When the news of the surrender reached Fifth and Chesnut streets, the State House bell was ordered to be rung. The bell ringer entered into the matter very z-alously, and the bell continued to proclaim the glorious news for some time.

of the so-called Confederacy. Among the incidents of the Fourth of July, was the presentation to the Washington Com mandery, No. 1, Knight's Templar and Knights of Malta, of two magnificent standards—one he banner of the Order, and the other the National standard. The presentation address was made by Bev. Dr. McMurdy, on behalf of Sir Knight J. P. Bartholow, by whom the domation was made. After the consecration of the standard, and an address by Grand Command-r French, the Knights escorted the City Councils

to the celebration ground The War Department is busy sending out the necessary papers and instructions for a draft under the recent enrollment. There seems to e a determination to push military affairs with additional vigor.
