TOWN AND COUNTRY.

CRUDE OIL is now selling at \$6 per barrel at the wells, \$7 at Oil City, \$7 25 at Franklin and \$10 50 at Titusville.

The Ladies' Relief Society returns thanks to Mr. Wm. E. Hargest for a basket of assorted vegetables for hospital use.

ON THE MOVE.—Hundreds of Government wagons have been passing through this city, in different directions, within the past day or two, conveying stores belonging to Uncle Samuel.—We have not learned their destination.

TO THE LADIES.—At Jones' store there is a very large assortment of seasonable goods for the ladies, such as clothing, cloths, balms, soap, hoop skirts, &c. Also a fine stock of gentlemen's furnishing goods. Prices very low.

ARREST OF A MAN CHARGED WITH COMMITTING A MURDER TWO YEARS AGO.—On Friday last, Michael Purcell was arrested at Silver Creek, Schoenly county, charged with murdering Patrick Burns, at Windy Harbor, in said county, about two years ago.

YESTERDAY WE SAW A countryman who had his face considerably battered and disfigured.—He had been playing a game of poker with "somebody" in the country, and "somebody's" poker spoiled his countenance. It was a regular spirit-rapping affair.

FIRE.—A large stone Switzer barn upon a farm owned by Joseph and Jacob Levan, in Exeter township, Berks county, was destroyed by fire a few days ago. Fifty tons of hay and a large quantity of grain, &c., were also consumed. Loss \$4,000.

ELECTION OF RAILROAD OFFICERS.—An election for officers and managers of the Cumberland Valley Railroad Company will be held at the company's office, in Chambersburg, on Monday, Oct. 8th, between 10 o'clock, a. m., and 4 o'clock, p. m.

BASE BALL AT ALTONA.—On Friday a game of base ball was played at Altona, between the Mountain Club, of that place, and the "Athletics" of Philadelphia. The latter came off the victors by a score of seventy-three to twenty-two.

CHURCH DEDICATION.—The dedication of St. Stephen's (German) church, in West Harrisburg, will take place at 10 o'clock on Sunday morning next. The services will be under the direction of Rev. Mr. Vogelebaugh, of Philadelphia, and other ministers. There will also be religious exercises in the afternoon, at 3 o'clock. The public are invited to attend.

ANOTHER VICTIM.—Almost.—When the passenger train of the N. C. R. R., which was due here at noon yesterday, was coming along near bridge No. 84, a drunken man was discovered lying across the track. Fortunately, the train was stopped in time to save him from a drunkard's death. The preservation of his life is owing to the watchfulness of the engineer of the train.

THE FINANCE COMMITTEE OF THE City Council will receive proposals for a loan of \$11,100, "on the faith, credit and responsibility of the city; to be secured by coupon bonds, dated the first of October, 1883, and payable ten years after date, with interest at the rate of six per cent., payable semi-annually." Proposals will be received until the 1st of October, at 12 o'clock, a. m.

THE HAY BUSINESS.—An immense quantity of hay, purchased by the Government, has been hauled to the camps near this city, within the past few days. Owing to the great demand for hay, and the comparatively light crop made this season, the prices have advanced. A good article sells at as much as twenty-five dollars per ton; and we have not heard of any sales of an inferior article at a lower figure than twenty dollars per ton.

FURNISHED A SUBSTITUTE.—John K. Elio, who was drafted in the Second ward, furnished a substitute. In the list of examinations published, his case was announced as postponed. The lists published were furnished from the Provost Marshal's office at the time of the examinations, and was not altogether correct.—An official list will be published by Provost Marshal Clement as soon as the examinations are completed.

WE DID IT.—But We Claim no Credit for the Good Action.—By a card in the Tory Organ of this morning, signed "A. L. Rounfort, Chairman," and "Wm. H. Eglo, Secretary," it is resolved to disburse the balance of the funds collected to defray the expenses of receiving the 127th Reg. P. V., in purchasing coal for the families of Harrisburg volunteers who are now in the service. We are not proud, nor do we claim any credit for this result, notwithstanding it took considerable scratching on our part to get the settlement of the accounts of the reception fund of the 127th Reg. There is still another matter which "A. L. Rounfort, Chairman," must do. The public want a statement of what has been expended. We want to see the vouchers for the money disbursed. This is only right, that the entire account may be audited. Let us have the vouchers.

—The appropriation of the balance in the hands of the Treasurer, to purchase coal for the families of Harrisburg volunteers, will be commended by all good citizens who contributed to the fund. We trust that economy will be exercised in purchasing the coal, and that strict impartiality will be observed in its distribution. And as a suggestion to secure this economy, we trust that the coal will be purchased at the mouth of the mines, and so delivered as to make the distribution a real benefit. In conclusion, too, we take satisfaction in pointing to this result as one of the benefits of an impartial and independent press.

