HARRISBURG, PA. Thursday Evening, Sept. 3, 1863

TOWN AND COUNTRY.

FIRE.—On Monday night the boarding houses belonging to Wyoming Seminary, at Kingston, Pa., were destroyed by fire.

The "Unhappy Family" on the other side of the river, (Cumberland county), has placed in nomination for Assembly, Dr. John D. Bowman, of East Pennsylvania.

TAUSTER APPOINTED.—Yesterday the Court appointed John E. Carmany Trustee of the Fry estate, of Middletown, for a term of eight years.

New Post Office.—A post office has been established at Springfield Depot, Erie county, to be called North Springfield. W. S. Patterson is postmaster.

The Scranton Republican has re-appeared under the direction of Messrs. Allegre & Smith, and will be issued semi-weekly. It is a beautiful paper, and sound to the core on the Union question.

DESERTERS.—A Reward for Them.—Provost Marshal Clement offers a reward of \$10 each for a number of deserters who escaped from the Exchange building on the 1st inst. They were sworn into the service as substitutes.

THE EXAMINATION OF CONSCRIPTS CONTINUED.—To-day, the last eighty-nine of the Sixth ward of Harrisburg, and the first eleven of Halifax township, were to appear at the Provost Marshal's office.

SAD ACCIDENT.—A melancholy accident occurred near Carbondale, on Saturday, by which Patrick Murray, Esq., one of the commissioners of that place, was killed. He was struck by a train of cars.

SALE OF GOVERNMENT PROPERTY.—On Saturday next, at 10 o'clock, one hundred horses and mules will be sold at the Government Corral, in this city. Persons desiring to purchase stock of the above description will do well to attend the sale. Terms—cash on delivery.

DEPARTURE OF REBELS.—Twenty of the wounded rebels who were in the Chestnut Street Hospital having recovered sufficiently to be removed, were to leave for Baltimore this morning. But six "rebels" remain in the hospital. They cannot be moved at present.

THE QUESTION IS OFTEN ASKED, "Where do the drunken soldiers get their whiskey?" A friend at our elbow says he saw a cavalrman take a bottle of "hot corn" out of his boot leg, the other day, and take a "pull." That is a new method of carrying the "critter."

IMPORTANT TO THOSE GETTING MARRIED.—Marriage certificates are of no account unless they have a revenue stamp attached, and that stamp must be cancelled by the minister writing thereon his initials and the date of the marriage. The stamp should, of course, be paid for by the bridegroom.

FAIR.—The Agricultural Society of Bucks county will hold its annual fair at Newtown on the 23d and 24th of September, instead of the 30th of September and 1st of October, the time having been changed on account of the State Fair being held at Norristown on the days last named.

PLEASANT THINGS.—The Girard (Pa.) Union, in speaking of an Irish row, says: "It gives us pleasure to state that several knock-downs occurred." This is somewhat like a case we read of once, where a man said he would be very happy to attend his father's funeral if he only had time.

PENSIONS.—The Secretary of the Interior has decided that under the third section of the Pension act, July 14, 1862, the illegitimacy of a son is no bar to a mother's claim to a pension. Under this decision, so much of the instructions and forms of the Pension office as relate to proofs of marriage in mother's claims, have been annulled.

FEARS OF THE MACHO WHEEL.—In the death which came off at Chambersburg, last week, Geo. Eyster, Provost Marshal of the District, drew a prize. Thos. J. Will and W. W. Sellers, the Union candidates for Assembly in the Franklin and Fulton Legislative District, were also invited to serve their Uncle Sam. Quite a number of ministers, physicians, lawyers, merchants and other prominent men drew prize tickets.

OUR AGAIN.—We are pleased to notice that Maj. O. W. Sees, Chief of Telegraph and Transportation Department of Pennsylvania, has so far recovered as to be out of his house. The Major has been suffering from a severe spell of sickness, contracted by exposure while in the discharge of his duty in Cumberland Valley, during the recent emergency. Hopes are entertained that he will soon be able to attend to the duties of his position.

TRAVEL ON THE PENNSYLVANIA RAILROAD.—The following will exhibit the number of emigrants that have passed over the Pennsylvania Railroad during the past seven months: January, 645; February, 480; March, 1950; April, 1450. Making a total of 8955. During the same period in 1862 the number of emigrants amounted to only 6400. During the present year 8778 of the emigrants went to points west of Pittsburg, and generally to the Wisconsin States and territories. In 1862 only 3788 of the travelers went west of Pittsburg. The increase in 1863 is attributable to the Homestead Law passed by Congress.

LOOK OUT FOR THEM.—Counterfeit twenty-five cent postage currency has appeared in Philadelphia. The general appearance of the note is bad, and it can easily be detected by comparing it with the genuine. No doubt they will soon be circulated here, and we would advise everybody to beware of them.

LADIES' UNION RELIEF ASSOCIATION.—The regular monthly meeting will be held Saturday afternoon at four o'clock, in the lecture room of the Presbyterian church, Market Square. The annual report will be presented by the president. It is particularly requested that each member be present. ELIZA A. BISHOP, Secretary.

LEXICOGRAPHY FOR THE TIMES.—The following new definitions, not to be found in any dictionary, may be of service to young lexicographers. They have been obtained from official sources, and are warranted "good until used": Greenbacks—U. S. Treasury notes. Graybacks—Soldiers in the rebel service. Drawbacks—Officers drawing pay for hanging round hotels. Cumbucks—U. S. postage stamps. Counterbucks—The counterfeit fifty-cent notes. Roorbucks—The articles in the Tory Organ.

