HARRISBURG, P. A.

Saturday Evening, Sept. 12, 1863.

GEN. BENJAMIN F. BUTLER.

His Speech in Harrisburg Postponed.

To the Loyal Men of Dauphin County.

From information received direct from the Union State Central Committee, to-day, I am unwillingly constrained to announce that Major General Benjamin F. Butler will not be able to appear in the city of Harrisburg, as announced, on Monday evening next.

I have assurances, however, that Major General Butler will speak in Harrisburg, before the campaign is over, of which due notice will be given.

HENRY THOMAS,
Chairman Union County Committee.

SULLIVAN S. CHILDS, Secretary.

TOWN AND COUNTRY.

DYKSTRA is prevailing to an alarming extent in portions of Snyder county.

The Juniata Sentinel says that the society of the Knights of the Golden Circle is pretty extensively organized in that county.

Dr. J. C. HOYER, dentist, is prepared to perform all kinds of dental operations, at his office, corner of Market street and Market Square.

THE THREE HUNDRED POUND BULLS with which Gillmore and Dahlgren are battering away at the rebels, were cast at the foundry of Albright & Stroh, in Milton, Pa.

THE MEN WANTED.—Lieut. C. L. Mercereau, recruiting officer, wants ten men to fill a company of six months' cavalry. Apply at the Park House, on Market street.

MUSIC.—Prof. Henry C. Orth, teacher of music, on the Piano, Melodeon and Violin, can be found at No. 15, Third street, between Market and Chestnut. Those desiring instructions should give him a call.

HOOK AND LADDER HOUSE.—The City Council will receive sealed proposals until six o'clock, p. m., on the 24th inst., for the erection of a house for the Mount Vernon hook and ladder company. The house is to be of brick.

THE TOWN COUNCIL OF Carlisle has adopted a resolution directing an investigation into the losses sustained by the citizens of that place at the hands of the rebels, during the recent invasion, with a view, we presume, of aiding the losers to obtain remuneration.

THE COMPANIES who performed patrol duty here, having received orders to march, left the city this morning. A portion of the Invalid Corps has been detailed to take their place, and entered upon the discharge of their duties this morning.

ADJUTANT GENERAL RUSSELL, who has lost his companion and several children, by death, within the past year, received intelligence, last evening, of the death of his mother, at Bedford, to which place he started this morning. He will be absent several days.

ABANDONMENT OF CAMP CURTIN.—We learn that Camp Curtin is to be abandoned. A new site for a camp has been selected, on the farm of Mr. Butherford, three miles from Harrisburg, on the Reading pike. The location is said to be the best in the neighborhood.

THE PAROL CAMP at West Chester has been almost entirely deserted—the only persons there now being a few sick soldiers quartered in the hospital, and they will be removed as soon as they are so far recovered as to be able to be removed. The guards have left Reading, to which place they were ordered.

SAD AFFAIR.—A few evenings ago, at Portland Mills, seven miles from Clarion, Pa., while the Provost Marshal of Elk county was attempting to arrest a deserter named Daniel Smith, and during a scuffle with him, the revolver of the Marshal was knocked from his hand and accidentally exploded, the ball entering the neck of Mrs. Smith, killing her instantly. A verdict of accidental death was rendered.

POLICE AFFAIRS.—Before Alderman Etkin.—Five white men, spiritual subjects, having sobbed up, were discharged by the Alderman this morning. They were the following: Samuel Hoover, arrested by Stock and Kane; Peter Esner, by Esig and Cline; John Henry, by Esig and Costello; W. J. Carrington, by Cline; Wm. Spotts, by Campbell.

DOUBLETS.—There will be sufficient arrests tomorrow evening to give us a fair police report for Monday.

