The concert will precede on the momentous occasion. A grand time is anticipated. The party will start from the Washington Hotel, corner of Walnut and Sixth streets. No improper character will be admitted to the grounds. aug24-td

**PLUMS.**—Cholera bombshells; water melons, green apples and the like.

**CAMP ROWLAND,** near Wilkesbarte, was broken up on Tuesday, and the militia left for Scranton.

**SKEDADDLING.**—It is said that many of the miners on Broad Top who were drafted are making tracks.

The names of all persons exempted from the draft through disability, together with the cause of their exemption, have been ordered to be published.

**A JOINT SPECIAL MEETING** of the Lodges of Good Templars will be held in their hall this (Thursday) evening at 7 1/2 o'clock. Business of importance.

**DON'T FORGET** the picnic on Saturday next, for the benefit of the conscript. Doubtless a large number of persons will be attracted to Hoffman's grove on that occasion.

**CITIZEN FIRE COMPANY.**—A meeting of the Citizen fire company will be held on Friday evening, 28th inst. Every member is requested to be present, as important business will be transacted.

**KILLED.**—Last Friday morning a miner was killed at Minersville, Huntingdon county, while at work in his room. Not having the work properly secured, the top fell upon him, killing him instantly.

**IMPORTANT ITEM.**—The Provost Marshal General has ordered that drafted men must appear on the day designated in the notice served on them, and remain subject to the decision of the board of enrollment.

**MR. CHARLES ELLIS,** of Johnstown, a member of the 21st Pennsylvania Cavalry, was killed on Thursday last, at the camp near Chambersburg, by his horse rearing and falling on him. He survived but a short time.

**DEW & TICKETS.**—E. B. McCrum, Esq., editor of the Altoona Tribune, says he received a "ticket of invitation to Uncle Sam's balls, a series of which are to come off in the Southern States, during the ensuing winter."

**FIRE BAPTIST CHURCH.**—The erection of this church, corner of State and Fourth streets, is rapidly progressing, and the building will soon be under roof. It will be a handsome structure, and an ornament to that section of the city.

**NEARLY COMPLETED.**—Zion's Church of the Evangelical association, on North street, is nearly completed. The dedication will take place on Sunday, Sept. 10th. Exercises will be published in a few days.

**THAT popular watering place,** Cape May, and the splendid hotel, Congress Hall, can now be reached by railroad three times a day from Philadelphia. Three trains run daily to and from that city. Congress Hall is advertised to receive guests until the 20th of September.

**The ground** having been purchased for laying out a National Cemetery at Gettysburg, preparations are being made to fit the place for the reception of the bodies of the gallant dead who fell on the Pennsylvania battle ground. It is to comprise 20 acres, and the origin of the project must be credited to the Governor of Pennsylvania.

**STATE FAIR.**—The State Fair for this year will take place at Norristown, Pa., upon the grounds of the East Penna. Agricultural Society, Sept. 20th and 21st, and Oct. 1st and 2d. We are informed that the most magnificent indications are being made, and from recent indications it will be one of the largest and most interesting ever held. For particulars and premium lists address A. B. Longaker, Sec'y, Norristown, Pa. See advertisement in our columns.

**HANDSOME PRIZES.**—The officers and members of the 78d Penna. Reg. have purchased a beautiful sword, sash and belt, to be presented to Brig. Gen. Charles T. Campbell. The sword is of the finest steel. The sash and belt are richly ornamented, and bears in its inscription, "Presented to Brig. Gen. Charles T. Campbell, our late Colonel, by the officers and men of the 67th Regiment Penna. Volunteers, as a token of their regard for him as an officer and a soldier." The present cost \$300.

**THE FRANKING PARTY.**—The Postmaster General, finding that the recent act of Congress relative to franking privileges, if carried out to the letter, would open the door to the many officers having no business with various Departments with which they were not directly connected, and believing it was not directly of the act, has given instructions that the most liberal construction possible, as decided that any Government official, having official business with any of the Department, is entitled to and will receive the benefit of franking.

**DESTRUCTION OF A BARN.**—On Friday evening last, the barn of Amos Miller, in Middlesex township, Cumberland county, was struck by lightning and burned to the ground. All the contents of the barn were also destroyed. The loss is estimated at \$4,500.

An official notice has been issued for the "un-terrified" copperheads to assemble on next Saturday evening, for the purpose of nominating candidates for delegates to a county convention to be held on the 8th of September. "Wako, snakes!"