POLICE AFFAIRS.—Before Alderman Kline.—Thomas Harper was arrested for drunkenness yesterday, and discharged last evening. The following persons—all drunk—were arrested last evening, by the officers named, and after passing the night in the lock-up, were discharged this morning: James Moore, Isaac Koels, David Davis and John Hopkins, arrested by Barney Campbell; George W. Williams, alias "Hoptoe," by Shock and Castella; Henry French, by Essig.

DEDICATION.—The dedicatory exercises of Salem Church of the Evangelical Association, situate on North street, in this city, will take place on Sunday, the 6th of September. There will also be preaching on Saturday evening previous. Rev. M. F. Masia, of Pottsville, and other ministers; are expected to be present. Preaching will be held on Sunday at 10, 3 and 8 o'clock. The services at 3 and 8 o'clock will be in the English language. The public are invited to attend. R. DEISSER, sep3,4,5 wtd Pastor.

SEPTEMBER.—Welcome, beautiful September! fairest of the sisterhood of revolving months. Month of genial days and balmy breezes; month, when the richest fruits of the summer's labor are gathered in; the luscious melon, the goodly peach, the golden pumpkin, and the ripe clusters of the ruby grape. Month of celebrations, of picnics, of harvest homes, and political conventions. Ere its close the equinoctial gales will have swept over the land with their purifying effects, and the slight frosts of early autumn will have tinged the green leaves of the forest with their beautiful hues of russet and crimson. One feels that even this earth were a pleasant place to live long in, during its continuance.

THE SCORCH IN THE HOSPITAL.—Our articles on this subject have created great uneasiness among the guilty parties, who are officers of the Union army, and have feasted the rebel prisoners for some time past. We are receiving fresh evidence almost every hour of the madcap exploits of these scorch sympathizers, which we have noted down carefully and shall lay before the public in proper time.

THE CONSCRIPT CAMP.—Our Carlisle contemporaries seem to be dreadfully exercised about a rumor that the rendezvous for drafted men is to be removed from Carlisle. No order of that kind has as yet been given, but we feel confident that if the Government had considered the extra expense it will incur in the transportation and keeping of the troops, Carlisle would never have been selected. We can tell the Carlisle editors, however, that the citizens of Harrisburg are perfectly satisfied that they quarter the drafted men, and will make no move to have the order changed; but they must resort to falsehood, by telling their readers that Harrisburg is very unhealthy, and that the fever and ague is prevalent here. Such is not the fact. Harrisburg is one of the healthiest cities in the Union, and such a disease as fever and ague has not been heard of for many years past. We repeat again that Harrisburg is much healthier this day than Carlisle, and has been so for years past. Why don't those editors tell their readers that a great deal of sickness has existed in Carlisle since the rebels left that place, which they know is a fact.

ANOTHER SHE-SORCH INCIDENT IN THE HOSPITALS.—Our references to the manner in which some of the she-scorchionists of Harrisburg have been conducting themselves in the hospitals at this post, has brought out several rich incidents; among which the following may be regarded as the choicest: On the last National Thanksgiving Day, several of the lady and gentlemen members of one or two of the choirs in this city, resolved to visit the hospitals in the afternoon, to sing for the benefit of the sick soldiers. The first hospital they entered, they sang that good old National anthem, opening with the words: "My country, 'tis of thee, Sweet land of Liberty, &c.;"

—But, oh! horror! At its conclusion a lady who had been engaged in fanning the whiskey-plumpled brow of a rebel cut-throat officer, approached the singers and patronizingly urged that the singers refrain from such "Abolition songs, as they were calculated to wound the feelings of the Southern gentlemen then in the hospital as prisoners of war." The vocalist, with a desire to appease the wrath of she-scorch and mollify the injured feelings of the "Southern gentlemen in the hospital," sang "Hail Columbia," "Yankee Doodle," and the "Star Spangled Banner," with fine effect, after which they retired from the hospital in disgust, not, however, with the generous Union heroes who were the inmates of the establishment, but with the scorching she-scorchionist who so debased her womanhood by becoming theologist of a traitor.

HOSE CUT.—The hose belonging to the street sprinkler, was cut last night, by some dastardly villain. It was rendered entirely useless, being cut from end to end. We hope the villain may be brought to justice.

SUB SOUTH.—Mrs. Ellen Swann and Miss Alice Magill, daughters of the rebel Dr. Magill, of Hagerstown, Md., were sent to Baltimore on Tuesday, for aiding and harboring rebels during the invasion by Lee's forces. Both were sent across the lines by way of Harper's Ferry. Dr. Magill, their father, it will be remembered, was twice imprisoned for treason, last year, and again discharged. At the time of Lee's raid he joined the rebel army.

FROST.—We are informed that frost made its appearance at different points in this county, during the late cold nights. This was rather early for hoary-headed Jack to appear, as the crops have not all been secured. "Jack Frost! Jack Frost! If the Buckwheat is lost, We'll blame you throughout, old fellow, For what cake, roast or stew, When the leaves of the forest are yellow."

THE DRAFT.—Foolish Young Men.—We hear of young men in this and neighboring counties who ran away after the announcement had been made that they had been drafted. We can conceive of no more foolish act than this. In the first place, they are expatriating themselves from home for life, as they will be subject to arrest year hence should they return; they are disgracing their names forever, and liable to be treated as deserters, and when this war is over, will be abandoned and treated with contempt by all classes. This draft is not to exceed three years' service in any contingency. Should the war end this fall, as it certainly would had we less copperheads at the north, the drafted men will probably be home next spring. But even should it continue, to a war without end, it is, in three years soon roll away, and he who comes back will be honored and respected for life, and his children will speak of him for years to come as a soldier of the Union.
