TOWN AND COUNTRY.

Don't forget the conscript's picnic at Hoffman's woods, to-morrow.

FALSE ALARM.—There was a false alarm of Green Saturday evening. Several engines were run out of their houses—and then run back again.

RUFUS T. GREEN, a blacksmith, residing in Meadville, fell from the porch of his residence on 2d was instantly killed on Saturday night. —
City, 380—10m!

FRENCH DEAD.—A young man named Francis Warren, killed in a hotel in Meadville, the other day. Excitement occasioned by the draft is supposed to have been the cause.

A CONSCRIPT in Lewistown, Me., claimed to have "pizzed on the heart." The doctor passed him, and his next disease will be "business on the back."

ANOTHER PRO-TEST.—The Citizen Fire Company will give a picnic on Saturday, Sept. 12th, for the benefit of the company. We promise a pleasant time to all who attend.

DUST.—The streets not visited by the sprinkler have become very dusty, and pedestrians find their "eyes shut up" with dust by every passing breeze. A shower of rain would be very acceptable.

THE WEATHER.—The cool weather still continues. The mornings and evenings are excessively chilly. This is, however, preferable to the excessive heat to which we were subjected previous to the late change.

LIGHT.—The apple crop, which it was supposed would be heavy this fall, is found to be quite light, some orchards producing but very few apples. The drought in the spring, and the recent dry weather, are supposed to have materially injured the crop.

DRUNKENNESS.—Our police report to-day exhibits an uncommonly large number of cases of drunkenness. Certainly it is high time for the officers of the law to make an example of those persons who deal out "fire-water" to habitual drinkers. Shall the lock up be filled with drunkards and disturbers of the peace while there is a law prohibiting the indiscriminate sale of liquor?

DELEGATES TO THE COUNTY CONVENTION.—On Saturday evening the following delegates were elected to represent Harrisburg in the Union County Convention, which assembles in the Court House to-morrow (Tuesday):
First Ward—J. A. S. Trullinger, John Snyder.
Second Ward—N. Z. Singer, F. B. Baber.
Third Ward—W. W. J. Seligson, John Zinn.
Fourth Ward—A. K. Black, W. Koons.
Fifth Ward—Chambers Dubay, Jacob Rohrer.
Sixth Ward—J. B. Zimmerman, Ben J. Stroth.

IMPORTANT OPINION.—Hon. Thaddeus Stevens has written a letter in which he gives it as his opinion that the payment of \$300 commutation by a drafted man exempts him from further liability under that draft, it having precisely the same effect as furnishing a substitute. He says, "to give a different effect to the payment of the commutation seems to me little less than an absurdity. It is a very mischievous misconception, which, if need be, I have no doubt Congress will correct."

CORRECTION.—On Wednesday last, an item relating to pensions and back pay of soldiers was published, with an extract from a letter of the Second Auditor, stating that applications were now being settled in cases where deaths occurred in May and June, 1862. A letter dated August 27th, received by a gentleman in this city, direct from the Second Auditor's office, states that they are "now engaged on cases where the deaths occurred in May, June, July and August, 1862." Consequently claims where deaths occurred since that time will have to wait their turn. The error in the notice last week was in changing 1862 so as to read 1863—a mistake of the compositor.

REV. LEACOCK, OF ST. STEPHEN'S (Harrisburg) EPISCOPAL PARISH.—It is now positively stated, that Rev. Leacock, of St. Stephen's Episcopal parish, who recently resigned, and who had been almost unanimously appealed to to resume his charge, will not again assume the pastoral duties of the parish, but that he has accepted a call in another part of the country. We regard this as most unfortunate for the parish, as men of Rev. Leacock's ability, purity of character, Christian influence and wide experience as a pastor, do not always respond to the call of a parish no more extensive or capable of supporting men of his calibre, than is that of St. Stephen's. Under his charge the Episcopal congregation in the city was greatly enlarged, and had become one of the most prosperous and flourishing in the interior of the Commonwealth. "What it will become hereafter, must be determined by the successor of Rev. Leacock.

TYPHOID FEVER.—This terrible malady has again made its appearance at West Chester and vicinity. Several cases have already proved fatal.

FAIR AT MILTON.—The eleventh annual fair of the Northumberland county Agricultural Society will be held at Milton, commencing on Wednesday, the 7th of October.

A FAILURE.—The flax crop in this part of the State is said to be almost an entire failure. The seed was fully matured, but the stem is almost worthless for the manufacture of linen, owing, probably, to the severe dry weather in the early part of the summer.

THE EXAMINATION OF CONSCRIPTS.—The examination of drafted men was continued to-day. The last forty-five drafted in the Third ward, and the first fifty-five of the Fourth ward are notified to appear for examination to-morrow.

THE POTATO CROP.—This important crop is said to be very fine this season, and there is a fair prospect of the best quality coming down to the old-time price of fifty cents per bushel. At present they are selling at from seventy to eighty cents.

