr. J. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a Physician.

ORGANIC WEAKNESS

Immediately Cured, and full vigor restored. This distressing affection—which renders life miserable and marriage impossible—is the penalty paid by the victims of improper indulgence. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by the prudent. Besides being deprived the pleasure of matrimony, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental functions weakened, loss of procreative power, nervous irritability, dyspepsia, palpitation of the heart, indigestion, constitutional debility, a wasting of the frame, cough, consumption, decay and death.

Office, No. 7 South Frederick Street, Left hand side going from Baltimore street, a few doors from the corner. Fall not to observe name and number. Letters must be paid and contain a stamp. The Doctor's Diplomas hang in his office.

DR. JOHNSON

Member of the Royal College of Surgeons, London, graduate from one of the most eminent colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known in many troubled cases. The fearful effects on the mind are such as to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c. are some of the evils produced.

TAKE PARTICULAR NOTICE.

These are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, symptoms of consumption, &c. Meserliax.—The fearful effects on the mind are such as to be dreaded—loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self distrust, love of solitude, timidity, &c. are some of the evils produced.

YOUNG MEN

Who have injured themselves by a certain practice indulged in when alone, a habit frequently learned from evil companions, sleep, the effects of which are nightly felt, even when asleep, and if not cured renders marriage impossible, and destroys both mind and body, should apply immediately. What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature and indulging in a secret habit. Such persons run, before contemplating

MARRIAGE.

Reflect that a sound mind and body are the most necessary requisites to promote conjugal happiness. Indeed, without these, the journey through life becomes a weary pilgrimage; the prospect hourly dawns to the view; the mind becomes shadowed with despair, and filled with a melancholy reflection that the happiness of another being is blighted with our own.

DISEASE OF IMPURDENCE.

When the misguided and imprudent youth of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an unmitigated sense of shame or the dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him. He falls into the hands of ignorant and designing pretenders, who, incapable of curing, flatter his peculiar substance, keep him trifling month after month, as long as the smallest fee can be obtained, and so depart leaving him with ruined health, to sigh over his galling disappointment, or by the use of the deadly poison, Mercury, hasten the constitutional symptoms of this terrible disease, such as affections of the Head, Throat, Nose, Skin, etc. pressing with fearful rapidity till death puts a period to his dreadful sufferings by sending him to that undiscovered country from whence no traveller returns.

INDORSEMENT OF THE PRESS.

The many thousands cured at this institution year after year, and the numerous important surgical operations performed by Dr. Johnson, witnessed by the reporters of the Sun, Appeal, and many other papers, notices of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

SKIN DISEASES SPEEDILY CURED.

The Great "American Remedies,"

KNOWN AS "HELMHOLD'S" GENUINE PREPARATIONS, VIZ: HELMHOLD EXTRACT "BUCHU," IMPROVED ROSE WASH, HELMHOLD'S GENUINE PREPARATIONS, "HIGHLY CONCENTRATED" COMPOUND FLUID, EXTRACT BUCHU, A POSITIVE AND SPECIFIC REMEDY FOR DISEASES OF THE BLADDER, KIDNEYS, GRAVEL, AND DROPSICAL SWELLINGS. HELMHOLD'S EXTRACT BUCHU FOR WEAKNESSES

Arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse.

ATTENDED WITH THE FOLLOWING SYMPTOMS: Indisposition to Excess, Dryness of the Skin, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Fearful of Vision, Pain in the Back, Universal Lassitude of Pushing of the Body, The Muscular System, Eruptions on the Face, Hot Hands, Pallid Countenance. These symptoms, if allowed to go on, which this medicine invariably removes, soon follow IMPOTENCY, RAUITY, EPILEPTIC FITS, In one of which the patient may expire. Who can say that they are not frequently followed by those "dire" diseases, INSANITY AND CONSUMPTION. Many are aware of the cause of their sufferings, but none will confess. The records of the Insane Asylums and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION ONCE AFFECTED WITH ORGANIC WEAKNESSES.

Requires the aid of medicine to strengthen and invigorate the system, which Helmhöld's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES—FEMALES—FEMALES, OLD OR YOUNG, SINGLE, MARRIED, OR CONTEMPLATING MARRIAGE.

In many affections peculiar to females the Extract Buchu is unequalled by any other remedy as in Chlorosis or Bilethemia, Irregularity, Painfulness, or suppression of the customary Emissions, Dierated or Scirrhus state of the Uterus, Leucorrhoea or Whites, Sterility, and for all complaints incident to the sex, whether arising from Indiscretion, Habits of Dissipation or in the

It causes frequent desire, and gives strength to Urinary, thereby removing obstructions, preventing and curing Strictures of the Urethra, allaying pain and inflammation, so frequent in this class of diseases, and expelling Poisonous Discharges, and Worms, Malaria, &c. Thousands who have been the victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has by the use of "powerful" Astringents, been dried up in the system, to break out in an aggravated form, and perhaps after marriage.
