Olay Alleman, who acted as the Provost Marshall of Gettysburg immediately after the san modifications, for in combinations; with each guinary conflict in that vicinity between the armies of the Government and the hordes of the right of the Bovernment and the hordes of the Government and the hordes of the original commercial of the parent of widow must be produced by this labor, what insurgents. For these services, the clizens of widow must be produced by this labor, what into it, and stirred up so as to form something. There is but little said on administering castor oil to children: The quantity of oil prescribed is poured into a small the fact that the Federals are pushing forward the construction of powerful tea-going Monitors. Three British war steamers, recently sold to done, a little sait or sugar, or a few drops of the what cooks call battered eggs; when it is also repaired to or many sware entirely added. The sick child will eat it eagerly and in acceptance of the Mexican crown.

There is but little said on the little said on a dministering castor oil to children: The quantity of oil prescribed is poured into a small the fact that the Federals are pushing forward the construction of powerful tea-going Monitors.

There is but little said on the little said on a small the fact that the Federals are pushing forward the following way of of widow must be produced by this labor; but it must be mainly it would be earthen pan over a moderate fire, an egg broken into it, and stirred up so as to form some unrant jelly should be all the fact that the Federals are pushing forward the fact that the fa then the case would be clearly within the purylew of the law. In mixed cases, where the facome is the product of labor and capital cooperating together, the application of the law is rendered more difficult. Its object will probably be best secured by holding, as suggested, that in such cases the income which furnishes the support must be mainly derived from the personal labor of the son. If, for example, the gon he a merchant or mannfacturer whose had ness, under his personal superintendence, yields him an annual revenue of \$10,000 -- and personal superintendence could not be estimated as worth more than \$8,000 per annum—it could not be said in the sense of the law, that is labor yielded the income to which his parent looks for support. It is, true, an element in the production; but not a preponderating one. A test may be found in answer to the question, whether, if the son's personal labor were withdrawn by calling him to the military service, a support for the parent or widow would remain...(Thit would—and in the case supposed it would, since... his superintendence could be

> emption cannot be allowed." THE FIFTY PER CENT. EXCESS Important Infor ion.—The Provost Marshal General, in reply to inquiries from Mr. Wm. P. Shinn, of Pitts-

upplied; and the productive capability of his

capital would remain—then the claim to ex-

burg, informs him as follows: 1 1st. Each district has credit given it on its duota for each person who furnishes a substi-tute; and for each person who pays \$800 "for the procuration of such substitute," in the same manner and to the same extent as if the person rendered personal service.

2d. Any person who may have been drafted in the fifty per cent, excess, and who may have paid \$300 for exemption, and it is afterwards found that he is entitled to be discharged from serving under Section 16 of the enrollment act, shall be entitled to have the \$300 returned. 3d. The fifty per cent. or one-third extra is the fall. We have not learned whether Roman drawn for the purpose of making up the defi-dencies arising from exemptions on account of Empress E. physical and other chises, and is composed of the last third part of the names drawn. If after

making up the deficiency, any portion of this fifty, per cent, remains, they are discharged under the 16th section above alluded to, which

reads as follows:

And be it further enacted. That as soon as the required number: of able bodied men, liable to do military duty, shall be obtained from the list of those drafted, the remainder shall be discharged; and all persons discharged at the place of rendervous, shall be allowed traveling tay to their place of residences: and all expense. pay to their places of residences; and all expenses connected with the enrollment and draft, including subsistence, while at the rendezvous, shall be paid from the appropriation for enrolling and drafting, under such regulations as the President of the United States shall prescribe.

The Price of Speritures.—There are yet a great many men "in the market," waiting for tavorable opportunities to relieve unwilling to conscripts at higher prices than the latter feel is disposed to give. Two hundred and fifty dollars, to two hundred and eighty, is the range of figures, demanded by substitutes. The drafted, however, are beginning to find out that at that rate a substitute is more costly than the full exemption fee which "the full exemption fee which "the factor of the wyoming Saminary."

Telegraph

From the Army of the Potomac HEADQUARTERS ARMY OF THE POTOMAC, ?

August 25, 1863.
Cavalry pickets of the enemy called terday morning across the Rappahannock to those of our own army that Fort Sumter had been taken by us. This is a confirmation of the news received via Fortress Monroe by Bichmond

peneis of yesterday's date.

A cavalry force, under Fitzhugh Lee, crossed the Rappahannock yesterday morning near Corbin's Neck, six miles below Fredericksburg, but were speedily routed by the brigade of Gen. Custis with a loss in prisoners of three engineer officers, and a number of privates yet unspecified in killed and wounded, before re-cro the river. Our own loss is not yet reported. It is slight—no officers injured.

A presentation will take place to morrow at Warrenton, to Maj. Gen. Sedgwick of a splendid horse, with accountements and sword and complete uniform. The gift is by the officers of the Second Division, Second Corps, once commanded by him.

The positions of the rebel army are now somewhat thus: Ewell lies near Orange Court House, A. P. Hill near the Rapidan Station, Longstreet stretches from United States road to Frecericksburg, and pickets the Rappahan-

nock down to Port Boyal.
Lee's headquarters are about two miles be-yound Orange Court House, on the Gordonsville

ceptance, but a Vienna journal says the assertions are premature. No decision has been ar-

The Morning Post considers it far from improbable that the French occupation of Mexico may lead to more intimate relations between Napoleon and the confederates, and create trouble with the Washington Government.
The Ostriche Zeitung asserts that the Austrian Government has in no way interferered with or been consulted in the Mexican question. It is It is asserted that the Spanish ministry ap-

prove of the Empire. The Madrid journals are divided.

The replies of the three powers were all sent to St. Petersburg to be delivered on the 17th, and forthwith published. Each cabinet replied to the arguments addressed to itself, but termishow a decrease in cash of over 4,000,000

francs.