POPE IN THE CARES.—As the train from Williamsport, containing large numbers of conscripted men, was by way to Lock Haven, much conversation took place on the subject of the draft and in consequence of some indignation expressed as to the nature of the law, certain Copperheads in the train, seized a fine opportunity to take a vote and to make capital for their traitorous cause. They were accordingly taken with the following result:

Curtin, 71. Woodward, 37.
After the result was known some of the Copperheads declared that the soldiers present should not have been allowed to vote, alleging that the soldiers were all for Curtin, and hence the necessity of disfranchising all who bear arms in defence of the Government;

DEATH OF A BALTIMORE BANK PRESIDENT.—C. C. Jamison, Esq., President of the Bank of Baltimore, died on Wednesday, in the seventy-second year of his age.

The recent order prohibiting the removal of bodies from the field of Gettysburg, stands only to October 1st, after which date, we presume, friends and relatives may have the remains exhumed for embalming and transportation for interment at home.

BROKEN LIMB.—A colored man, a drayman of the "Old Wallower Line," had a leg broken yesterday, while unloading a bundle of steel at Kolker & Brother's store, on Second street. We are informed that the man was intoxicated at the time the accident occurred.

"A LITTLE EPISODE."—The Elmira Press of Thursday publishes the following item of local intelligence:

PIERCE.—Born in this village, on Wednesday, Sept. 9th, Charles Henry William George Augustus, only son of W. C. and Sarah A. Pierce. The friends of the family are invited to call and offer congratulations.

THREE YOUNG MEN CONSUMED BY FIRE.—We learn that on Wednesday night of last week, a fire broke out at the residence of Mr. Mulligan, in Port Griffith, Luzerne county, Pennsylvania, and three young men by the name of Barret, and were consumed in the flames. The young men were brothers, and were sleeping in the house at the time the fire broke out.

THE MILLIONAIRES of yesterday has the following: "Samuel Logan, long and well known in this borough, died suddenly at Harrisburg, on Monday last, to which place he had gone to enlist in the army. He had just returned from the militia service, and had been previously a member of Captain Davis' company in the nine months' service. His remains were brought home, and interred on Thursday last by the Free Masons and escort of soldiers."

MURDERED CURTIN.—On Tuesday, Mr. Eschelon Eselstine, of Herrick, was knocked down by a bull and so seriously injured that he died the next day.

On Thursday, Mr. Melaney, of North Towanda, was seriously injured by the rolling of a log, with which he was engaged in clearing a piece of land. A man residing in Ridgebury died on Saturday night, from wounds received in a similar manner.

MURDERED IN KANSAS.—Rev. Mr. Snyder, known as "big Snyder," formerly preaching elder in the United Brethren Church, in Blair county, Pa., was murdered by the rebel ruffians in Kansas. The three friends who had been dispatched to kill him, found him before his door milking his cow and, not knowing him, asked him if he were the owner of that house; and being answered affirmatively, drew their pistols and fired; the three balls passed through his body and he fell dead. Thus fell this man, who was greatly esteemed through this country, both as a man and a preacher, a victim to the traitors on account of his firmness to the Union.

Able speakers will be in attendance to address the meetings.

SMALL CHANGE.—We frequently hear the complaint of a scarcity of pennies and three cent pieces, occasioned by their being hoarded by foolish people, who believe them much more valuable than the paper currency. We suppose they do not understand that three cent pieces are not worth what they pass for, and that they are not legal tender for the payment of debts amounting to more than thirty cents.

A person may hoard three cent pieces to the amount of hundreds of dollars, but he cannot pay debts with them or use them at all in business transactions beyond the amount specified, if others refuse to take them. With cents the case is still worse. The scarcity of small change forced a temporary value on them at one time, but that scarcity has passed away, so that the hoarding of them is a foolish business. These small coins were intended to circulate as change, and they were made to pass for more than they are intrinsically worth for the purpose of keeping them in circulation; therefore let them circulate. Our advice is to lay in a larger stock of common sense and a smaller stock of copper cents.

THE RESULT OF STREET EDUCATION.—Keep Your Children off the Streets.—By that we mean do not let them make their acquaintances on the sidewalk. If they frequent the public schools, you must establish a sort of verbal quarantine at your door, and examine the youthful tongue once a day, to see if it has not a secretion of slang upon it.