GREAT DEMONSTRATION.—Union Meeting.—Yesterday afternoon we received a dispatch that Col. Montgomery would arrive in this city during the afternoon and address a public meeting, if one was called for that purpose. Col. Montgomery was at one time the editor of the Vicksburg Whig, the organ of the Breckinridge Democracy of Mississippi, and also one of the most strenuous supporters of that traitor for the Presidency, when it was supposed that Breckinridge was a pure Democrat. In accordance with this notice, bills were issued some three hours before the meeting was called to assemble. At the appointed hour Mr. S. S. Child called the meeting to order, and moved that JOHN TILL, Esq., act as President.

John Trullinger, Eby Byers, Val. Hummel, Jr., John Miller, Joseph Strominger, David Mumma, Philip Irwin, John P. Rutherford and James Freeland acted as Vice Presidents. Capt. Wm. E. Seas and Lieut. W. W. Gesty acted as Secretaries.

Messrs. Bergner, Fleming and James R. Boyd were appointed a committee to wait on Col. Montgomery, and ask him to address the meeting.

During the absence of the committee Hon. L. W. Hall, of Blair county, addressed the meeting in his usual able and eloquent style, eliciting frequent applause.

After the return of the committee, Mr. Hall gave way for Col. Montgomery, who addressed the meeting for about one hour and a half in a most eloquent manner. The remarks were constantly applauded by the audience, and after he had concluded a resolution of thanks to Col. Montgomery and L. W. Hall was unanimously passed by the meeting. After this the meeting adjourned, with three cheers for the Union and three for Gov. Curtin.

OUR COMMON SCHOOLS.—The Great Injustice Done to Scholars by the Occupation of the School Rooms as Military Hospitals.—A Change or a Remedy Recommended.—The common schools of the city of Harrisburg, from being among the best conducted and most flourishing in the Commonwealth, have suddenly become the most neglected and are fast falling into a deplorable condition. To-day there are between three and five hundred boys and girls running the streets of Harrisburg, subjected to all kinds of vile temptation, and in danger of becoming pests to society, if they are allowed this to grow up without education, without wholesome restraint or moral training. These children have all literally been deprived of their schooling by either the sloth or the negligence of the officers of the Medical Department of the U. S. Army, because the occupancy of the school rooms for hospital purposes is no longer excusable. The Government has had ample time to erect buildings for hospitals. When the school rooms were first occupied, no objection was offered, because it was during an emergency at once trying and important. But from that hour the Government should have commenced to erect buildings for hospitals, and not permitted to inflict a great imposition upon the parents and children of a single city.

It is highly important that measures be at once taken to secure rooms for the school accommodation of the great number of boys and girls now running loose on the streets. The presence of large numbers of idle boys on the streets, when they should be attending school, begins to attract the attention of strangers and has long been a matter of the most serious annoyance and suffering to many worthy heads of families in Harrisburg. In behalf of these we now appeal to the Medical Department at once to make arrangements to vacate the public schools. It would be far better to occupy every church in the city, than that a dozen boys or girls should be deprived of their schooling; and the Government had also better get to a vast expense in erecting buildings, than practice the false economy of occupying the rooms of the public schools of this city.

—This is a most important subject, and we therefore earnestly urge on the attention of the Medical Department. The comfort of the sick and wounded soldiers must, of course, occupy our first attention and command our best means of relief, but all this can be accomplished without injury to the rising generation who are to be fitted for free soldiers as they are educated and trained in the public schools. We therefore repeat our appeal for relief to the school boys and girls of Harrisburg.

RUN OVER BY A WAGON.—Yesterday a man, (whose name we have not learned,) in getting out of a wagon, slipped and fell, and the wheels passed over him, inflicting but a slight injury. The accident occurred near the Capitol.

SABBATH DESTRUCTION.—We hear considerable complaint about the manner in which the Sabbath is desecrated by a number of employees in the Government bakeries and other buildings near the depot. Would it not be well for the police to turn their attention to that direction occasionally?

PASS HIM AROUND.—The Pottsville Miners' Journal cautions the public against a Rev. M. E. Cross, who represents himself as a Presbyterian minister, and collects money (as he says) for our poor soldiers, and at other times for the Tract Society. He is a tall slim man, about fifty years of age, and of pleasing address.

The Organ was not anxious to get the election returns from Maine. Instead of getting them by telegraph it waited until they could arrive "by the mails." If the news had been favorable to the copperheads, the rooster would have been aroused from his midnight slumbers, and compelled to crow over "the latest by telegraph from Maine."

RE-BUILT.—All the buildings of the Cumberland Valley railroad company at Chambersburg, that were destroyed by the rebels during the June raid, have been re-built, except the engine house. It is expected that the new depot house will be under roof before winter. This was not re-built previous to the above-mentioned raid.

AN APPEAL TO A BLOWER.—We freely give place to the following communication:

Editor Telegraph.—Will you please repeat your appeal to the blower of that elderly horse, whose harsh notes have been outraging the musical sensibilities of the people in the vicinity of Third and Walnut streets, to stop his blowing! What with the colic, with which all infants must suffer, and his horrible noise, existence within the sound of that horn is almost intolerable. A WET NURSE.