**OATS.**—Sealed proposals will be received at the office of Mark L. De Motte, A. Q. M., U. S. A., No. 24 Second street, until 12 o'clock on Monday next, for furnishing one hundred thousand bushels of oats in sacks, at the rate of twelve thousand bushels per week.

**PROBABLE CHANGE OF LOCATION.**—We learn that the rendezvous for the drafted men of this section of Pennsylvania will probably be located at Harrisburg instead of Carlisle. This change would certainly be profitable to the Government, as there would be a great saving in the cost of transportation; besides the facilities for the shipment of troops from this point are such as to render it a more desirable camping place than Carlisle.

**CAPT. HARVEY BROWN,** well known in this city, is now in command of the 14th Reg., U. S. A., stationed near Madison Avenue Park, New York City. The 14th formerly numbered 2,000 men, but owing to the losses in the different battles in which it has been engaged, sickness, &c., it has now only about six hundred members, including officers. The friends of Capt. Brown will be pleased to learn that his popularity with the regiment is as great as ever, and that he is in excellent health.

**AT THE ASSAULT ON FORT WAGNER.**—Maj. John H. Miller, of the 55th Pennsylvania regiment, acted as volunteer aid to Gen. Strong, during the desperate and bloody assault on Fort Wagner, Morris Island, and was among the foremost of those who gained the parapet. It is not certainly known whether he escaped injury, but he fell into the hands of the enemy, and as nothing has been heard from him, his friends fear that he is no more. Maj. F. began his military career as a Captain in the "Old 18th," in the three months' campaign. His place of residence is Bedford county, where he is well and favorably known. We shall be glad to hear that the fears of his friends are not realized, and hope to see him return from the war safe and sound.

**ACCIDENT.**—On Monday evening a lad named Rhodes was seriously injured, at the C. V. R. B. Depot, at Chambersburg, by a car passing over one of his legs near the ankle, mauling it in a shocking manner. The limb has since been amputated.

**A CURIOUSITY.**—The Huntingdon Globe, of yesterday, says: "Mr. Elisha Porter, on Stony Creek, left with us on Monday, a hen egg, with blue stripes, just as it was found in the nest. We are not surprised that our old friend's hens should give evidence of being strong for the Union, for we doubt whether anything could live on his premises not decidedly opposed to traitors."

**POLICE AFFAIRS.**—Before Alderman Kline—John Boney and Robert Parker were drunk and disorderly. Committed for ten days. Joel Griffith—"drunk." Discharged. Joseph Weltmer—"drunk." Discharged. Kate Boney, wife of the above named John Boney—"drunk." Having a family of children at home she was discharged.

Richard Allen and Margaret Marshall, a lady and "gambler" of color, were arrested at a very early hour this morning, by officers Campbell and Loyd. They were in possession of a basket of cabbage which they could not account for. This forenoon they were "brought up" and recommitted for further hearing. George Brown—"drunk." Discharged.

**SHOOTING AFFAIR.**—Quite an excitement was raised last evening by the report that a white man had been shot by a negro, and that he had died from the effects thereof. The facts of the case are these: Two of three negroes were gunning near the Lebanon Valley Railroad. One of them fired at a lot of birds in the direction of the railroad track. A white man named Roper, who was passing along the track, received a single shot in his face, which inflicted but a slight wound. On seeing that Roper was shot, the negro became frightened, threw down his gun and ran into town. The cry of a "nigger shot a white man" was raised, and the darky was pursued. Fortunately (for him) he could not be found, or there would doubtless have been violence committed by some of the pursuers. Another of the hunting party, who picked up the gun that had been thrown down by his companion, was arrested, and taken before Alderman Kline, who discharged him, there being no evidence against him.

**ATTENTION, SOLDIERS!** AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that HOOFLAND'S German Bitters will cure nine-tenths of the diseases induced by exposure and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well substantiated cure of one of the nation's heroes, whose life, to use his own language, "has been saved by the Bitters." **PHILADELPHIA, Aug. 23d, 1862.** Messrs. Jones & Evans:—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouchsafed for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Captain B. Ayers. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House and sent to the city on board the steamer State of Maine, from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to walk, and I did force a march down, and was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread archer, frankly told me they could do no more for me and advised me to see a clergyman and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better.
