Sharpsburg, and the Boonsboro and Williams port turnpikes. This looks like a determination on the part of Lee to risk another battle.

THE REBELS SHORT OF AMMUNITION. An officer who fully understands the capacity

of Lee for transporting ammunition, and who is able to estimate the quantity of powder which the rebels burned at Gettysburg, confidently expressed the opinion that Lee must be fright fully short of ammunition. It is claimed by this officer, that Lee has not sufficient amounition to serve his forces in a five hours' battle, cially being sacked-when lich fields were allowing them to use what might be called an blighted by the advance of the conquering ordinary quantity in such a time, and if this is invader-when hope and explication and certain true, it is not to be wondered at that Tree is in that very hour defeat came to our foes. In warding off battle as long as possible. It must sound almost of the birth place of the man be borne in mind that the rebels have received who brought the first disgrace to Pennsylvania no supplies of ammunition since the batile of with the battle of James Buchanap, Pennsylva-