IMPORTANT DECISION.—The Commissioner of Internal Revenue has decided that persons resting stands or stalls at county fairs, for the purpose of selling pies, cakes, fruit, oysters, coffee, &c., &c., will not be required to take out a dealer's or confectioner's license, unless their sales amount to one thousand dollars. No person can sell spirituous liquors without a liquor dealer's license.

HEBREW NEW YEAR.—Our fellow citizens of the Hebrew persuasion have been celebrating the commencement of their new year since Sunday evening. Their place of business have been closed since Saturday night, but will reopen this evening at 7 o'clock.

During the first ten days of this first month (Nisan) of the new year, services will be held for morning prayer in all places where there are synagogues. The services continue from four until seven o'clock, A. M.

HORRIBLE.—Last night a man was instantly killed near the depot building of the Pennsylvania railroad, in this city. As usual, cars were being shifted from one track to another. The engineer, although very careful, did not discover the man, who was lying across the track, in time to prevent the accident. It appears that he was lying with his head resting on his arm, which was on one of the rails. The engine crushed his head almost to a jelly. On his person was found an exemption certificate, from which it appears that his name was Patrick Newman, and that he had been drafted, and was discharged. His residence is supposed to have been Dillerville.

CAPT. J. G. JOHNSON, A. Q. M., will be at Altoona, Bloomsburg, Bedford and Huntingdon on the days named in the advertisement, for the purpose of making settlement with persons residing in Bedford, Blair, Fulton, Huntingdon, Mifflin, Juniata, Somerset and Cambria counties, who have just claims against the United States Government for supplies and transportation furnished the Union forces during the rebel invasion in June last, and the organized militia forces called out by the Governor's proclamation of June 16th. The Captain commences the settlement to-day, at Altoona, where he will remain five days.

A WORD OF ADVICE TO OUR LABORER FRIENDS.—We see that the Copperhead ward committees in this city are making liberal bids to all the Copperhead idlers of the town to visit Lancaster city on the occasion of the mass meeting which is to be held in that city ostensibly to aid in the election of Woodward; but really to promote the success of Jeff Davis. In view of these facts, we advise our Lancaster friends to be on their guard, as the denizens of the penitents of the State Capital will be vomited upon them on the occasion referred to.—Shoulder hitters, band's lovers, depot loungers and larger beer politicians will make up the delegation. So look out.

SABBATH SCHOOL CELEBRATION.—The Sabbath School of the First African Methodist Episcopal Church, of this city, will have a celebration in the Grove near the west end of the Pennsylvania Railroad bridge, opposite Rockville, about six miles from this city, a very pleasant place, on Thursday next, the 17th inst. The cars chartered for the occasion, will leave the Market street depot at 8 o'clock in the morning, and 1 o'clock in the afternoon, and return at 6 o'clock. Every provision has been made for the occasion. A sumptuous repast has been provided of boiled ham and roasted chicken, including all the fruits of the season, &c. Tickets for the round trip 25 cents, to be had of Mrs. Dorsey, corner of Walnut and Filbert streets, and of the Committee. The proceeds of the celebration are for the benefit of the Sabbath School and Church. We are gratified to witness the many manifestations of the strong and earnest desire of our colored population to improve themselves, and their efforts for such purpose deserve to be liberally encouraged. Come, one and all, friends, and you will have a happy time. Rev. Joseph A. Nelson, Pastor of the Church, and William Dorsey, Superintendent of the Sabbath School, will conduct the exercises so as "to preserve a co-scientious hold of it."
Office: Third Street, Harrisburg, Pa. [Oct 7-17]

TO HORSE OWNERS.

DR. SWEET'S INFALLIBLE LINIMENT FOR HORSES is unrivaled by any, and in all cases of Lameness arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scatches, Mange, &c., it will also cure speedily. Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horses to travel with comparative ease. Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectively prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless. See advertisement. aug19-dawoo

USEFUL AND VALUABLE DISCOVERY!

HILTON'S INSOLUBLE CEMENT! Is of more general practical utility than any invention now before the public. It has been thoroughly tested during the last two years by practical men, and pronounced by all to be SUPERIOR TO ANY Adhesive Preparation known.
HILTON'S INSOLUBLE CEMENT is a new thing, and the result of years of study; its combination is on Scientific Principles, and under no circumstances or change of temperature, will it become corrupt or emit any offensive smell.
BOOT and SHOE Manufacturers, using Machines, will find it the best article known for Cementing the Channels, as it works without delay, is not affected by any change of temperature.
JEWELERS Will find it sufficiently adhesive for their use, as has been proved.
Its especially adapted to Leather, and we claim as an especial merit, that it sticks Patches and Linings to Boots and shoes sufficiently strong without stitching.
It is a liquid.
