TESTIMONIAL! HARRISBURG, Fob. 20, 1863.

Mr. S. A. Kurkel, Drugger: Dear Sir: I have great pleasure in testifying to the complete success of your Birrer Wina or less in my case. I have been afflicted for a number of years with weakness, general debility and giddiness, so much so that I have been contined to my bed for the greater part of my bear than the present of my bear than the property of the present of the pre time, and have pad the attendance of our best physicians, but received but little benefit.

I had despaired of ever regaining my health, until hearing of your inestimable remedy, Brrrzs Wine of Iron. I determined to try its virtue, and I am happy to state it has resulted in a complete cure. I am more robust and vigorous than I have been for many years, which feeling a attribute solely to your British Wisson Inon. I have no hesitation in recommending it to others, similarly affected, and shall be

happy to bear personal testimony
Yours, truly, HARMAN FRISCH. Yours, truly, TO THE PUBLIC.

Dr. S. A. Kunkel: DEAR SIR: When on my way, last summer, to join my regiment at Yorktown, Virginia, you were kind enough to give me several bottles of your "Buter Wine of Iron," I found it most valuable in the climate of the Peninsula and the diseases incident to it. No preparation of barks exceed it in value. I believe that its se would prevent much bilious fever, and certainly prove a great value in its cure. I re-Yours, Respectfully, H. P. HUNT,