Mrs. Careful's little son Manfred came running into the paternal mansion the other day, shouting to the cook:

"Now, then, old girl, slap up that dinner." "Why, Manfred!" began the astonished mother, "where did you learn such language?" "I have," said the boy, "I've been playing with 'em who have you been playing with?" "I've been playing with 'em," said the mother. "I've been playing with 'em," said the boy, "I've been playing with 'em." "I've been playing with 'em," said the mother. "I've been playing with 'em," said the boy, "I've been playing with 'em."

"I've been playing with 'em," said the mother. "I've been playing with 'em," said the boy, "I've been playing with 'em." "I've been playing with 'em," said the mother. "I've been playing with 'em," said the boy, "I've been playing with 'em." "I've been playing with 'em," said the mother. "I've been playing with 'em," said the boy, "I've been playing with 'em."

JEWISH FESTIVAL.—The Jewish festival of Rosh Hashanah will be observed by the Jewish people. It will continue until Tuesday at sunset. It commences the month Tishri, and is the anniversary of the creation of the world, which is, by the Israelitic computation, 5,624 years old. The festival is observed as a Sabbath—no work of any kind being performed in the time of the sounding of the shofar or cornet, which is blown about noontime.

On the 15th day of Nissan (the 23rd of September) is celebrated the feast of Tabernacle, or Succoth, which continues during a week. The first day is one of holy convocation; no servile work is to be performed. For seven days an offering is to be made, and the eighth day is again a day of solemn assembly. During the whole time the Israelites are commanded to dwell in booths; and many families partake of their meals, during the continuance of the festival, under a canopy of branches. The dwelling in booths is commemorative of the residence allowed the children of Israel when they escaped from Egypt, and during the period of their wandering in the desert. The prophet Zachariah proclaimed that, whoever of the families of the earth should not go up to Jerusalem to worship, should receive no rain. Even the Egyptians, who needed no rain, should be smitten with a plague if they neglected to worship the Lord of Hosts. In this festival a waving offering is made, on account of the gathering of the fruits of the season.

THE SINKING FUND.

GREAT REDUCTION OF THE STATE DEBT.

A PROCLAMATION BY THE GOVERNOR.

WHEREAS, By the third section of the act of the General Assembly of the Commonwealth, passed the twenty-second day of April, one thousand eight hundred and fifty-eight, entitled "An Act to establish a sinking fund for the payment of the public debt," it is made the duty of the Secretary of the Commonwealth, the Auditor General and State Treasurer, commissions of the Sinking Fund created by the Governor shall direct the certificates representing the same to be cancelled, and on such cancellation issue his proclamation, stating the fact and the extinguishment and final discharge of so much of the principal of said debt; And whereas, By the seventh eighth section of an act of the General Assembly of the Commonwealth, passed the nineteenth day of April, A. D. one thousand eight hundred and fifty-three, entitled "An Act to provide for the ordinary expenses of the government, &c.," it is provided, that thereafter the receipts of the Sinking Fund, to the amount that may be necessary to cancel the relief issues now in circulation under the provisions of the act of the fourth of May, A. D. one thousand eight hundred and forty-one, and the releases under the act of fourth of April, A. D. one thousand eight hundred and forty-two, shall be applied towards the cancellation of said issues;

And whereas, Ell Shifer, Isaac Slenker and William McGrath, ex-officio commissioners of the Sinking Fund, in obedience to the requirements of law, report and certify to me that the debt of the Commonwealth of Pennsylvania, redeemed and held from the first day of September, A. D. one thousand eight hundred and sixty-two, to the seventh day of September, A. D. one thousand eight hundred and sixty-three, amounts to the sum of nine hundred and fifty-four thousand seven hundred and twenty dollars and forty cents, made up as follows:

Coupon loan act May 4, 1862	\$100,000 00
Five per cent, act May 4, 1862	790,716 50
Four and one half per cent loan	68,000 00
Relief notes cancelled	963 00

D. one thousand eight hundred and fifty-three aforesaid.
