

FOR the cure of TEM, CONSTIPA-TION, ACIDITY OF THE STOMACH,

THE STOMACH, and for all cases requiring a Tunic.

This Wine includes the most agreeable and efficient Salt of Iron we possess; Citrate of Magnitic Oxide combined, with the most energetic of vegetable tonics, Yellow Peruvian Bark. The effect in many cases of debility, loss of appetite, and general prostration, of an efficient Salt of Iron, combined with our valuable Nerve Tonic. is most banow. It augments the appearance of the prostration of the Tonic, is most happy. It augments the appetite, raises the pulse, takes off muscular flabbiness, removes the palor of debility, and gives a florid vigor to the countenance.

Do you want something to strengthen you?

Do you want a good appetite?

Do you want to build no your constitution?

Do you want to build up your constitution? Do you want to feel well? Do you want to get rid of nervousness?

Do you want energy?

Do you want to eleep well?

Do you want a brisk and vigorous feeling If you do, try

KUNKEL'S BRITER WINE OF IRON! This truly valuable Tonic has been so thoroughly tested by all classes of the community, that it is now deemed indispensable as a Tonic medicine. It costs but little, purifies the blood, gives tone to the stomach, renovates the system, and prolongs life. I now only ask a trial of this valuable Tonic.

TESTIMONIAL! Навывива, Feb. 20, 1863.

MR. S. A. Kunkel, Druggist:

Dear Sir: I have great pleasure in testifying to the complete success of your Birtus Were or ison in my case. I have been affilicted for a number of years with weakness, general debility and giddiness, so much so that I have been confined to my bed for the greater part of my time, and have had the attendance of our lest physicians, but received but little benefit.

[Arrive st. 8.17 420] MR. S. A. KUNKEL, Druggist: had despaired of ever regaining my health, until hearing of your inestimable remedy, Breen Wine of Iron. I determined to try its virtue, and I am happy to state it has resulted in a complete cure. I am more robust and vigorous than I have been for many years, which feeling I attribute solely to your BITTER WIRE OF IRON. I have he hesitation in recon it to others, similarly affected, and shall be happy to bear personal testimony
Yours, truly, HARMAN FRISCH.

TO THE PUBLIC.

Dr. S. A. Kunkel: DEAR SIR: When on my way, last summer to join my regiment at Yorktown, Virginia, you were kind enough to give me several bottles of your "Buter Wine of Iron," I found it most valuable in the climate of the Peninsula it most valuable in the climate of the remisus and the diseases incident to it. No preparation of barks exceed it in value. I believe that its use would prevent much bilious feer, and certainly prove a great value in its cure. I remain Yours, Respectfully,
