PHILADELPHIA, August 28d, 1862. Messrs Jones & Evans :- Well, gentlemen, your Hoofland's German Bitters has saved my lite. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizent of all the dreumstances of my case. i am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain R. B. Ayers. Through the excoure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. Life could not lest under these circumstances; and, accordingly, the physicians who had been working faithfully, though unaccessfully, to rescue me from the grasp or the dread archer, frankly told me they could do no nore for me and advised me to see a clergyman PROPOSALS FOR BROKEN STONE, and to make such disposition of my limited DROPOSALS will be received at the City funds as best suited me. Proposals to state what kind of stone will be delivered and the what kind of stone will be delivered and twenty days from completion of contract.

The Council reserve the right to reject all bids if unreasonable. Pids to endorsed "Proposal for broken stone," and addressed to W. O. BICKOK. loyal Virginian, from the vicinity of Front Boyal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the glorious privilege of again clapping to my
