TOWN AND COUNTRY

THE salutation of the day-"How are you conscript."

CONSTABLE APPOINTED .- Mr. George Westhef fer was appointed Constable for the borough of Middletown, at the late Court of Quarter Session of this county.

THE annual fair of the Beaver county agricultural society will be held in Beaver on the last day of September, and the first and second days of October.

A WESTERN editor having published a long leader on "Hogs," a rival paper in the same village upbraids him for obtruding his family matters on the public.

PERSONS in want of horses or mules should not forget that on Saturday next at 10 o'clock, one hundred of those animals will be sold by the Government officers, in this city.

Run Over.-A lad 12 years of age, named Ges. W. Snyder, of St. Clair, Schuylkill county, was run over by a dirt car at Pine Forest colliery, and seriously injured.

ACCIDENT AT MAHANOY CITY .- On the 14th ult., Lieut. Robert Russell was accidently shot dead by a companion, who was handling a revolver, which was discharged.

Proposals for the construction of a sewer, in North street, will be received at the city clerk's office until six o'clock on Monday next. Par-

ticulars in advertising column.

THE FRANKLIN RAILBOAD.—It is believed that the railread between Chambersburg and Hageratown, destroyed during the rebel invasion, will be ready for the transmission of freight and passengers about the first of October.

PENNSYLVANIA HORTIGULTURAL SOCIETY.-The Horticultural Society of Pennsylvania has recently engaged the Academy of Music, in Philadelphia, for the purpose of holding a grand autumnal exhibition of plants. The exhibition will commence on the afternoon of Tuesday, the 15th of September, and continue the two following days. The Society offers the two following days. The Society offers
large premiums, and it is expected that the
contributions of fruits and flowers will, on this count, be large and fine. The science of price at the established claim agency of EUGENE SNYDER, horticulture has been the subject of much study and experiment within the past few years, and the improvement therein has been very marked. The cultivation of shrubs, trees, fruits and flowers, whether useful or ornamental, ought to be encouraged and improved by frequent exhibitions of the kind mentioned