THE LATE FIRM OF STANFORD & HARLEY, dealers in Watches, Jewelry, Silver-ware, etc., at 622 Market street, Philadelphia, so long and favorably known, has been dissolved. Mr. Jacob Harley, one of the late firm, is now carrying on the business, at the old stand. See his advertisement.

TORRICO, &c.—We learn from the *Village Record* that "on almost every farm in Chester county, you can see a patch of tobacco, which looks fine, and is nearly fit to cut." There will be nearly enough sorghum sugar manufactured in Chester county to supply the demand for sugar.

RAILROAD ACCIDENT.—The "Way Accommodation Train" from Philadelphia, en route at 9:40 on Saturday evening, was delayed some three hours by an accident that occurred near Mount Joy. The train came in contact with a lot of cattle that were on the track, and the cars were thrown off. Nine head of cattle were killed, but the passengers escaped injury.

WARNING TO SUBSTITUTES.—The following order has been promulgated from the Army of the Potomac: The practice of desertion of substitutes under the draft has become so prevalent that hereafter the extreme penalty of martial law will be awarded to such delinquents as may be recaptured, and extraordinary efforts will be made to effect that object.

SUCCESSFUL TOBACCO CULTURE.—In consequence of the high price of tobacco, some of the farmers of this county have commenced its cultivation, and the experiment has proved quite successful. In the vicinity of Dauphin, there are several patches of beautiful tobacco, and Mr. Henry Koller has raised a crop valued at eighteen hundred dollars, on his tract a short distance below this city, which is said to be equal in quality to tobacco raised in the South.

GIRARD HOUSE, PHILADELPHIA.—For cleanliness and good fare, we can safely recommend the Girard House, of Philadelphia, as being unsurpassed by any house in the country. The homelike feeling existing in this establishment by those who like polite, unobtrusive attention, must indeed be appreciated. We feel confident that any one who has sojournd at the Girard, will cheerfully and honestly recommend it to the public as he do.

CERTAIN parties in this district will claim exemption for their sons. The fact of a man having an only son at home and his being drafted compelling him to hire other help, is no cause for exemption. The only question in all these cases is this—Is the support of the family dependent upon that son's labor? If not; if there is property or means to hire other help, or to provide a living, there can be no exemption. The object of these exemption clauses in the law was to prevent absolute suffering. They were designed to protect the really poor. All other parties should be cautious how they swear to the certificates required. Some of them may make themselves liable to perjury.

POLICE AFFAIRS.—Before Alderman Kline.—The "trunks" before the Alderman yesterday were "too numerous to enumerate." There were also some "disorderlies." Bad whisky was the cause of the "disorderlies," and bad whisky was the cause of the "drunks." The following embraces the list of persons arrested, the cause of the arrest, and the result of the hearing:
Jerry Deloy, drunk; discharged.
Eliza Deloy, drunk; discharged.
Joseph Winters, drunk; discharged.
William Collins, drunk and disorderly; fined \$1 and discharged.
Charles Garner, drunk and disorderly; fined \$1 and discharged.
Lucy Galloway, drunk; discharged.
Mary Jackson, drunk; discharged.
John Cook, drunk; discharged.
Evan Jones, drunk; discharged.
Virginia Smith, drunk; discharged.
Sarah Veney, drunk; discharged.
Michael French, drunk; discharged.
Wm. Streets, drunk; discharged.
Ned Rainer, drunk; discharged.
Phillip McDonald and George Etter, arrested on Saturday, charged with conspiracy to rob Wagner's cigar store, were committed for a further hearing. One of them is a cigar maker. They were overheard inquiring of a female waiter at the Burke House whether she could conceal a quantity of cigars, &c. On this evidence they were arrested.
Henry Hall and "Gambling Ned" were fined \$3 for gambling. They also had a quarrel and were disorderly. Ned is an old hand at the business for which he is arrested, judging from the title by which he is known.
This morning Joseph Winters was again arrested. Drunk, as usual, and in an exceedingly filthy condition. He belongs to Liverpool. Promising to go home, he was again discharged.
Thomas Ramsey, a boy from Allegheny City, was up on a charge of drunkenness, this morning. Discharged.
Horace Murray, drunk; fined \$1.

SMITHING THAT CONCERNS EVERYBODY.—In these war times, when the cost of what we purchase to eat and wear is so much more, and no corresponding advance in the wages of physical or mental labor, it taxes the best management and economy of father and mother to provide for their family. With this view of the condition of things, we think that every man contributes to the general good by disposing of the articles he may have to sell at the very smallest living profit. O. L. Bowman has just returned from New York with a large stock of fall and winter dry goods, which he is determined to dispose of at prices that will benefit competition. The cheap store is No. 1, southeast corner of Front and Market streets, Harrisburg. ans1-2t

TO HORSE OWNERS.
DR. SWEET'S INFALLIBLE LINIMENT FOR HORSES is unrivaled by any, and in all cases of Lameness arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scratches, Mange, &c., will also cure speedily. Spavin and Ringbone may be easily prevented, and cured in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horses to travel with comparative ease. Every horse owner should have this remedy at hand, as its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.
